THE MATCHUP

- No. 5/5 Miami (2-0) continues its 2026 campaign on the road with an ACC matchup against Wake Forest at Al-legacy Federal Credit Union Stadium in Winston-Salem, N.C., on Sept. 18. Kickoff is set for 7:30 p.m. on ESPN.
- Miami carries a 9-3 all-time series lead against the Demon Deacons, including a perfect 3-0 mark in games played in Winston-Salem. Miami has not traveled to play Wake Forest on the road since 2009, when they topped the host Demon Deacons, 28-27.
- In the most recent matchup between the two programs, Miami topped Wake Forest, 42-14, in 2024. The Hurricanes have won eight straight against Wake Forest, including every matchup as conference foes (6-0).

HURRICANES SET OFFENSIVE RECORDS VS. FAMU

- Miami dominated its home opener against Florida A&M last time out on Sept. 10, toppling the visiting Rattlers, 77-7, in record-breaking fashion at Hard Rock Stadium. With the victory, Miami improved to 2-0 on the season.
- QB **Darian Mensah** enjoyed another strong performance in his first home start as a Hurricane. Mensah finished with 252 yards on 14-of-15 passing, totaling three touchdowns and no interceptions in the victory.
- Miami tied a program record with 77 points (done twice before) and set a program record with 856 yards of total offense. Miami's 42 first downs were the most by a team in the history of the ACC, while its points and yardage total were second-most in conference history.
- WR **Malachi Toney** had 96 yards on four receptions with one touchdown, while RB **Javian Mallory** added 142 rushing yards and two touchdowns on just 10 carries, with a long run of 52 yards.
- Seeing the first major action of his career, QB **Luke Nickel** finished 8-for-8 for 144 passing yards and three touchdowns. Miami's quarterback trio - Mensah, Nickel and **Dereon Coleman** - finished with six touchdown passes and just two incompletions in the win over Florida A&M.

MENSAH SHINES IN FIRST TWO STARTS AT MIAMI

- For the third straight year, the Hurricanes opened the season with a different signal caller under center, as QB **Darian Mensah** joined the program in January. Mensah is widely considered among the nation's top quarterbacks.
- He wasted little time in making his impact felt, throwing for 401 yards on 27-for-30 passing and five TDs vs. Stanford in his first start as a Hurricane on Sept. 4. It was the first game of 400-plus yards and at least 90 percent completion percentage by an ACC quarterback since at least 1995.
- Mensah threw for 252 yards and three touchdowns in Miami's 77-7 win over Florida A&M on Sept. 10. He threw for at least one touchdown in his 20th straight game, extending the longest active streak in FBS. Mensah's performance against Florida A&M also marked his FBS-leading 22nd multi-touchdown game since 2024.
- Mensah looks to continue momentum at the position after Cam Ward's dazzling 2024 season and a dominant 2025 from Carson Beck. Ward went No. 1 overall in the 2025 NFL Draft, while Beck was a third-round selection in 2026. Mensah is a third-year starter, having spent 2024 at Tulane and 2025 at Duke. He redshirted 2023 at Tulane.
- The San Luis Obispo, Calif., native arrived at Miami after a standout 2025 season. He started 14 games for the Blue Devils and completed 334-of-500 passes for 3,973 yards and 34 touchdowns against six interceptions.
- Mensah guided Duke to the ACC title and earned Most Valuable Player honors in the conference championship game. He was also named MVP of the Tony the Tiger Sun Bowl, earned All-ACC Second Team recognition and finished as a semifinalist for the Davey O'Brien Award honoring the nation's top quarterback. He was named to the watch list for nearly every significant offensive and college football award ahead of the 2026 season.
- In his lone season as Tulane starting signal-caller in 2024, he compiled 2,855 yards of total offense (2,723 passing yards) with 22 touchdowns and six interceptions. For his college career, Mensah has totaled 6,696 passing yards, 56 touchdowns and just 12 interceptions.

"BABY JESUS" WAS WALTER CAMP POW IN WEEK 1

• WR **Malachi Toney** picked up right where he left off in UM's season opener at Stanford; the 18-year-old set a new program record with 234 receiving yards in the win, breaking Eddie Brown's mark (220) that had stood since 1984 when he did so against Boston College. He also tied Miami's single-game mark for touchdown catches (3).

• Miami advanced to the College Football Playoff National Championship Game in 2025, and one of the biggest reasons for their team success was the play of Toney. He was recognized as ACC Receiver of the Week for his performance against the Cardinal, as well as Walter Camp National Offensive Player of the Week.

• Against Stanford, Toney posted the only the fifth first half since 2015 featuring 10+ catches, 180+ yards and 2+ touchdowns (10/182/2) when he did so against the Cardinal, joining Malik Nabers (2023 vs. Mississippi State), DeVonta Smith (2021 vs. Ohio State), Elijah Moore (2020 vs. Vanderbilt) and Josh Doctson (2015 vs. Texas Tech)

• Toney, the ACC Rookie of the Year and Football Writers Association of America Offensive Freshman of the Year, led the nation and set Miami's single-season record with 109 catches. He also set a new Miami record, ranked fifth in the country and led the ACC with 1,211 receiving yards. He was also named ACC Offensive Rookie of the Year.

• The Liberty City, Fla., native finished with a team-high 10 receiving TDs, one of only 16 FBS players to finish the year with double-digit scores. He was an All-ACC first-team selection at wide receiver, an All-ACC second-team pick as an all-purpose player, and was selected to the NCAA All-America Second Team by the Associated Press

• Toney was selected as one of three cover athletes for EA Sports College Football 2027. He was named to the Preseason All-ACC team at wide receiver, all-purpose and specialist, was named to the preseason watch lists for the Maxwell Award, the Paul Hornung Award, the Walter Camp Award and the Biletnikoff Award, among others.

• Toney, a South Florida sports superstar, hosted a youth football camp this offseason in Hollywood, Fla., that featured more than 300 sign-ups from local kids excited for a chance to learn under one of the premier talents in the sport. Toney has poured himself into the community, and through his Toney Foundation, has hosted a turkey drive on Thanksgiving, a "Gaming with Mali" event to celebrate the release of EA Sports' game with local youth & more.

• With five catches against Texas A&M in a CFP First Round game in College Station last year, Toney moved into first place in single-season catches at Miami, moving past Xavier Restrepo's previous record of 85 set in 2023.

• Toney had his 14th game of the season with at least five catches in the CFP National Championship, tying for the in a single season by an ACC player (Jordan Addison of Pitt, 14 in 2021). Toney matched the FBS record for single-season games of at least five catches (14), last done by Rome Odunze of Washington in 2023. He was only the eighth ACC player in conference history to record 100 catches in a season.

• Toney broke UM's previous freshman record for catches (49) and yards (934) - both by Ahmmon Richards in 2016. Against Ohio State in the CFP, he posted the eighth 1,000-yard season in UM history and first by a freshman. It also marked the third straight year Miami had a 1,000-yard receiver - joining only Ohio State to achieve the feat. The aforementioned Restrepo posted back-to-back 1,000-yard seasons in 2023 and 2024.

• Toney's 109 catches in 2025 more than doubled the next highest true freshman (Andrew Marsh, Michigan, 45) - and was also 500-plus yards ahead of Brown (1,211 to 651) for the most receiving yards of any true freshman in FBS. He was responsible for 30.07 of UM's total receptions - the highest percentage by a Miami player since 1996.

• Nicknamed "Baby Jesus", he was one of three freshmen to lead their team in receptions and yards (Marsh and Vernell Brown III of Florida) in 2025.

• This past offseason, Toney switched from jersey #10 to jersey #1. In an ACC Network interview with analyst Ed-die Royal this past offseason, Toney said, "I'm the one, so why not change to [number] one?"

