The more information we receive here, the better! We can only tell your brand and business story well based on the details you give us. If you want it to sound authentic, tell us everything.
*NOTE: If you want to provide copy, please refer to the framework you've chosen to see where copy will be required and provide blurbs, content, and descriptions for each section with placeholder text. Please provide a link to a Google Drive or Dropbox where you have uploaded your typed text.

What does your company do? If you could, give us your elevator pitch.

Who is your target audience? Who benefits from your product or service the most? What does that target audience need from you?

Who are your competitors? How are you better than them?

When did you start your business and why? Show us your passion!

Tell us about your brand. What are your brand values and beliefs? What pushes you to do what you do?

What are you selling? Please individually list your products/services and the reasons you think your customers should buy them. The more detail you can offer here, the better.
