#PROTECTTHEWEC

- The 3,500-seat arena exemplifies the creation of transformable venues to meet the varied programmatic needs of each event. With all of the lower bowl seats in place, it is a dynamic Division I basketball and volleyball venue. Retracting half of those seats and adding a portable stage converts it to a convocation hall. With all of the seats retracted, the large, open floor can be used for recreation/ intramural sports, large student gatherings, job fairs, alumni functions and trade shows. The main concourse also functions as a practice running track.
- There are two full-length practice courts on the second floor. These two rooms also have a central dividing curtain that, when open, creates another floor space that can be utilized for science fairs or other student functions. Adjacent to the main concourse is a team store that can be open to sell Highlanders gear throughout the school year. The other major space on the second level is the recreation center, featuring cardio fitness equipment, weight stations and an incredible view across campus.

Scouting Miami Hurricanes

Miami comes into Sunday's contest with a perfect 6-0 record, most recently knocking off No. 21 Mississippi State 74-68 on November 29. The victory for the Canes was their first road non-conference ranked win during the regular season since 2016, as well as their first-ever ranked SEC-road win.

This is the first 6-0 start for Miami under head coach Katie Meier.

Jasmyne Roberts and Sheyeann Day-Wilson lead Miami averaging 11.5ppg and 10.5ppg respectively. Lazaria Spearman tops the team with 8.2rpg.

Jasmyne Roberts, the Jacksonville native, who averaged 19.0 points and 7.3 rebounds in Miami's wins in the tournament and earned a spot on the Greenville-2 All-Region Team, is one of three juniors, along with Ja'Leah Williams and Lashae Dwyer back for the Hurricanes this season.

Williams, who like Roberts started last season, averaged 6.6 points and 3.1 rebounds, while Dwyer averaged 5.9 points and 2.3 rebounds.

Several newcomers are expected to step up and make a difference, too, including transfers Shayeann Day-Wilson, Lemyah Hylton, Jaida Patrick and Ally Stedman.

Day-Wilson and Patrick bring with them ACC experience, after both spent two seasons at Duke. Patrick, who played at Columbia last season, averaged 12.5 points and 4.8 rebounds to earn All-Ivy Second-Team honors, while Day-Wilson was the ACC Freshman of the Year in 2021-22 and averaged 10.2 points and 3.1 assists per game during her time at Duke.

Stedman spent two seasons at Pepperdine, where she earned a spot on the West Coast Conference All-Freshman Team in 2022 and was an All-WCC Honorable Mention honoree last season after averaging 15.6 points, 3.3 rebounds and 2.1 assists last season. And Hylton is a former four-star prospect who spent a season at Arizona before joining Miami.

The America East Conference and New Jersey Institute of Technology announced that the Highlanders will become the 10th full member institution of the America East, effective for the 2020-21 academic year.

NJIT officially joined the league on July 1, 2020.

The Highlanders were the first addition to the America East Conference since UMass Lowell joined in 2013.

NJIT joined two America East Conference Institutions in the top U.S. News & World Report Top 100 Universities and four Carnegie R1 Research Universities.

NJIT departed the ASUN Conference after five seasons as a member (first season 2015-16), which marked the first time that the Highlanders had been a full member of an automatic qualifying NCAA Division I multisport conference.

"We are very excited to begin this next chapter of NJIT athletics as a member of the America East Conference," said Associate Vice President/Director of Athletics Lenny Kaplan.

"Since the beginning of our Division I journey 15 years ago, the goal has always been to be in a regional conference and aligned with like-minded institutions. The America East provides us with an exceptional opportunity and we are happy to call the America East our new athletics home."

2023-24 WOMEN'S BASKETBALL SCHEDULE UNVEILED

NJIT women's basketball head coach Mike Lane announced the non-conference schedule for the upcoming 2023-24 season, which includes four teams that reached postseason in 2023 and is highlighted by a visit from Atlantic Coast Conference (ACC) opponent Notre Dame and a trip south to Miami (FL).

"I'm excited to announce our 2023-24 non-conference schedule, especially since the Highlanders will be hosting perennial power, and my alma mater, the University of Notre Dame on Sunday November 12th," explained sixth-year head coach Mike Lane. "It is a thrill to have one of our sport's top programs come into Newark and play at The WEC. Notre Dame means a lot to me and my family, so to face off against the Irish will clearly be a huge challenge for our program, but a game that I, along with our squad, will remember for a long, long time. We travel to another ACC power when we take on the Miami Hurricanes on December 3. Miami is coming off an Elite Eight appearance in last year's tournament. It is an incredible opportunity to face this top-flight competition."

For the first time in program history, NJIT will host Notre Dame on Sunday, November 12 inside NJIT's Wellness and Events Center. The Irish, who reached the 2023 NCAA Sweet Sixteen, finished with a 27-6 overall record. NJIT's Lane is a 1993 graduate of Notre Dame, where he earned his bachelor's degree in business administration with a concentration in marketing.

Miami, who the Highlanders will visit for the first time on December 3, reached the 2023 NCAA Elite Eight, finishing with a 22-13 overall record.

The Highlanders will make a short trip to Northeast Conference regular season champion Fairleigh Dickinson (24-8 overall, 14-2 NEC) on November 29. FDU earned an automatic qualifier bid to the 2023 WNIT due to the Knights winning the NEC regular season title.

