I think that **The Book of Highland Minstrelsy** are great because they are so attention holding, I mean you know how people describe The Book of Highland Minstrelsy From Wentworth Press good books by saying they cant stop reading them, well, I really could not stop reading. It is yet again another different look at an authors view.

The many reviews about The Book of Highland Minstrelsy before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Highland Minstrelsy:

It is hoped that the brief introductions severally prefixed to the following poems will be found more convenient to the reader than the scattered footnotes which would otherwise have been necessary They have no pretension to erudition and luiless where tley are the result of personal observation have been drawn from such authorities as are most readily accessible and as bear most directly upon the traditions the sentiments and the customs of a romantic people Th
