

PLATFORM TRUCK

The BHS Platform Truck (PFT) provides versatile material handling for large, heavy, and awkward loads. These heavy-duty carts are perfect for efficiently transporting inventory in any workplace. Heavy duty Platform Trucks from BHS are constructed of steel and finished with a durable powder coat to provide a lifetime of service.

High Load Capacity

Transport bulky loads up to 2,000 pounds. Suitable for industrial or commercial settings.

Ergonomic Handle

Angled pushbar simplifies maneuvering.
Bolt-on handle is removable.

Effortless Transport

Ergonomic carts from BHS allow users to efficiently transport heavy, bulky, or awkward loads with ease, eliminating manual handling.

Mobility

6" phenolic casters – two swivel and two fixed for improved mobility

PFT-2448

Customized Equipment

Custom dimensions, capacities, and attachments are available on request. Call the BHS sales team at 1.800.BHS.9500 to discuss your unique requirements.

Custom Branding

Further customize your BHS equipment by adding your company's branding. Custom lasered logo and your choice of powder-coat paint color are both optional.
