Please attach a copy of your metal license.

Once your application has been processed and approved, platinum will be provided in Pt/Cu alloyed bars.

**Please note:**

Loaned metal may only be used for the manufacturing of PlatAfrica pieces.

All loaned platinum remains the property of the Rustenburg Platinum Mines Limited.

Once you have received your Platinum, responsibility for the safe keeping of the metal will become your responsibility until your entry/entries and scrap/filings have been returned to MetCon.

No more than a 5% metal loss will be accepted in the manufacturing process.

You will be liable for any platinum loss greater than this.