• In addition to changing jersey numbers, there are now two Toneys on the roster in 2026; Malachi's brother, Monroe, joined the program this past offseason. Monroe made stops at Concord University and Limestone before teaming up with his brother in Coral Gables.

IMPRESSIVE MIAMI STREAKS LEAD NATION, ACC

• UM's .806 winning percentage since the start of 2024 is the best in the ACC, ahead of second-place SMU (.759). UM is 25-6 since the start of the 2024 season, with no losses over that stretch coming by more than six points.

• Dating back to Week 11 of the 2023 season, the Hurricanes have not lost a game by more than seven points (35 straight games) - now the longest active such streak in FBS.

• Miami has scored at least 20 points in each of their last 20 games against conference opponents, now the second-longest streak in the country behind only Old Dominion (21). Clemson (19) and Texas Tech (19) are third.

A LOOK BACK: MIAMI THROTTLES STANFORD, 45-6

- Miami opened its season in resounding fashion on Friday, Sept. 4., toppling host Stanford, 45-6, at Stanford Stadium in Palo Alto, Calif. UM needed just four plays on its opening possession to score its first touchdown.
- WR **Malachi Toney** set a new program record with 234 receiving yards in the win, recording 12 catches - tied for the second-most in a game in Miami program history - and a career-high three touchdowns in the rout.
- QB **Darian Mensah** had a banner day in his first start as a Hurricane, throwing for five touchdowns and a career-high 401 yards on 27-for-30 passing. Mensah became the only ACC player with 400-plus passing yards and at least 90% completion percentage in a single game since at least 1995 when he did so against the Cardinal.
- Miami's 45 points were tied for the second-most in a road ACC game under Mario Cristobal (45 at Boston College in 2023, 52 at Louisville in 2024). Its six points allowed were the fewest in a ACC game under Cristobal's direction (home or away). Its previous low for points allowed in an ACC game was seven - done three times in 2025.
- The Hurricanes, who outgained Stanford 549-299 and removed most of its starting lineup with just under six minutes remaining in the third quarter of the game, improved to 5-0 in season openers under Cristobal.
- 14 true freshmen from Miami's vaunted 2026 high school recruiting class made their debuts in the victory.

MARTY SCORES 10TH TD, KEEPS STREAK ALIVE

- RB **CharMar "Marty" Brown** scored the 10th touchdown of his Hurricanes career in Miami's win over Stanford on Sept. 4. Brown rushed for 37 yards on eight carries, scoring on a 5-yard dash to the end zone.
- Miami improved to 9-0 all-time when Brown - whose first name is pronounced "Shemar" - scores a touchdown.
- Brown served as one of team's key offensive playmakers in first season with Hurricanes in 2025, ranking second on the team with 474 rushing yards and totaling nine touchdowns in total (seven rushing, two receiving).
- Despite having multiple running backs expected to play huge roles in Miami's offense in 2025, **Mario Cristobal** went out and added one of the best players at the FCS level to the roster last offseason in Brown.
- Brown was one of 30 DI (FBS/FCS) players in 2024 to record at least 1,100 rushing yards and 15 rushing touchdowns, and was the only active underclassman among that group. He is in his fourth year of college ball.
- Brown, the Jerry Rice Award winner as the top freshman player in Football Championship Division in his final year at North Dakota State, was a member of the Stats Perform, FCS Football Central and Phil Steele FCS Freshman All-America teams. Brown won Missouri Valley Football Conference Newcomer of the Year and Freshman of the Year honors, becoming just the third Bison player and sixth in league history to sweep both awards.
- The Omaha, Neb., native led all FCS freshmen in rushing attempts (244), yards (1,181) and touchdowns (15). He said that fellow running backs **Mark Fletcher, Jr.** and **Jordan Lyle** were among those who reached out to recruit him to Miami, which helped convince him to join a talent-laden but teammate-driven backfield.

CANES LOG 10th WIN BY 30 OR MORE SINCE 2024

- The Miami Hurricanes beat Florida A&M, 77-7, in Week 2 after topping Stanford, 45-6, in their season opener on Sept. 4 - marking their ninth and 10th wins, respectively, by 30-or-more points since the start of the 2024 season.
- The Hurricanes' 10 games over that stretch ranks fourth over that same time frame, trailing only Indiana (14), Ohio State (11) and Ole Miss (10).

UM CONTINUED RUN OF FCS DOMINANCE VS. FAMU

MIAMI LEADS FBS IN RUSH DEF AT HOME SINCE '23

- Entering the 2026 season, Miami had held opponents to 87.9 rushing yards per game at home since the start of the 2023 season, which was the best average among schools to play all those seasons in the FBS.
- UM enjoyed a particularly dominant rush defense in **Corey Hetherman's** first season in charge of in 2025. Under Hetherman's direction, the Hurricanes ranked among the conference and national leaders in nearly every metric.

FLETCHER MOVES UP IN MIAMI RECORD BOOKS

- After setting the College Football Playoff record for rushing yards in a single postseason, RB **Mark Fletcher Jr.**, elected to return to Miami for his senior season rather than pursue professional prospects in 2026.
- Entering 2026, Fletcher was the only ACC player to have combined for at least 20 rushing scores, 1,700 rushing yards and 5.0 yards-per-rush average over the last two years. He had 105 yards last time out vs. Florida A&M.
- Against Florida A&M, Fletcher (2,458 career yards) moved past Graig Cooper to move into No. 6 all-time in Miami rushing history. He needs 66 yards to pass Clinton Portis (2,523) to move into the top-five in UM history.
- Considered the heartbeat of the program by teammates and coaches alike, Fletcher was named to the 2026 watch list for nearly every major offensive award after a dominant 2025 season. The Fort Lauderdale native set the CFP standard with 517 rushing yards last year, posting 1,192 yards on the year to go along with 12 touchdowns.
- Fletcher, who was selected to the Academic All-America Second Team by CSC, made 12 starts last year and moved into seventh place in career rushing yards (2,313) in Miami history after a prolific junior year.
- A mainstay in the south Florida community, Fletcher credits his mother, Linda, and his father, 'Big Mark' - who passed away during his sophomore season - as the reason behind his affable and appreciative demeanor. Linda drives to every single game from her home in Fort Lauderdale. Fletcher often wears "LLBM" ('Long Live Big Mark') on his eyeblack and pays tribute to his father with a t-shirt that hangs in his locker at every practice and game.
- *"You don't find better people than him. You don't find tougher people than him."* -Mario Cristobal
- *Elite players are the same person every day. They don't have a dip. Some guys are very talented, but you don't know who is going to show up from day to day. Mark is always up, and he has no issue with holding his teammates accountable.* - Shannon Dawson

HURRICANES DELIVERED HISTORIC 2025 SEASON

- The Hurricanes made history by qualifying for their first-ever berth in the College Football Playoff in 2025, earning the No. 10 seed in the 12-team postseason field. - Exactly four years to the date of **Mario Cristobal's** introductory press conference as head football coach at the University of Miami (Dec. 7, 2021), the Hurricanes were slotted in the field (Dec. 7, 2025) for the first time.
- Miami set a program and ACC record with seven wins against teams in the Associated Press top 25 in 2025. The Hurricanes' previous best was six wins against AP top 25 teams, which happened in 1987.
- UM set a school record for single-season wins, finishing with a 13-3 record and the No. 10 seed for its first CFP.
- The Hurricanes posted back-to-back 10-win seasons for the first time since 2002-2003, had a school-record 19 players earn all-conference honors, and saw three players capture major conference awards: DE **Rueben Bain, Jr.** (ACC Defensive Player of the Year), WR **Malachi Toney** (ACC Rookie of the Year) and OT **Francis Mauigoa** (Jacobs Blocking Trophy). In addition, Bain won the Ted Hendricks Award as the nation's top defensive end.
- By season's end, the Hurricanes were one of just four programs nationwide to have upped their win total in three consecutive seasons and earned their highest end-of-year ranking (No. 2) since 2002. Following the season, three Hurricanes were selected in the first round of the NFL Draft for the first time since 2007, and Miami's nine overall draft picks were the most produced by the program since 2017.

