

SEO CASE STUDY

SHEET METAL FABRICATION

Prior to SEO

A sheet metal fabrication company came in November of 2017 with some online presence. They wanted to improve their local presence by increasing organic and website traffic as well as clientele. At the time they signed on for our SEO services, they had just 15 keywords ranking on the first page of major search engines.

SEO APPROACH

- We identified how potential customers were searching through extensive **keyword research**.
- We designed & implemented an SEO campaign that included **on-page** and **off-page optimization** around their targeted keyword terms.
- We ensured that all name, address and phone number information was correct, complete and consistent across key sites, including top tier directories such as **Google My Business** and **Bing Local**.
- We developed and distributed **SEO friendly content** on relevant websites.
- We **created** and **distributed videos** about the business.
