Senator McLean Legacy Society

Senator McLean cared deeply about the health and vitality of our community – for people and for the protection of wildlife.

His was a grand and encompassing vision that continues to thrive thanks to McLean's donor community.

There are so many ways to enhance life with a legacy gift to McLean. Tell us what really matters to you and we will work together to create your lasting legacy. Every gift is significant because even a modest bequest will grow substantially over time.

To begin a conversation today, call Deene Morris, CFRE

We gratefully acknowledge the generosity and compassionate foresight of our Legacy Members:

The McLean Game Refuge

Whether you walk in silence and enjoy quiet reflection, or with family, friends or your trusted four-legged companion, the McLean Game Refuge is a sanctuary for all seasons. It was Senator McLean's intention that you would share his experience of peace of mind and body as he understood that good health must involve the body, mind and spirit.
