# Dog Bite Incident Workbook

Steps to Take After a Dog Bite in Centennial

Based on Centennial Dog Bite Lawyer by McCormick and Murphy

## Immediate Medical Care

*After a dog bite, the first crucial step is to seek medical attention. What should a doctor do for the wound?*

## Gathering Information

*It's important to collect details from the dog owner. What two pieces of information should you try to obtain?*

## Documenting the Incident

*To support your claim, documenting the event is vital. What two types of photographs should you take?*

## Official Reporting

*Reporting the bite is a necessary step. Which local authority should you report the bite to?*

## Record Keeping

*Keeping thorough records is essential for your case. List three types of documents you should keep.*

## Assessing Injury Severity

*Even if a wound looks minor, why is it important to see a doctor immediately?*

## Preventing Future Issues

*Besides cleaning the wound, what else might a doctor administer to address potential health risks?*
