

FELLOWSHIP IN GYNECOLOGY AND OBSTETRICS

ABOUT MEDVARSITY

Asia's Largest Healthcare EdTech Company

Medvarsity is Asia's largest healthcare ed-tech company offering online and blended learning programs (Fellowship, Post-Graduate Programs and Certificate courses) for healthcare professionals. In the last five years, we have positively impacted the careers of over five lakh healthcare professionals across 192+ countries. We are a team of 300 high-energy professionals of which more than 120 team members have joined us in the last 12 months. Today, we cater to the requirements of both healthcare professionals as well as non-clinicians ensuring industry demand and skilled workforce are in a perfect state of equilibrium.

Medvarsity has won several accolades for contribution to healthcare education and healthcare technology. In 2022, Entrepreneur India and the Ministry of Electronic and Information Technology awarded us with the Best Ed-tech Deployment for higher education. In 2021, Medvarsity won Asia's Greatest Brands in education and ed-tech, an award by Asia One magazine. We are here to partner with you through that journey.

Knowledge Changes Lives

FELLOWSHIP IN GYNECOLOGY AND OBSTETRICS

The Fellowship in Gynecology and Obstetrics is a sequence of 3 courses that together enable you to provide comprehensive care for females. This course will help you diagnose, treat and manage abnormal bleeding, neoplasms, genital infections, and other uniquely female health issues.

The fellowship program, certified by Apollo Hospitals Educational and Research Foundation (AHERF), CPD and Medvarsity Online Limited, has been created under the aegis of Course Director, Dr. Rooma Sinha and Course Faculty, Dr. Vimee Bindra.

This 12-month course combines conventional online learning (live virtual classes) with hands-on training (internships at partner hospitals) to enable you with all-round knowledge and skills in ob-gyn medicine.
