

FELLOWSHIP IN
GASTROENTEROLOGY

ABOUT MEDVARSITY

Asia's Largest Healthcare EdTech Company

Medvarsity is Asia's largest healthcare ed-tech company offering online and blended learning programs (Fellowship, Post-Graduate Programs and Certificate courses) for healthcare professionals. In the last five years, we have positively impacted the careers of over five lakh healthcare professionals across 192+ countries. We are a team of 300 high-energy professionals of which more than 120 team members have joined us in the last 12 months. Today, we cater to the requirements of both healthcare professionals as well as non-clinicians ensuring industry demand and skilled workforce are in a perfect state of equilibrium.

Medvarsity has won several accolades for contribution to healthcare education and healthcare technology. In 2022, Entrepreneur India and the Ministry of Electronic and Information Technology awarded us with the Best Ed-tech Deployment for higher education. In 2021, Medvarsity won Asia's Greatest Brands in education and ed-tech, an award by Asia One magazine. We are here to partner with you through that journey.

Knowledge Changes Lives

FELLOWSHIP IN GASTROENTEROLOGY

The Fellowship in Gastroenterology is a sequence of 3 courses that together give you a comprehensive and holistic understanding of the fundamentals and the latest research techniques in the field of gastroenterology.

India is among the countries with the highest incidence of GI disorders. Physicians and healthcare professionals skilled and knowledgeable in diagnosing and managing GI disorders are in high demand. Scale up your patient services with this Fellowship program.

The fellowship program, certified by Medvarsity Online Limited, has been created under the aegis of Course Director, Dr. Naveen Polavarapu, and Course Faculty, Dr. Raghuram Kondala.

This 12-month course comprises virtual learning to strengthen your clinical knowledge of Gastroenterology and clinical rotation at top hospitals to sharpen your skills, accompanied by simulation training in upper gastrointestinal endoscopy.
