

ORDER PICKER FURNITURE PLATFORM

Bolt-on components and extended length make this platform a versatile addition to furniture order pickers and trucks with longer forks. The steel deck is built for high-capacity, high-throughput use with minimal added weight.

Modular Design for Task-Specific Material Handling

With a long list of features to choose from, Order Picker Furniture Platforms provide specialised solutions without longer lead times. Add or remove components with common tools to reconfigure platforms between uses.

Extended Length

Integrated steel fork pockets match longer forks, up to 96" depending on model.* Ideal for furniture stocking and picking applications.

Versatile Options

Anti-Skid Tape and Handrails safely extend platform workspace for operators. Adjustable Fork Pocket Guides ensure a perfect fit. Custom colors and laser-cut logos maintain brand identity.

Customized for Safety

Specify your truck's vertical offset between platform and fork. We will size the platform to sit flush with the operator deck, removing a common tripping hazard.

Custom Designs Available

Choose custom dimensions, capacities, colors, and more for a solution tailored to your specifications.

** If platform length exceeds fork length by 12" or more, platform tipping may occur.*

WORK PLATFORMS & LADDERS

ORDER PICKER FURNITURE PLATFORM

Improved Workflow

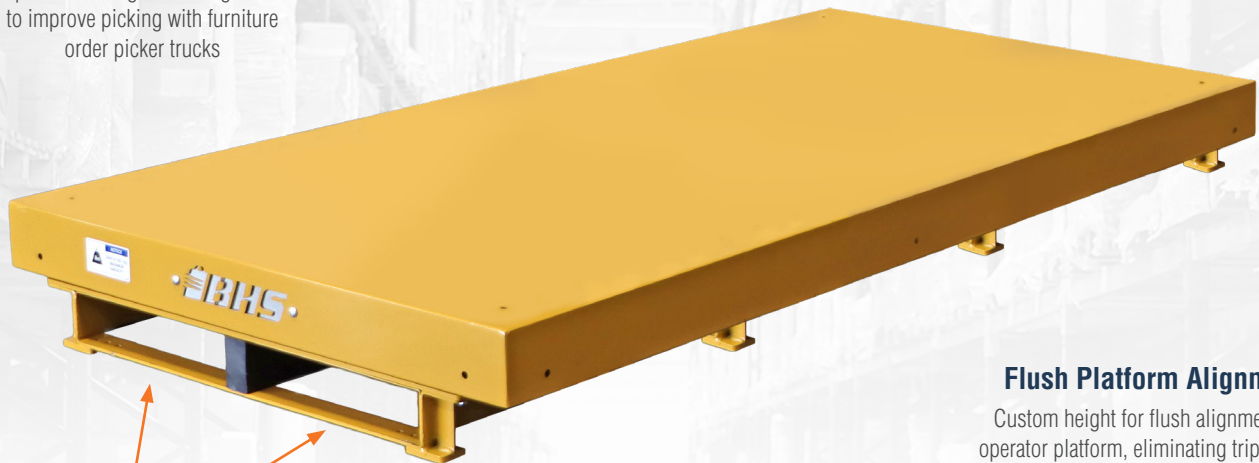

Expands working and storage areas to improve picking with furniture order picker trucks

Modular Design

Modular design with bolt-on components for flexible service. Reconfigure options as needs change using common tools.

Customizable

Tailor this platform to your specifications by choosing from a variety of options including Adjustable Fork Guides, Handrails, and more. Custom colors and designs are available on request.

OPPMF-4272 pictured with Fork Pockets

Platform Attachment

Open fork pockets are compatible with most types of order pickers. For a tighter fit, the Adjustable Fork Guides option is available.

Flush Platform Alignment

Custom height for flush alignment with operator platform, eliminating tripping risk

High Density Storage

Choose from various platform sizes to optimize material handling of large, bulky items like furniture

Heavy Duty Construction

Light-weight, high-strength steel construction optimizes capacity for furniture order picker trucks

Designed & Built in the USA

Proudly designed and manufactured in St. Louis, Missouri, providing superior quality that meets the demands of high-performance operations.

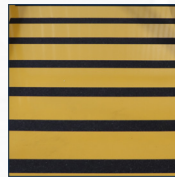

Modular Options

Bolt-on options provide the flexibility to add at the time of order, after, or reconfigure as needs change.

Fork Pockets (OPCMF-FP) *REQUIRED*

Open fork pockets enable proper attachment of the platform to the order picker truck. Maximum outside of fork width is 30". *Consult factory to ensure correct size is ordered.*

Anti-Skid Tape (SKIDTAPE)

Textured tape on the platform deck adds traction.

Adjustable Fork Guides (OPCMF-FP-GUIDE)

Bolt-in, galvanized panels reduce outside fork pocket dimension to 27", 25", or 23" depending on installation position, creating a tighter fit within fork pocket compartment for any lift truck.

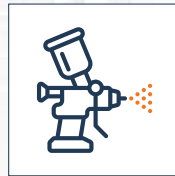

Custom Lasered Logo (OPCMF-LOGO)

Add a laser-cut logo plate to the rear of the platform to incorporate your company's branding.

Handrails (OPCMF-HR)

Bolt-on steel handrails run entire depth and along back of deck. Includes kick plate and six safety harness attachment points. Adds 47.7" height to platform.

Custom Color

BHS Yellow is the standard powder-coat paint color for visibility in warehouses, however customers may choose from other colors. For more details, visit <https://na.bhs1.com/custom-colors>

Model Specifications

MODEL	WIDTH	DEPTH	PLATFORM HEIGHT	CAPACITY	WEIGHT
OPPMF-4072	40" (1016 mm)	72" (1829 mm)	9.9" (252 mm)	2,000 lb (907 kg)	145 lb (66 kg)
OPPMF-4084		84" (2134 mm)			158 lb (72 kg)
OPPMF-4090		90" (2286 mm)			170 lb (77 kg)
OPPMF-4096		96" (2438 mm)			180 lb (82 kg)
OPPMF-4272	42" (1067 mm)	72" (1829 mm)			152 lb (69 kg)
OPPMF-4284		84" (2134 mm)			165 lb (75 kg)
OPPMF-4290		90" (2286 mm)			176 lb (80 kg)
OPPMF-4296		96" (2438 mm)			187 lb (85 kg)
OPPMF-4872	48" (1219 mm)	72" (1829 mm)			165 lb (75 kg)
OPPMF-4884		84" (2134 mm)			180 lb (82 kg)
OPPMF-4890		90" (2286 mm)			192 lb (87 kg)
OPPMF-4896		96" (2438 mm)			205 lb (93 kg)
OPPMF-6072	60" (1524 mm)	72" (1829 mm)			180 lb (82 kg)
OPPMF-6084		84" (2134 mm)			195 lb (89 kg)
OPPMF-6090		90" (2286 mm)			207 lb (94 kg)
OPPMF-6096		96" (2438 mm)			220 lb (100 kg)

- Notes:**
- When ordering, identify the vertical offset between operator platform and top of fork. This allows the factory to size the platform to sit flush with the operator's platform. See last page, diagram A.
 - Overall dimensions may vary depending upon modular options.