HETHERMAN'S "E.S.V." DEFENSE WROUGHT HAVOC

• **Corey Hetherman**, who arrived to Miami in January 2025 after spending the 2024 season as defensive coordinator at Minnesota, was a finalist for the Broyles Award, honoring the nation's top assistant coach, in his first year in Coral Gables. Hetherman sparked a dazzling defensive turnaround in his first year leading the Hurricanes unit.

• Miami was one of only 11 teams in all of FBS and four in Power-4 to improve its year-over-year scoring defense by double digits from 2024 to 2025 (25.3 to 14.8). Under Hetherman's direction, the Hurricanes ranked among the conference and national leaders in nearly every defensive category, including total defense (No. 12 nationally, No. 1 ACC), scoring defense (No. 5 nationally, No. 1 ACC) and rushing defense (No. 6 nationally, No. 1 ACC).

• Hetherman's signature acronym, "E.S.V." - was on display all year. The acronym stands for **Excitement, Swarm, Violence**. Miami was No. 4 nationally in team sacks (3.13), No. 25 nationally in team tackles for loss (6.4) and No. 9 nationally in turnovers gained (25). UM also had three defensive touchdowns - which ranked No. 10 in FBS.

• Miami allowed just 97 "big plays" in 2025 (37 runs of 12-or-more yards, 60 passes of 15-or-more), good for the 15th-best "big play" defensive percentage in all of FBS (9.65%). Miami's "big play" pass percentage of 11.52% was seventh-best in FBS.

• In a measurement of "defensive mayhem" - charting the percentage of plays where a defense forces the opposition into either a sack, tackle for loss, interception or a fumble that is recovered by the defense - the Hurricanes ranked No. 12 in FBS with a percentage of 12.64%. UM's 1.18 points-per-possession average was No. 7 in FBS.

MIAMI HAS UPPED WIN TOTAL OVER LAST 4 YEARS

• Miami's meteoric rise under head coach **Mario Cristobal** is well-documented; the Hurricanes are one of just four programs who have upped their win total over that stretch, joining only Texas A&M, Navy & New Mexico.

• Spanning Cristobal's tenure at Miami, the Hurricanes went from 5 wins in 2022 (5-7) to 7 wins in 2023 (7-6) to 10 wins in 2024 (10-3) and 13 wins in 2025 (13-3). Miami is the only team of the four to have upped its win total by multiple games each season over that stretch.

DEFENSIVE LINE RELOADS AFTER DOMINANT 2025

• Miami's 2025 defensive line - including lethal edge pairing Akheem Mesidor and Rueben Bain Jr., who were both selected in the first round of the 2026 NFL Draft - helped propel Miami through the College Football Playoff.

• But Miami returns both of its interior starters from the national championship game - DL **Ahmad Moten Sr.** and DL **Justin Scott** - as well as a number of key contributors on the edge in **Marquise Lightfoot**, **Armondo Blount** and **Herbert "Third" Scroggins III**. Both Moten and Scott have projections as first-round NFL Draft picks in 2027.

• Moten was a second-team All-ACC selection after a breakout year, while Scott's insertion into the starting lineup during the second half of the season helped Miami's defense surge. Among the nation's most athletic duos, Moten posted 31 tackles with 9.0 tackles for loss and 4.5 sacks, while Scott added 26 tackles and 6.5 tackles for loss.

• Miami added one of the top edge players in the transfer portal when **Damon Wilson II** joined the Hurricanes from Missouri, where he started all 13 games and was named to the All-SEC Second Team after a nine-sack campaign in 2025. Wilson II, a true senior, played the first two seasons of his career at Georgia. He was a Bednarik Award and Bronko Nagurski Trophy preseason nominee this year. He has 15.5 career tackles for loss in college.

• The Hurricanes added two players who should see significant time in their first year with the Hurricanes - Keona Davis, who joined after spending two years at Nebraska, and Jarquez Carter, who spent 2025 at Ohio State.

THORPE CANDIDATE FITZGERALD SHINED IN YEAR I

• While much of the freshman phenom talk focused on WR **Malachi Toney** a season ago, DB **Bryce Fitzgerald** delivered a monumental season of his own to help send the Hurricanes to the CFP National Championship Game.

• Fitzgerald tied for second in the nation, led Miami and the ACC, and tied for the Power-4 lead with six interceptions a season ago. He was one of just six players in all of FBS to record more than five picks. For his efforts, he was named a Football Writers Association of America (FWAA) Freshman All-America after 2025.

• Fitzgerald, who played at Christopher Columbus High School in Miami during his prep career, was named to the watch list for the Jim Thorpe Award honoring the nation's top defensive back this offseason.

• When dynamic nickelback Keionte Scott suffered an injury late in the regular season last year, Fitzgerald stepped up in Scott's absence and was pivotal in the Hurricanes defense not missing a beat. Fitzgerald had two interceptions against Texas A&M in the College Football Playoff, including the game-sealing interception in the end zone.

"SPIDER COOP" HIT IK, PART OF ELITE TANDEM

- WR **Cooper Barkate** was among the top receivers in the nation a season ago, teaming up with QB **Darian Mensah** for an explosive 2025 campaign at Duke that resulted in an ACC Championship. Barkate and Mensah met while rooming together during training camp with the Blue Devils and quickly became fast friends.
- Barkate and WR **Malachi Toney** are the only 2026 teammates to have 1,100 receiving yards each at the FBS level in 2025. The duo combined for 16 catches, 301 yards and four touchdowns in the opener - with Barkate responsible for four catches, 67 yards and a 34-yard touchdown catch, his first as a Hurricane.
- High school friends told Barkate he looked like a mix of actors Andrew Garfield and Tom Holland, who both played Spider-Man. Combined with the nickname "Coop," he often goes by the moniker "Spida-coop" - and can be seen celebrating touchdowns and big plays with a tribute to Spider-Man shooting webbing from his wrists.
- A second-team All-ACC pick in 2025, Barkate had 72 catches for 1,106 yards with seven touchdowns in 2025.
- The California native played the first three seasons of his career at Harvard, where he earned a bachelor's degree in economics, before arriving to Duke and eventually Coral Gables. He finished his three-year career with three Crimson having totaled 113 receptions, 1,742 yards and 14 touchdowns.
- Barkate's father, Harold, was a three-year letterman (1986-87-88) as a punter at UCLA and ranks eighth in Bruin history in career punting average (42.13). His sister, Maddie, lettered four years (2020-24) as a member of the women's lacrosse team at Harvard, earning All-Ivy League honors as a junior.

THREE VETS TO HEADLINE 'NEW LOOK' OFF. LINE

- Offensive line play has been a bedrock of Miami Hurricanes Football since Mario Cristobal returned to his alma mater prior to the 2022 season. Four of Miami's five starters from a season ago departed for the NFL, with three of them being drafted: RT Francis Mauigoa (first round), LT Markel Bell (third) and RG Anez Cooper (sixth).
- Miami's offensive line will be anchored by three players who have seen significant snaps, including a versatile pair who split left guard responsibilities a season ago: fifth-year **Matt McCoy** and senior **Samson Okunlola**. In addition, **Ryan Rodriguez** - who started the 2024 season opener at Florida - will likely start at center.
- The trio was joined in the starting lineup for Game 1 vs. Stanford by LG **SJ Alofaituli** and RG **Max Buchanan**.

