

Process and Safety Measures for Your Outpatient Appointment

Scheduling, Arriving and Social Distancing:

- Our office is open Monday through Friday
- Appointments will be scheduled in 45-60-minute treatment slots to allow for thorough cleaning of equipment between appointments
- Please call the reception desk from your car to let us know you've arrived for your appointment
- If someone is driving you and you need their help getting in and out of our office, they should return to the car once you are safely inside

Your Appointment:

- You will be screened upon arrival by our staff which will consist of a temperature check and a short questionnaire
- All patients must wear masks for the duration of the appointment
- Our staff will wear masks
- Everyone must be spaced 6ft apart per social distancing guidelines
- Our staff will contact you after your appointment to schedule your next visit - you will not need to wait with others
- Co-payments may be made by credit card or checks only; no cash at this time
- Tele-Health will be available as an option for your follow-up visits

Cleaning and Sanitizing:

- All touch surfaces and equipment is sanitized before and after each patient
- Additional air purifying measures installed
