

# MGAA

## Next Gen Working Group

### Terms of Reference

#### **Preamble:**

The Board of Directors of the MGAA may establish, repeal or amend the Terms of Reference of any standing committee of the Association at their discretion. The Next Gen Working Group is a sub group of the Membership & Benefits Committee [MBC] which in turn is a standing committee of the MGAA.

#### **The Next Gen Working Group:**

The Next Gen Working Group[NGWG] has been brought together by the chair of the MBC.

The NGWG would be managed and run by a committee consisting of at least 8 members who, ideally, should represent a cross-section of those with a professional interest in the MGA sector.

The membership of the MGAA NGWG would be open to all young professionals engaged in or associated with the MGA sector.

#### **Meetings:**

In the first instance, the working group would be selected jointly by the MGAA and NG Chair through a process of informal discussions and brief presentation covering why they want to join, what they will bring to the group and what they see as the Group objectives. Thereafter, members would be selected by existing working group members.

The NGWG will meet every other month or as often as deemed appropriate for specific projects/ activities in order to discuss and arrange lectures, educational and social events for its members.

There will be no limit to the numbers of attendees to formulate a quorum.

#### **The objectives of the NGWG would be to:**

- represent young professionals within the MGA sector;
- promote training and education opportunities to members and to provide a forum for topical comment;
- provide networking opportunities for members through the organisation of educational and social events;
- contribute to MGAA initiatives and market projects, to make a difference to the insurance market.

#### **Reporting:**

At each meeting of MBC a report on progress of the NGWG will be given.

Such a report will then be included within the MBC Report to the MGAA board.