'MO THE MENACE' BACK FOR YEAR 2 WITH CANES

- LB **Mohamed Toure** will be playing in his eighth season of college football in 2026, including his second year with the Hurricanes. Toure, who spent six injury-riddled years at Rutgers before arriving in Coral Gables, played under current DC **Corey Hetherman** when he was linebackers coach of the Scarlet Knights.
- He started all 16 games in his first season with the Hurricanes and led the entire defense with 84 tackles. He was named to the preseason watch list for the Butkus Award earlier this offseason.
- Toure had a breakout 2023, playing in all 13 games for Rutgers and making eight starts during that season. Toure was second on the team with 93 tackles and led the Scarlet Knights with nine-and-a-half tackles for loss. He also played in Rutgers' 2023 Pinstripe Bowl win over Miami. Toure, who has the moniker "Mo The Menace," was named to the Butkus Award watch list in 2024, but suffered ACL injuries that ended his 2022 and 2024 seasons.

FOLLOW THE BLUEPRINT; CANES ARE ON THE RISE

- Miami reached a number of notable milestones in 2025, its fourth season under **Mario Cristobal**. The Hurricanes managed only the third 10-win season in the last 20 years at Miami (2024, 2017) and posted their highest year-end finish since 2002 when they ended No. 2 in both the AP and US LBM Coaches Polls. UM went from five wins (2022, 5-7) to seven (2023, 7-6) to 10 (2024, 10-3) to a program-record 13 (2025, 13-3).
- The Hurricanes posted their second straight 10-win season - marking the first such back-to-back stretch for Miami since 2002/2003 - in 2024/2025, earned their first College Football Playoff berth, and made it all the way to the CFP National Championship Game. It was UM's first title game appearance since the 2002 season.
- UM was one of only eight FBS teams to have won 10 games in back-to-back regular seasons in 2024 and 2025.
- The Hurricanes' nine NFL Draft picks were among the most in the nation and were the most by Miami since 2017. The Hurricanes had just one NFL Draft pick in the draft prior to Cristobal taking the helm, in 2022 - and it came in the seventh round (Jon Ford, Green Bay Packers). Miami's three first-rounders in 2026 were its most since 2007.
- Cam Ward, the 2024 winner of the Davey O'Brien Award and Manning Award as the nation's top quarterback, was selected with the No. 1 pick by the Tennessee Titans in 2025 - it was the third No. 1 overall pick in UM history.

RECRUITS BEING REWARDED FOR FAITH IN MIAMI

• Miami's tandem of Rueben Bain, Jr., and Francis Mauigoa - considered five-star talents out of high school - signed with Miami following a 5-7 season in 2022. Both players were rewarded after serving as cornerstones of the program over the previous three years, powering Miami to its first-ever College Football Playoff berth.

• Following the season, Mauigoa (No. 10 overall, New York Giants) and Bain (No. 15 overall, Tampa Bay Buccaneers) were both selected in the first round of the 2026 NFL Draft - two homegrown, developed players to add to the blueprint. In addition to those two, Akheem Mesidor - who spent four years at Miami - was a first-round pick.

• Bain and Mauigoa earned major recognition after dominant junior season. All-ACC first-teamers both, Bain was named ACC Defensive Player of the Year while Mauigoa was named the winner of the Jacobs Blocking Trophy honoring the league's top blocker. Mauigoa was the second in program history (Eric Winston, 2005) while Bain was the first such honoree. Bain was named Ted Hendricks Award winner as the nation's best defensive end.

MIAMI RARELY LOSES WHEN LEADING AFTER 3Q

• The Hurricanes have a 74-3 record (.961) when leading after three quarters since 2017, which trails only Alabama (113-4, .966) in Power-4. Ohio State was ahead in this category before losing to Texas on Sept. 12.

MIAMI HAS WON 16 OF LAST 17 NON CONF. GAMES

• Miami has won 16 of its last 17 games against non-conference opponents, finishing 4-0 in each of the last three seasons (2023, 2024, 2025) during the regular season and adding CFP wins vs. Texas A&M, Ohio State & Ole Miss. The only team Miami has lost to was No. 1 Indiana in the CFP National Championship Game. Prior to its loss to the Hoosies, UM's 15-0 stretch was tied for its longest streak since a 15-game run between 2000 and 2003.

CANES REEL IN #1 RANKED ACC CLASS YET AGAIN

• For the fourth straight year, the Miami Hurricanes reeled in the best recruiting class in the ACC by the 247Sports rankings for 2026. The 2026 class was considered among the best nationally once again. Headlined by Gatorade National Player of the Year and consensus five-star prospect **Jackson Cantwell**, Miami's group was ranked No. 6 in the 247Sports Composite Rankings.

• The Hurricanes' 2026 group was ranked No. 6 in the nation. Miami's 2025 class, inked in December 2024, was the top-rated group in the ACC for the third consecutive cycle and helped lead Miami to a national title appearance.

• The Hurricanes' 2024 group ranked No. 6 in the nation, while its 2023 group - the first full cycle under Cristobal - was ranked No. 8. According to Pick Six Previews, Miami was one of just 14 programs to sign a top 25 high school recruiting class and transfer class and one of just six to do it in three consecutive years - 2023, 2024 and 2025.

52 YEARS AND COUNTING FOR #NFLU STREAK

• With nine players selected in the 2026 NFL Draft, the Miami Hurricanes extended their streak to 52 consecutive years with one pick. UM trails only Michigan (1939), USC (1939) and Florida (1952) in consecutive years.

WE RUN THIS STATE; HURRICANES LEAD THE WAY

• Among what is commonly referred to as the "Big Three" programs in the Sunshine State - Miami, Florida and Florida State, the Hurricanes are now the all-time state leaders in both wins vs. in-state opponents and winning percentage.

UM's win against Florida in 2024 was its 100th and propelled UM to the best winning percentage in the state.

FORMER RETIRED NUMBERS HONORED BY CANES

• For the third straight year since originally many of them were originally retired, jersey numbers 10 (**Darian Mensah**, **Damon Wilson**), 13 (**Asharri Charles**, **Vance Spafford**), 14 (**Israel Briggs**) and 42 (**Logan Nagle**)

From their respective University of Miami Sports Hall of Fame bios:

George Mira, Sr.

"Mira Sr. will long be remembered by Hurricane fans as one of Miami's greatest quarterbacks and perhaps the Canes greatest player ever. In his three year career, Mira set numerous passing records, some of which are still in the record books. During his career, Miami once again gained national prominence, reaching the 1961 Liberty Bowl, the first bowl appearance in 19 years. Mira was the quarterback and passer for the '60's, he could drop back and pass and scramble when he had to, which earned him his nickname "The Matador". In 1962 Mira lead the Hurricanes to the Gotham Bowl in New York City and proved to the country that he was the real deal"

Jim Dooley

"Jim Dooley is a football legend at the University of Miami. Dooley was the first Hurricane football player to have his jersey number retired, #42, the first Hurricane player to be selected in the first round of the NFL draft, to the Chicago Bears, in 1952, and the first, and only, UM player to be an NFL head coach. Jim came to the University of Miami in 1947 after a stellar high school career at Miami High. As a junior and senior Dooley was a true "sixty minute man" playing both offense and defense. He set several records during his UM days, 17 interceptions on defense and over 1,000 yards rushing on offense. In 1951, Dooley intercepted 10 passes and was named first-team All-American by the associated Press. Dooley played in both the 1951 Orange Bowl Calssic and the 1952 Gator Bowl where he earned MVP honors and setting a Gator Bowl record with 4 interceptions"

Vinny Testaverde

Vinny Testaverde came to the Hurricanes by way of Elmont, New York in the fall of 1982. Vinny was the first player in U.M. history to win the Heisman Trophy, 1986. Vinny is one of only a handful of Hurricane football players to have his number retired (14). On the career lists Vinny ranked, at the time, second in passing yardage, (6,058), tied with Steve Walsh for first in touchdown passes (48) and forth in pass completions (413). In addition to winning the Heisman Trophy, he also won the Davey O'Brien Award, the Walter Camp Player of the Year Award, the Maxwell Award and was voted a consensus first-team All-American. As a starter, Vinny led the Hurricanes to a 21-1 regular season mark over two years. Testaverde was selected the first pick in the 1987 NFL draft by the Tampa Bay Buccaneers and played on several other NFL teams during his long, and successful, career.

