

Kennedys

Joe McManus
Partner

Joe is a partner at Kennedys and has been with the business since 2010.

Joe and his team provide advice and support to insurers including MGAs and businesses facing high value injury claims across a range of industries particularly the construction sector.

Joe co-wrote the chapter in Environmental claims in Kennedys claims handling book.

He has also written for the Post Magazine on a number of subjects including the role of technology in claims.

Joe is a member of the Forum of Insurance Lawyers (FOIL) and sits on their catastrophic injury group.
