WHY CLAIM? REASONS THE CLAIM? FAQ

BA DATA BREACH COMPENSATION

SEE IF YOU CAN CLAIM

WHY YOU SHOULD CLAIM COMPENSATION

YOU COULD BE ELIGIBLE FOR UP TO £2,000 OR MORE.

announced on the 7th September, 2018 that there had been a breach of its security systems leading to more than 100,000 users like you having their personal data leaked. The Guardian reports that BA is now facing a £183m fine for their "poor security arrangements".

sensitive personal data included full names, debit/credit card numbers (including expiry dates and CVV's), addresses and addresses. The breach has led to all customers being required to monitor financial transactions on their debit/credit cards and potentially cancel/request reissuance of their payment cards.

Do you think you were a victim of the BA L

Step-by-step guide to making a claim for data breach protection

In today's digital world, your personal data is a valuable commodity. However, all too often negligent business processes, human error and cybercrime mean this sensitive data isn't as protected as it should be. But what can you do if you have suffered a breach of data protection?