Gino Torretta

"Gino Torretta capped an illustrious collegiate career by bringing the prestigious Heisman Trophy award back to the Coral Gables campus in 1992. The 1992 season was to be Gino Torretta's coronation as the Heisman favorite. But the season started amidst disaster as Hurricane Andrew ripped through South Florida just 12 days before the season opener at Iowa. Dealing with the emotional aftermath, Gino led the Hurricanes to a 24-7 win over the Hawkeyes on national television by passing for 433 yards and two touchdowns. If there was a game that typified his career it was the win against Florida State. Miami trailed 16-10 with 9:05 left in the fourth period when Gino led the Hurricanes on a 58-yard scoring drive to take the lead. Torretta took every award available to him in '92: the Maxwell Award (best overall player), Davey O'Brien Award (top quarterback), Utitas Award (top senior quarterback), consensus All-American, and every Player of the Year Award."

HEAD COACH MARIO CRISTOBAL

FIFTH SEASON | MIAMI, 1993

Career Record: 99-79 | UM Record: 37-19 | ACC Record: 19-14

Mario Cristobal, who helped lead the University of Miami to two national championships in 1989 and 1991 as a standout offensive lineman, was named the University's 26th football head coach on December 6, 2021.

One of college football's most highly regarded coaches, Cristobal returned to his alma mater after leading the University of Oregon to three straight Pac-12 Conference championship game appearances and two Pac-12 titles. He is the only coach in the nation whose team has played in a Power Five conference championship game in each of the past three seasons before arriving at Miami.

In his fourth season at the helm of the Hurricanes in 2025, Cristobal helped elevate Miami to new heights – including its first-ever College Football Playoff berth and its maiden appearance in the College Football Playoff National Championship Game.

Miami set a school record for single-season wins, finishing with a 13-3 record and the No. 10 seed for its first CFP. The Hurricanes topped Texas A&M in the CFP First Round, beat defending national champion Ohio State in the Goodyear Cotton Bowl and bested Ole Miss in the VRBO Fiesta Bowl before falling just short of a national title at Hard Rock Stadium. Miami posted back-to-back 10-win seasons for the first time since 2002-2003, had a school-record 19 players earn all-conference honors, and saw three players capture major conference awards: Rueben Bain, Jr. (ACC Defensive Player of the Year), Malachi Toney (ACC Rookie of the Year) and Francis Mauigoa (Jacobs Blocking Trophy). In addition, Bain won the Ted Hendricks Award as the nation's top defensive end, a school-record four different players were recognized as CSC Academic All-Americans and Miami featured at least one Freshman All-American for the third straight season. By season's end, the Hurricanes were one of just four programs nationwide to have upped their win total in three consecutive seasons and earned their highest end-of-year ranking (No. 2) since 2002. Following the season, three Hurricanes were selected in the first round of the NFL Draft for the first time since 2007, and Miami's nine overall draft picks were the most produced by the program since 2017.

Cristobal brought more than 20 years of FBS coaching experience to Coral Gables, including 10 as a head coach. He compiled a 35-13 record at Oregon, leading the Ducks to consecutive Pac-12 titles in 2019 and 2020. Oregon advanced to three straight conference championship games from 2019 to 2021 and earned bowl-game appearances in each of Cristobal's seasons in Eugene, highlighted by a Rose Bowl victory that capped a 12-win season and No. 5 ranking in the final Associated Press and AFCA Coaches polls in 2019. Cristobal was named the Associated Press Pac-12 Coach of the Year for his efforts that season.

Cristobal's national title-winning pedigree isn't limited to his time as a player. At Alabama, where he served as assistant head coach, offensive line coach, and recruiting coordinator, he helped lead the Crimson Tide to the national championship in 2015 and a runner-up finish the following season. During his four years in Tuscaloosa, from 2013 to 2016, five Alabama offensive linemen were selected in the NFL Draft and, with Cristobal's tutelage, the 2015 offensive line unit won the inaugural Joe Moore Award, given to the most outstanding offensive line unit in the nation.

Cristobal's move to Miami brings his coaching career full circle. A son of South Florida who played prep football at nearby Christopher Columbus High School, he launched his coaching career as a graduate assistant coach at Miami from 1998 to 2000 under head coach Butch Davis. He served as an assistant coach at Rutgers from 2001 to 2003 and then returned to Miami as an assistant coach from 2004 to 2006 under head coach Larry Coker.

In 2007, Cristobal was named head coach at Florida International University, becoming the first Cuban American head coach in FBS history. He inherited a struggling FIU program that had been winless the year before his arrival and, in just his fourth season, led it to the Sun Belt Conference title and a bowl-game victory.

Cristobal, who played his Hurricanes career under coaches Jimmy Johnson and Dennis Erickson, was an All-Big East selection in 1992. He is a double-alumnus of the University of Miami, earning a bachelor's degree in business administration and a master's degree from the University. Cristobal was born in Miami on Sept. 24, 1970. He and his wife, Jessica, married in June 2006 and are the parents of two sons, Mario Mateo and Rocco.

And when the seventh-ranked Miami Hurricanes took the field at Stanford Stadium for their season opener on Friday, it didn't take long for them to show why they have the potential to be one of the more exciting teams in college football.

Sophomore wide receiver **Malachi Toney**, the reigning ACC Rookie of the Year, picked up right where he left off last season and had both a career and record-breaking night. Quarterback **Darian Mensah** delivered a brilliant performance in his first start as a Hurricane and Miami's defense kept the Cardinal from ever truly finding a rhythm - or the end zone.

The ultimate result? A 45-6 win for the Hurricanes on a night in which they seemingly felt no ill effects after a 2,565-mile cross-country trek from Coral Gables to California.

"Really proud of our players for coming across the country and staying in preparation and staying focused and certainly efficient and productive on both sides of the ball," Miami head coach **Mario Cristobal** said. "Certainly some things that you want to clean up, a couple different looks that were a little bit muddy, that we had a couple of issues with. But I think as the game went on, we rectified those things and certain players stepped up in the absence of others."

The win marked the 20th straight ACC game in which Miami has scored at least 20 points, and it didn't take long for those points to start piling up. Miami (1-0, 1-0 ACC) needed just four plays on its opening possession to find the end zone, taking a quick lead when Mensah connected with Toney on a 23-yard scoring play.

"You can't draw it up any better. That's what you want," Mensah said. "You want to go out and punch a team in the mouth and we did that."

The two would connect again on the Hurricanes' second drive of the game, this time on a 2-yard scoring play that pushed Miami's lead to 14-3 after the extra point by Jake Weinberg.

"That just comes from our practices out there on Greentree," Toney said of how quickly he and Mensah have established their on-field timing. "Before we go 1-0 out here, we have to go 1-0 on Greentree. So, I just felt like we just put on display what we've been working on Greentree."

CANES ROLL IN 77-7 WIN OVER RATTTLERS

MIAMI GARDENS, Fla. -- After opening the season more than 2,500 miles from home, the Hurricanes made it clear in the days leading up to their home opener: they couldn't wait to get back to South Florida to play in front of their family, their friends, and their fans.

