

Advanced Certificate in
NABH Edition-II

About Us

Medvarsity Online is Asia`s largest healthcare Ed-Tech company, with over 2 lakh medical professionals trained and certified. Our partnerships with leading universities globally enable us to present the best courses and faculty to our students and help them meet their learning goals. Medvarsity is on a mission to bridge the gap of skilled medical professionals with over 150 courses in clinical & management areas for doctors, nurses, and general management personnel, covering specialties like Diabetes, Emergency Medicine, Cardiology, Nutrition, Wellness, Healthcare Informatics, Mental Health & more, with all the content being up-to-date.

Medvarsity has presence across 10 locations in India and students across India, Middle East, Africa, and South-East Asia. Our blended training solutions combine the best of traditional e-learning, live virtual classes, clinical bedside learning, mobile learning models to deliver impactful courses to our students.

Course Overview

Today, National Accreditation Board for Hospitals and Healthcare Providers (NABH) standards help in building a quality culture at all levels and across all the functions of a hospital. So, that makes this course relevant.

NABH offers accreditation programme for Indian hospitals and healthcare providers. NABH is a constituent board of Quality Council of India (QCI) and a member of International Society for Quality in Healthcare (ISQua) Accreditation Council. The NABH standards offer a rigorous framework for patient care and quality improvement in the hospitals to achieve accreditation. This course offers an insight into the framework.

Course Objectives

This online course is designed to provide you the knowledge and insights that can prove critical in achieving NABH accreditation for your healthcare organization. The course offers practical guidelines and tips to overcome accreditation challenges that face hospitals. This course lets you:

- Learn from NABH assessors and healthcare quality managers
- Real-life insights from professionals who handle these challenges regularly
- Sample templates of documents such as policies, process documents, manuals and forms
- Get enabled to implement NABH standards in your organization
- Focus on straight-forward, direct action steps to achieve accreditation
- Avail videos, reading materials, tools, checklist, SOP and assessments to make learning engaging and immersive. These are easy to access anytime, anywhere, any device.

Course Outline

Overview of NABH accreditation
NABH accreditation process
NABH standards
NABH documentation requirements

Eligibility

Healthcare professionals, hospital administrators, nurses, MBBS doctors, and healthcare quality professionals.

Duration:

Two months

Ten hours of learning content

Training and Learning Methodology:

The online learning program will be for a duration of two months. The online content shall be in the form of e-books. A login username and password will be provided to access the content of the learning management system. You can access the course content on a computer or mobile phone at your convenience.

Assessment & Certification

- All assessments will be based on online tests.
