

PRESENTING OUR NEWEST INNOVATION ***MOBILE GAYLORD DUMPER***

The Mobile Gaylord Dumper (GLD-M) provides material handling for Gaylord containers and other bulk bins. An adjustable restraint bar holds all types of pallet-sized containers in place for dumping contents ergonomically.

The Mobile Gaylord Dumper was specifically designed for Gaylord containers, with models rated for loads of 2,000 pounds or 4,000 pounds. The GLD-M features rugged steel construction and an impact- and chemical-resistant powder coating for optimal strength and durability.

Custom-designed Gaylord Dumpers are also available to meet unique specifications. Learn more about Gaylord Dumpers and other Tilt Tables from BHS by calling the sales team at 1.800.BHS.9500.

MOBILE GAYLORD DUMPER

DUMPERS & BINS

Over 90° Tilt

Tilts beyond 90° to ensure complete removal of materials

Powered Hydraulic Lift

480 Volt powered operation. Closed hydraulic circuit limits maintenance tasks. Braided wire hydraulic lines extend longevity with superior burst strength.

Custom Chute

Optional chute to enhance the flow of materials, ensuring a smoother and faster dumping process.

Versatile Dumper

Adjustable restraints hold all types of pallet-sized containers from 14"–50" (356mm–1270mm) in height (including D and E containers) in place for dumping contents, limiting interference with material being dumped. To dump containers under 32" (813 mm) in height, switch positions of rear restraints with the set pictured in front.

Compatibility

Compatible with forklifts, pallet trucks, and Gaylord containers loaded on dollies

Floor Brakes

Dual brakes hold the unit in place during use

Vector Floor Brakes

Stabilize the unit while loading

Mobility

Smooth-rolling, heavy-duty casters provide mobility

Optional Guarding

Guarding to protect operators during tilting cycle available (*custom model pictured*)

Ergonomic Handle

Convenient handle makes maneuvering the unit easy

Effortless Operation

Remote pendant allows operation from a safe distance. Simple, push-button operation positions load for dumping. Magnet-back allows pendant to store anywhere on the frame.

Ramp

Simplifies loading via pallet trucks

Durable Construction

Heavy-duty steel construction and durable powder coat finish resists rust and scratches

Model	Capacity	Compartment Width	Overall Width	Overall Depth	Overall Height	Overall Height when Dumping	Tip Height	Weight
GLD-2K-M	2,000 lb (907 kg)	43.5" (1105 mm)	56 13/16" (1443 mm)	66 1/16" (1678 mm)	56 13/16" (1443 mm)	129 3/16" (3281 mm)	54 5/8" (1387 mm)	990 lb (449 kg)
GLD-4K-M	4,000 lb (1814 kg)	43.5" (1105 mm)	56 13/16" (1443 mm)	66 1/16" (1678 mm)	56 13/16" (1443 mm)	129 3/16" (3281 mm)	54 5/8" (1387 mm)	1060 lb (481 kg)
Options								
GLD-GRD	Guarding option for left-hand or right-hand orientation to protect operator from contact with items being dumped**							

Compatible with gaylords 14"–50" (356 mm–1270 mm) in height and up to 52" (1321 mm) in depth. Gaylords must have rigid base.