And once the ball was kicked off on Thursday night, the seventh-ranked Hurricanes wasted little time putting on a show for those who made their way to Hard Rock Stadium on this warm September evening.

Miami was efficient on offense, scoring on 11 of its first 12 possessions. The defense put together another strong showing and in the end, the Hurricanes notched a 77-7 win over Florida A&M.

The Hurricanes set a new school record in the win with their 856 yards of total offense and set a new ACC record with their 42 first downs. Their 77 points, meanwhile, tied a school record, matching Miami's efforts against Savannah State in both 2013 and 2018.

And with the victory, the Hurricanes (2-0) have now won 20 straight home openers.

Not a bad way to kick off the home slate by any means.

"We did a lot and just want to see our guys play fast and free and improve," head coach **Mario Cristobal** said. "That was the most important thing. [Going] 1-0 is always the goal, but in college football, every single week you better get better and I think in some respects, we did that tonight."

Quarterback **Darian Mensah** -- who earned a trio of national honors after Miami's 45-6 win at Stanford last week, including a Davey O'Brien Great 8 nod -- picked up right where he left off against the Cardinal, completing 14 of 15 passes for 252 yards with three touchdowns.

Through the Hurricanes' first two games, Mensah has completed 41 of his 45 pass attempts for 653 yards and 8 touchdowns, numbers he noted were pretty special.

"It means a lot. Obviously, I wanted to play well," Mensah said. "Canes fans were very supportive of me when I first got here, and so to give that back on the field with my play means a lot to me. ... I wouldn't say [it's] pressure off my shoulders. I'd just say that's what I came here to do and I'm doing it."

MIAMI GARDENS, Fla. -- From start to finish the roars reverberated from the hashmarks to the rafters.

Before a sold-out, orange-clad crowd of 66,793 at Hard Rock Stadium, the Miami Hurricanes defeated the Notre Dame Fighting Irish in a 27-24 thriller Sunday night, waking up their own echoes with a statement victory that no doubt made the star-studded sideline of Hurricanes legends beam with pride.

No. 10 Miami improved to 1-0, while the sixth-ranked Irish fell to 0-1. It was the Canes' highest ranked win since, well, Miami's 2017 victory over then-No. 3 Notre Dame at Hard Rock in 2017. The Canes have now won seven consecutive home games against Notre Dame, the last defeat coming in 1977.

Carter Davis kicked two field goals, including a 47-yarder with 1:04 remaining that broke a 24-24 tie. Miami's defense held from there, sacking Notre Dame quarterback CJ Carr on the final two snaps of the game.

Quarterback **Carson Beck** completed 20 of 31 passes for 205 yards and two touchdowns in his Miami debut. Running back **Mark Fletcher** rushed for 64 yards, while backfield mate **Marty Brown** rushed for 54 yards and a score. Wide receiver **Malachi Toney** paced UM with six receptions for 82 yards and a touchdown, while **CJ Daniels** had five catches for 46 yards, including a circus touchdown catch that will live on posters for years to come.

Miami's defense forced two turnovers, posted three sacks and held Notre Dame's vaunted rushing attack to just 93 yards on 28 carries. Defensive end **Rueben Bain, Jr.** registered six tackles and his first career interception, while **Akheem Mesidor** posted five stops and 1.5 sacks. Linebacker **Raul Aguirre** also had six tackles.

"This game, this victory is for everybody," head coach **Mario Cristobal** said. "It's for our university, our players, our students, alumni, former players. Coach (Jimmy) Johnson, got to see him earlier. I don't know where to start, but tremendously proud of this team. The resiliency, complimentary football overcoming a couple of hiccups and whatnot.

"But all in all, just an awesome, awesome night for the Miami Hurricanes."

HURRICANES TOP BETHUNE-COOKMAN, 45-3

MIAMI GARDENS, Fla. -- Playing on a short week after an emotional victory, the Miami Hurricanes returned to Hard Rock Stadium and delivered just the performance they needed.

The fifth-ranked Canes were ruthlessly efficient on offense, stingy on defense and controlled the game from start to finish, defeating Bethune-Cookman 45-3 before a crowd of 60,617.

Miami improved to 2-0, while BCU fell to 0-2.

The Canes racked up 543 yards, averaging 8.4 yards per play and scoring on all five of their red zone trips. Quarterback **Carson Beck** completed 22 of 24 passes for 267 yards and two touchdowns. He completed his first 15 passes, setting a school record for consecutive completions in a single game; Vinny Testaverde held the previous mark, completing 14 straight passes against Oklahoma in 1986.

Both scoring strikes were to wide receiver **CJ Daniels**, who hauled in five passes for 73 yards. Fellow wideout **Malachi Toney** paced Miami with six receptions for 80 yards. Running back **Mark Fletcher** rushed 11 times for 86 yards and two scores, while backfield mates **Marty Brown** and **Girard Pringle** each added rushing scores.

Miami's defense kept the Wildcats out of the end zone and held BCU to 191 total yards, yielding just 3.8 yards per play. The Canes racked up 10 tackles for loss, led by safety **Keionte Scott** who had three TFLs. Defensive end **Rueben Bain** posted three tackles, one sack and one forced fumble. Linebacker **Kellen Wiley** led Miami with five stops.

"Pretty solid job by our guys coming out handling business, really efficient by the offense scoring on every drive," head coach **Mario Cristobal** said. "Our defense did a really good job, too, although their team was obviously trying to snap the ball with a low count on the shot clock to try and limit the number of possessions that we had and once we played the ones in the second half of the first drive, I thought that was a good time to work on developing the other half of our roster.

"Lots of guys got their first opportunity and the opportunity to get significant playing time and play within our system. So, a lot of positives, a lot of things to fix, a lot of things to get better at."

MIAMI GARDENS, Fla. -- In 1987, the Miami Hurricanes beat three consecutive ranked opponents to start the season. Nobody has done it since.

After opening with ranked wins over Boise State and Florida, the USF Bulls had a chance to match that feat Saturday at Hard Rock Stadium. But the current Hurricanes kept the alumni streak intact -- in a big way.

Fifth-ranked Miami defeated No. 18 USF 49-12 before a sellout crowd of 66,591 that thrived and vibed through a 100-minute weather delay but was treated to the Canes' ninth straight home win. UM improved to 3-0, while the Bulls fell to 2-1.

Miami racked up 576 total yards and held a 12-minute advantage in time of possession. The Canes averaged seven plays on their seven touchdown drives. Running back **Mark Fletcher** rushed for 120 yards and two touchdowns, averaging 7.5 yards per carry. It was the third 100-yard game of his career.

Quarterback **Carson Beck** completed 23 of 28 passes for 340 yards with three touchdowns and two interceptions. Wide receivers **Keelan Marion** and **Malachi Toney** each had six receptions, while freshman **Joshua Moore** had three catches for 61 yards and the first two touchdowns of his career.

Miami's defense held USF to just 40 rushing yards. The Bulls converted 7 of 19 on third down and were 0 of 2 on fourth down. Defensive ends **Akheem Mesidor** and **Rueben Bain** each posted six tackles. Safety **Bryce Fitzgerald** picked off a pass for the second straight game.

USF quarterback Byrum Brown completed 20 of 36 passes for 274 yards with one score and one pick.

"Really just fired up, impressed with our players, our team, our entire organization, in handling the week in preparation for a team that had been playing really, really good football and handling what they do best, which is tempo," head coach **Mario Cristobal** said. "First goes out to our scout team. They simulated them as well as you possibly can all week long, and because that is a challenge, but the physicality, the level of energy that we played with tonight, although a couple of critical mistakes, was progress for our football team."

