

Thornton Dog Bite Lawyer FAQ

Your questions answered about dog bite incidents in Thornton.

Based on Thornton Dog Bite Lawyer by McCormick and Murphy

Q: What should I do immediately after a dog bite?

A: Seek medical care right away, even if the wound seems minor. Dog bites carry a high risk of infection and need professional cleaning and treatment. Report the bite to Thornton Animal Control to create an official record and ensure the dog is evaluated for rabies.

Q: Why is it important to seek medical attention for a dog bite?

A: Dog bites carry a high risk of infection. Professional cleaning and treatment are necessary to manage the wound and prevent complications.

Q: Should I report the dog bite to anyone?

A: Yes, report the bite to Thornton Animal Control. This creates an official record and ensures the dog is evaluated for rabies.

Q: What information should I try to gather after a dog bite?

A: Document the injury with photos. Gather the dog owner's contact and insurance information. Also, get the names of any witnesses.

Q: Is it important to photograph my dog bite injury?

A: Yes, documenting the injury with photos is a crucial step in gathering evidence for your case.

Q: What should I do if the dog owner's insurance company contacts me?

A: Avoid giving a recorded statement to the owner's insurance company before speaking with a lawyer. It's best to consult with legal counsel first.

Q: Do I need a lawyer if I'm bitten by a dog in Thornton?

A: Consulting with a lawyer is advisable, especially before speaking with the dog owner's insurance company. A lawyer can help protect your rights and ensure you receive fair compensation.

Q: What are the risks associated with dog bites?

A: Dog bites carry a high risk of infection. They also require professional cleaning and treatment to address the injury properly.

Q: How can Thornton Animal Control help after a dog bite?

A: Reporting the bite to Thornton Animal Control creates an official record of the incident and ensures the dog is evaluated for rabies.

Q: What if the dog bite seems minor?

A: Even if a dog bite wound seems minor, you should seek medical care right away due to the high risk of infection.
