

PRESENTING OUR NEWEST INNOVATION **FLATBED CART**

Versatile Flatbed Carts (FBC) improve material handling for large and heavy items in warehouses, stockrooms, and industrial facilities. A unique six-caster arrangement improves maneuverability and reduces turning radius. These carts are designed to withstand harsh environments and are ideal for manufacturing applications.

Effortless Transport

Ergonomic carts from BHS allow users to transport bulk quantities of furniture or other awkward materials quickly and safely, without the risk of musculoskeletal disorders associated with lifting heavy items.

Durable Construction

Heavy-duty steel construction with durable powder-coat finish

Ergonomic Handle

Push-bar simplifies positioning of FBC

Custom Branding

Further customize your BHS equipment by adding your company's branding. Custom lasered logo and your choice of powder-coat paint color are both optional.

FBC-3060

Customized Equipment

BHS can manufacture customized equipment for specialized tasks, such as the Flatbed Cart with a rotating platform above. To discuss your unique material handling challenges, call the BHS sales team at 1.800.BHS.9500.

Unmatched Maneuverability

Four 6" (152 mm) casters and two 8" (203 mm) center casters provide center-steer maneuverability

MODEL	LENGTH	WIDTH	DECK HEIGHT	RAIL HEIGHT AT FLOOR	CAPACITY	WEIGHT
FBC-2448	24" / 610 mm	48" / 1219 mm	10.94" / 278 mm	57" / 1448 mm	2,000 lb / 907 kg	275 lb / 125 kg
FBC-3060	30" / 762 mm	60" / 1524 mm	10.94" / 278 mm	57" / 1448 mm	2,000 lb / 907 kg	325 lb / 147 kg
FBC-3672	36" / 914 mm	72" / 1829 mm	10.94" / 278 mm	57" / 1448 mm	2,000 lb / 907 kg	375 lb / 170 kg