DEFENSE DOMINATES GATORS IN 26-7 WIN

MIAMI GARDENS, Fla. -- It started early in the morning, when thousands of Miami Hurricanes fans descended upon the university's Coral Gables campus and gave the college football world a show for the ages.

The scene shifted to Hard Rock Stadium Saturday evening, where thousands more were treated to another memorable show.

The Canes conducted a defensive masterclass from start to finish, defeating the Florida Gators 26-7 before a sellout crowd of 66,713. Fourth-ranked Miami improved to 4-0, while Florida fell to 1-3.

The Canes' defense held UF to just 141 total yards while racking up four sacks and seven tackles for loss. The Gators had 13 third down opportunities and didn't convert one. Linebacker **Mohamed Toure** led the onslaught with 10 tackles and a sack.

Linebacker **Wesley Bissainthe** recorded eight stops and defensive end **Rueben Bain, Jr.** registered seven and one-half sack.

Meanwhile, the Canes racked up 344 total yards on 76 plays. Running back **Mark Fletcher** rushed for 116 yards and one touchdown and fellow back **CharMar "Marty" Brown** rushed for 80 yards and two scores.

Quarterback **Carson Beck** completed 17 of 30 passes for 160 yards and one interception. Four Canes tied for the team lead with four receptions.

Gators quarterback DJ Lagway completed just 12 of 23 passes for 61 yards. Running back Jadan Baugh rushed for 46 yards and had Florida's lone touchdown. Defensive back Jordan Castell paced UF with 10 tackles.

"This game means a lot to us," head coach **Mario Cristobal** said. "It means a lot to our alumni, the fan base and certainty we always thought they were a very talented team. They have a lot of really good players and they were always a play or two away from being really, really good. Our guys kept their composure when we started getting in a rut a little bit there with the offense. The defense played off the charts football, again."

CANES OPEN ACC PLAY WITH WIN OVER FSU

TALLAHASSEE, Fla. -- Amid a hostile, hyped-up collection of garnet and gold in Doak Campbell Stadium, the Miami Hurricanes didn't flinch.

They hit big plays through the air. They held onto the ball. They created turnovers. They kept the nation's top-ranked offense out of the end zone until the fourth quarter.

Equal parts efficient and ruthless, they opened ACC play Saturday night with a big-time win over a big-time rival to show they are a big-time force to be reckoned with as the college football calendar turns to October.

In their first road test of 2025, the third-ranked Canes defeated No. 18 Florida State 28-22. Miami improved to 5-0 overall, 1-0 in the ACC. FSU fell to 3-2 overall and 0-2 in conference play. It was the first ranked meeting between the teams since 2016, and the Canes now own a 37-33 lead in the series.

The Seminoles entered the game with the nation's best scoring offense (53 points per game) and total offense (600 yards per game) but were held to 404 total yards – 188 of those yards in the fourth quarter when the Canes had built a 25-point lead. FSU had 83 offensive snaps, 24 more than Miami.

Cornerback **Keionte Scott** paced Miami's defense with 11 tackles and had a fumble recovery. Safety **Zechariah Poyser** recorded eight stops and a forced fumble. Cornerback **Bryce Fitzgerald** and safety **Jakobe Thomas** each had interceptions with Thomas adding a sack. Defensive end **Akheem Mesidor** racked up six tackles and a sack. After kicking a field goal on their opening drive, the Seminoles didn't score again until their ninth drive.

Meanwhile, quarterback **Carson Beck**, who has played in his share of unwelcoming road environments, completed 20 of 27 passes for 241 yards and threw four touchdown passes – two each to wide receivers **CJ Daniels** and **Malachi Toney**. Toney finished with seven grabs for 107 yards and Daniels's five receptions went for 78 yards. Running back Mark Fletcher rushed for 40 yards on 12 carries. Miami didn't commit a turnover.

FSU quarterback Tommy Castellanos completed 25 of 45 passes for 272 yards with two touchdowns and two interceptions. He also led the Seminoles in rushing with 57 yards.

MIAMI GARDENS, Fla. -- For the third straight season, the battle for the boots was a barnburner.

The Louisville Cardinals forced four turnovers, including one in the waning seconds, to hold off the second-ranked Miami Hurricanes 24-21 Friday night before a crowd of 66,573 at Hard Rock Stadium.

The Cardinals improved to 5-1 overall, 2-1 in the ACC. The Canes fell to 5-1 and 1-1 in conference play. Louisville reclaimed the Schnellenberger Trophy, a pair of bronzed boots worn by legendary coach Howard Schnellenberger, who served as the head coach for both programs.

It was Miami's first home loss since dropping its 2023 home finale to the Cardinals.

Louisville's defense limited the Canes to 64 rushing yards and picked off quarterback Carson Beck four times. Cardinals running back Isaac Brown rushed for 113 yards on 15 carries, and quarterback Miller Moss threw for 248 yards and two scores -- both to wide receiver Chris Bell, who amassed 136 yards on nine grabs.

Beck completed 25 of 35 passes for 271 yards. Wide receiver Malachi Toney had another monster performance, hauling in nine passes for 135 yards and scoring on a 12-yard run. Fellow wideout CJ Daniels had seven receptions for 74 yards.

Cornerback Keionte Scott paced Miami with nine tackles, adding a sack, three tackles for loss and a forced fumble. Linebackers Wesley Bissainthe and Mohamed Toure each had six stops, and safety Zechariah Poyser recorded six tackles and a fumble recovery.

It was 14-0 Louisville just 10 minutes into the game.

But on the first play of Miami's second drive, Beck found Daniels for a 30-yard reception to the Louisville 45. He followed that with a dime to Toney down the left sideline for 39 yards. In just two plays, the Canes had the ball first and goal at the six-yard line. Running back Mark Fletcher followed with three runs, the last a two-yard scoring plunge that cut the lead to seven points.

Toney took a handoff from Beck on a jet sweep and raced to the end zone to cut Louisville's lead to 24-21, but that's as close as Miami would get, falling to the Cardinals for its first loss.

MIAMI GARDENS, Fla. -- After yielding 74 yards and a touchdown on their opening drive, the Miami Hurricanes delivered a defensive performance for the ages against the Stanford Cardinal Saturday night at Hard Rock Stadium.

Stanford wouldn't score again and could only muster 70 yards of real estate the rest of the game. The result was a comfortable 42-7 win for the ninth-ranked Canes Saturday night before a crowd of 63,892.

Miami improved to 6-1 overall, 2-1 in ACC play. Stanford fell to 3-5 overall, 2-3 in conference play. It was the first meeting between the schools.

The Canes scored touchdowns on five of their six second half possessions to blow open a game that was knotted 7-7 at halftime. Miami rushed for 199 yards, led by running back Mark Fletcher, who racked up 106 yards on 23 carries and set a career-high with three touchdowns. The Canes possessed the ball for nearly 37 minutes.

Quarterback Carson Beck completed 21 of 28 passes for 189 yards and one touchdown, a five-yard scoring toss to wide receiver CJ Daniels. Wide receiver Malachi Toney not only paced Miami with five catches for 52 yards but amassed 73 yards on two electric punt returns.

Cornerback Keionte Scott paced the Canes with five tackles, while fellow corner Xavier Lucas and linebacker Wesley Bissainthe each had interceptions that led to touchdowns. Overall, Miami had two sacks, six tackles for loss and held Stanford to 2.7 yards per play.

"Certainly proud of the way our guys just stuck with it after starting a little bit sluggishly on the offensive side of the ball," head coach Mario Cristobal said. "The defense did a phenomenal job after the first drive just shutting down the opponent and giving us an opportunity to get back in it. Closed out the first half with a scoring drive and that certainly built some momentum. We came out with great defense, great special teams and we started clicking and playing more Miami Hurricanes football."

