2 of 3 people found the following review helpful. Enticing PlantersBy A CustomerAn interesting mix of ideas to create creative containers. Some wood projects and many paint decorated themes are presented. A nice way to present one of your homegrown plants to a fellow gardener. -Linda Fry Kenzle, author of Gathering

Create country beauty indoors and out with wonderful garden containers rugged and wooden, decorated in folkloric patterns, or even woven like a basket. Varied styles -- all fully rooted in rural traditions from around the world -- come complete with projects, plant profiles, and background on motifs and materials.
