Campers will be assigned a week according to age and riding ability. You will be contacted by email once we receive your application as to which week will most suit your child. We will do our very best to give you your first choice, but because of grouping like ages together, we may have to go to your second choice.

This will be our first year in our new arena! We are very excited about camp this year! Miss Karoline Beeson will be our new barn manager with lots of new ideas and fun activities! Going to be a great summer!!

Parents are always welcome to stay, but we will ask you to not congregate in the barn or arena area or let siblings around horses while the camper is learning.

All the best,

Jamie Moore
