

What to Do After a Westminster Auto Accident

A step-by-step guide to protecting your rights and health after a car crash.

Based on Auto Accident Lawyer Westminster by McCormick and Murphy

Step 1: Ensure Safety and Call 911

If anyone is injured, call 911 immediately. Move vehicles to safety if possible, but do not leave the accident scene.

Step 2: Exchange Information

Collect names, phone numbers, insurance details, and license plate numbers from the other driver(s).

Step 3: Document the Scene

Take photos of the vehicles, damage, intersection, traffic signs, and any visible injuries. Get witness contact information.

Step 4: Cooperate with Police

Provide a factual account of the accident to the police when they arrive. Avoid speculation or apologies.

Step 5: Seek Medical Attention

Get medical attention even if you feel unharmed. Some injuries may not be apparent immediately.

Step 6: Notify Your Insurance Company

Report the accident to your own insurance provider. Stick to the facts and avoid giving recorded statements to the other party's insurer.

Step 7: Consult an Attorney

Contact a lawyer before signing any documents or accepting a settlement offer.