Lane added, "We face five opponents that have not been on our schedule recently. We travel to Army West Point, Sacred Heart and Hofstra; and host Merrimack and Saint Francis U."

NJIT will travel to 2023 Northeast Conference Champion Sacred Heart (19-14 overall, 12-4 NEC) on December 6. The Pioneers registered the first NCAA Tournament win in program history and the first win for a Northeast Conference women's team.

NJIT will play 13 games outside the America East, seven home and six on the road.

The Highlanders will tip off the 2023-24 campaign on the road on November 6 at Army before returning to Newark for four straight inside NJIT's Wellness and Events Center.

"The schedule rounds out with six regional rivalries against FDU, Rider, Saint Peter's, Wagner, LIU and Lafayette," said Lane.

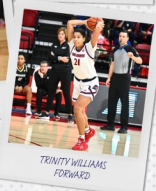

The four-game homestand will begin with welcoming first-time opponents Merrimack on November 10 and ACC opponent Notre Dame on Sunday, November 12 followed by Rider on November 15 and Wagner on November 18.

NJIT will start a five-game road trip on November 21 at Lafayette, make a trip out to Long Island and visit Hofstra on November 25, a short trip to Fairleigh Dickinson on November 29 and begin the December slate in Florida, visiting Miami (FL) on December 3 and wrap up its five-game road stretch on December 6 at Sacred Heart.

The remainder of December will be spent in Newark, welcoming Saint Peter's on December 12, Saint Francis U on December 15 and closing out 2023 against LIU on December 31.

Lane concluded, "The aim in scheduling is to challenge your team, prepare them for conference play, and have some fun along the way. I am confident this schedule does just that."

HEAD COACH MIKE LANE | NORTE DAME '96

6th season at NJIT | 11th overall

NJIT Assistant Vice President/Director of Athletics Lenny Kaplan announced Monday, May 21 the hiring of Mike Lane as the 12th head women's basketball coach in program history.

"I am very excited to announce Mike Lane as our new women's basketball coach," Kaplan added. "Mike was a person of interest to us from the very beginning. His coaching background at academically strong universities, with winning women's basketball programs, immediately put him on our short list. I am looking forward to working with Mike and his staff on getting our women's basketball program turned around, and making a run at an ASUN Conference title."

Lane comes to NJIT after spending six seasons at Bucknell University as the top assistant coach, where he helped guide the Bison to a program-best 27-6 mark, Patriot League title and conference championship while earning a berth to the NCAA Tournament in 2017.

In 2023-24, the Highlanders combined for 13 wins and went 8-8 in the America East, placing fifth out of 10 teams. Freshman Alejandra Zuniga was selected America East Conference Rookie of the Year, becoming the first NJIT women's basketball player to earn Rookie of the Year accolades.

In his fourth season at the helm, Lane guided the Highlanders to one of the most successful season in the NJIT Division I era, concluding the 2022 season with a 15-15 overall mark. The 15 wins are the second-highest win total since moving to Division I (2006-07 season). The eight road wins is also a new program-best for the Highlanders.

The Highlanders, competing in its second season in the America East, were selected eighth in the 2022 Preseason Coaches Poll and recorded a program-best nine wins to earn the No. 4 seed in the 2022 America East Conference Playoffs. NJIT hosted the first-ever America East Conference quarterfinal game on March 5, 2022 registering the program's first America East victory and postseason win (NJIT 47, UMass Lowell 33) in over 10 seasons.

Lane, who arrived at Bucknell in 2012, was instrumental in the Bison's three consecutive seasons of 20+ wins, a 48-6 mark in the Patriot League play in the last three seasons, share of the regular season Patriot League title and earning a Women's National Invitation Tournament (WNIT) bid twice (2015; 2018). In 2015, Bucknell won the first-ever postseason game in program history.

"I would also like to thank my Bucknell family for six incredible years," Lane added. "I would not be in this position without them and will forever be grateful for their efforts on my behalf."

Prior to Bucknell, Lane served as head coach of Division III Dominican University, leading the Stars to a 69-61 overall record in five seasons.

In 2011, Lane earned Northern Athletics Conference Coach of the Year, led Dominican to a school-record 20-win season, captured the first-ever NAC South Division title and ranked 17th in the nation in points per game (74.1).

The following season, Dominican (19-9) won its second straight NAC South Division title, reached the NAC Tournament Championship game for the first time in school history and set the program-record for three-point field goals (218), which ranked seventh in NCAA Division III.

Lane started his collegiate coaching career at Division III University of Chicago as an assistant coach in 2005.

At Chicago, he helped the team to a 35-15 overall record, including an undefeated non-conference record (22-0). Lane assisted in Chicago earning the programs first-ever No. 1 ranking in the *USAToday/ESPN* national poll during the 2006-07 season while establishing the best start to a season with a school-record 16-game win streak.

The 2006-07 team set school-records in rebounds in a season, finished fourth nationally in rebounding margin (+10.8) and 24th in field goal percentage defense (33.9 percent).

His first coaching experience came at the high school level, as he served as the boys' varsity assistant coach at Francis W. Parker School in Chicago, IL from 2003-05.

A 1993 graduate of Notre Dame, Lane earned his bachelor's degree in business administration with a concentration in marketing.
