

MASSTOK

Material Inspection Report

File No: MASS/NB/05		Date:	22/04/2020
Type: Rotatings		Discipline:	Mechanical
DESCRIPTION	Product	Rotatings	Material
	Description	Mechanical	<input checked="" type="checkbox"/> Bearing <input checked="" type="checkbox"/>
	Inspection	Non-Destructive	<input checked="" type="checkbox"/> Pumps <input checked="" type="checkbox"/>
	Method of Inspection	(VT) Visual Inspection	<input checked="" type="checkbox"/> Couplings <input checked="" type="checkbox"/>
Attached Documentation		Yes / No	Documents Identification No.
DOCUMENTATION	Initial Delivery Note	No	
	Code No.	No	
	Manufacturer Test Certificate	No	
	Other Documents (if any)	No	
Inspection / Verification (By QA/QC or TPI)			
<input checked="" type="checkbox"/> Un Used		<input type="checkbox"/> Used	
<input checked="" type="checkbox"/> Conforming / Accepted		<input type="checkbox"/> Non-Conforming / Rejected	
<input type="checkbox"/> New		<input checked="" type="checkbox"/> Old	
Comments: Materials has been Inspected and Approved, for the details see the attached List.
