

Florence Dog Bite FAQ

Answers to common questions about dog bite incidents in Florence, CO.

Based on Dog Bite Lawyer Florence by McCormick and Murphy

Q: What should I do immediately after a dog bite?

A: Seek medical attention right away, even if the bite seems minor, due to the risk of infection. After treatment, report the bite to Fremont County Animal Control or local law enforcement to create an official record.

Q: Is it important to see a doctor for a dog bite?

A: Yes, it is crucial to get medical attention right away, even if the bite seems minor. Infections are a serious risk with any dog bite.

Q: Who should I report a dog bite to in Florence?

A: After seeking medical treatment, report the bite to Fremont County Animal Control or local law enforcement. This helps create an official record of the incident.

Q: What information should I try to get from the dog owner?

A: If possible, gather the dog owner's contact information and their insurance details. This information can be important for your claim.

Q: Should I take pictures after a dog bite?

A: Yes, take photos of your injuries and the location where the bite occurred. Visual documentation can be very helpful.

Q: What kind of documentation should I keep?

A: Keep all medical records, bills, and any other documentation related to your injury and treatment. This includes records from your doctor and hospital visits.

Q: When should I contact a lawyer?

A: Contact a personal injury lawyer before speaking with any insurance company. A lawyer can guide you through the process and protect your rights.

Q: Why shouldn't I talk to the insurance company right away?

A: It is advisable to speak with a personal injury lawyer before discussing the incident with any insurance company. They can help ensure your rights are protected.

Q: What are the main risks of a dog bite?

A: The primary risks include the potential for serious infections. Prompt medical attention is essential to mitigate these risks.

Q: How can I protect my legal rights after a dog bite?

A: By seeking medical attention, reporting the incident, gathering information, documenting injuries, and consulting with a personal injury lawyer, you can protect both your health and your legal rights.

Q: Does the severity of the bite matter for seeking medical help?

A: No, you should seek medical attention right away, even if the bite seems minor, because infections are a serious risk with any dog bite.
