

Process and Safety Measures for Our Long-Term Care Residents:

- Visitors continue to be restricted in the building except at end-of-life care
- Window visits, Skype or FaceTime visits for health center residents are offered by appointment
- Group activities are restricted, including dining, which is limited to residences or areas that allow for appropriate social distances
- A health screening process is in place at our entrance for all personnel
- Personal Protection Equipment (PPE) is available for all staff while on campus
- Masks are provided to all residents to wear when out of their rooms or if engaged with their care team
- Regular audits are conducted by the CT Department of Public Health, National Guard and CDC to survey our infection control practices
- Medical appointments via telemedicine are encouraged whenever possible
- Residents and assigned staff remain on their neighborhoods, unless they are in the courtyard, where masks and social distancing are required
- A 14-day quarantine period is required for any resident that goes out to an appointment or to the hospital
- Any positive COVID-19 patients are cared for in a designated section of Evergreen Way (our post-acute neighborhood)
- Contractors are allowed inside the building for emergency work only. Outside work is slowly beginning as weather permits
- Our hair salon and barber shop remain closed