Stanford quarterback Ben Gulbranson completed just 9 of 21 passes for 50 yards with one touchdown and two picks. Running back Cole Tabb rushed for 64 yards, and wide receiver Caden High had three catches for 36 yards and a score. Linebacker Matt Rose registered 12 tackles.

MIAMI FALLS TO MUSTANGS IN OVERTIME

DALLAS -- After the Miami Hurricanes and SMU Mustangs slogged through a dreary first half in Big D, the sun came out at halftime. So, too did the fireworks.

A scintillating second half gave way to overtime, where the Mustangs forced a turnover and followed it up with the game-winning touchdown to defeat the Canes 26-20 Saturday at Gerald J. Ford Stadium.

No. 10 Miami fell to 6-2 overall, 2-2 in ACC play. SMU improved to 6-3 overall and 4-1 in conference play.

The Canes outgained the Mustangs 433-388 in total yards -- holding SMU to just 23 yards on the ground -- and held a 14-minute margin in time of possession. But Miami's 12 penalties and two turnovers proved costly as the Mustangs won the game and their fans rushed the field.

Quarterback Carson Beck completed 26 of 38 passes for 274 yards with two touchdowns and two interceptions. Running back Mark Fletcher rushed 16 times for 84 yards. Wide receiver Malachi Toney hauled in nine passes for 70 yards, adding a 47-yard punt return. Wide receiver JoJo Trader caught five passes for 81 yards and a touchdown, while wide receiver Keelan Marion had five catches for 77 yards.

Safety Jakobe Thomas paced Miami with nine tackles, while cornerback Keionte Scott recorded eight stops, one sack, one fumble recovery and two tackles for loss. Linebacker Mohamed Toure also registered eight tackles.

SMU quarterback Kevin Jennings completed 29 of 44 passes for 365 yards and one touchdown. Wide receiver Jordan Hudson hauled in 11 passes for 136 yards. Fellow wideout Yamir Knight had four catches for 47 yards and a score. Safety Ahmaad Moses led the Mustangs with 15 tackles and had both interceptions. Running back T.J. Harden scored the game-winning touchdown in the extra session on a one-yard run.

SMU forced a Miami punt to start the game and Dylan Joyce backed up the Mustangs at their own 10. When SMU faced a 4th and 1 at the Canes 46. But Jennings fumbled the handoff exchange and Scott recovered to put Miami's offense back on the field.

MIAMI

MIAMI GARDENS -- Riding a dominant defense and a big-play offense, the Miami Hurricanes dictated play from start to finish Saturday, rolling past the Syracuse Orange 38-10 before a crowd of 60,337 at Hard Rock Stadium.

No. 18 Miami improved to 7-2 overall, 3-2 in the ACC. The Orange fell to 3-7 overall and 1-6 in conference play.

The Canes scored two touchdowns in a 23-second spurt late in the first half to break open a scoreless game and averaged 10 yards per play in a 17-point third quarter that put the game away.

Miami's defense held the Orange to 285 total yards, forced three turnovers and racked up seven sacks and 11 tackles for loss. Safety Jakobe Thomas had a monster game with five tackles, one sack, one fumble recovery and an interception, while cornerback Keionte Scott had a 38-yard pick six late in the first half. Defensive end Akheem Mesidor recorded 1.5 sacks and 3.5 TFLs, while defensive tackle David Blay registered five stops.

Quarterback Carson Beck completed 18 of 24 passes for 247 yards and one touchdown and caught his first career pass from wide receiver Malachi Toney for a 14-yard score. Beck also completed a backwards pass to right tackle Francis Mauigoa for Miami's final touchdown.

Wide receiver Keelan Marion caught three passes for 116 yards, including a 61-yard scoring strike, and running back Girard Pringle rushed for 55 yards and one score.

"I think that we showed in spurts what a really good football team we are," head coach Mario Cristobal said. "I think we also show what you see in college football, that games at some point in time, there's some back and forth and some stagnant moments.

"That's why you keep playing, that's why the game is four quarters. And then show that some of our young players are really playing well."

Syracuse quarterback Rickie Collins completed just 12 of 25 passes for 85 yards and two picks. Running back Yasin Willis carried 13 times for 63 yards. Linebacker Gary Bryant paced the Orange defense with six tackles.

MIAMI GARDENS, Fla. — As the weeks add up on the college football calendar, the stakes get higher and Saturday the Miami Hurricanes delivered a performance to match.

The Canes rode a punishing defense and a ruthlessly efficient offense to a 41-7 statement win over the NC State Wolfpack before a crowd of 59,157 on Senior Day at Hard Rock Stadium.

No. 16 Miami improved to 8-2 overall and 4-2 in ACC play. The Wolfpack fell to 5-5 overall and 2-4 in conference play.

"I want to start by thanking the crowd, they showed up strong, showed up with a lot of energy," head coach Mario Cristobal said. "Certainly a big boost for our guys and I am really proud of our team being down a significant amount of starters, coming out and maybe playing the most complete team football game of the year.

Very much a game where it was complementary, both sides showing up where they needed to."

Wide receiver Malachi Toney amassed 12 catches for 146 yards and one touchdown. Running back Girard Pringle rushed for 49 yards and had a 16-yard touchdown reception. Safety Zechariah Poyser racked up 10 tackles, one sack and a fumble recovery, while defensive end Akheem Mesidor recorded five stops, one sack and two forced fumbles.

Defensive tackle Ahmad Moten registered five tackles and a sack and linebacker Wesley Bissainthe added six tackles. Miami's defense allowed a season-high 194 rushing yards but held Tech to just 3 of 12 on third down.

Running back Marcellous Hawkins rushed eight times for 72 yards, while backfield mate Jeffrey Overton rushed for 69 yards and a score. Wide receiver Ayden Greene had five receptions for 95 yards. CANES DOMINATE PITT, 38-7, IN 2025 FINALE

PITTSBURGH, Pa. — From start to finish this season the Miami Hurricanes have proven to be a team that's built for speed, built for toughness, built for creativity, built for resiliency, built for all kinds of weather.

Built for a playoff.

All of those traits were on display Saturday off the frigid intersection of Pittsburgh's three rivers as the No. 13 Canes dominated No. 24 Pitt 38-7 in the regular season finale for both teams. After trailing 7-3 early, Miami scored the game's final 35 points.

The Canes improved to 10-2 overall and 6-2 in ACC play, posting their first back-to-back seasons with double-digit wins since 2002-03. The Panthers fell to 8-4 and 6-2 in conference play. The two spots in next Saturday's ACC Championship Game in Charlotte are still up for grabs pending results from later today.

Wide receiver Malachi Toney continued his dazzling maiden campaign, hauling in 13 passes for 126 yards and one touchdown. He also threw a nine-yard touchdown pass to tight end Elijah Lofton and rushed for 30 yards. Toney now holds the school's single-season record for receiving yards by a freshman (970), breaking Ahmmon Richards' nine-year mark.

Quarterback Carson Beck completed 23 of 29 passes for 267 yards with three touchdowns and one interception. Running back Girard Pringle paced Miami with 10 carries for 82 yards and backfield mate Mark Fletcher rushed for 30 yards and one score. The Canes amassed 416 total yards and had a 29-11 edge in first downs.

Miami's defense limited the Panthers to 229 total yards, including just 30 on the ground. Defensive end Rueben Bain racked up five tackles and 1.5 sacks, while defensive tackle Ahmad Moten also posted 1.5 sacks. Safety Zechariah Poyser had five tackles and one tackle for loss, while linebacker Wesley Bissainthe recorded six stops.

Panthers quarterback Mason Heintschel completed 22 of 32 passes for 199 yards with one touchdown and one pick. Wide receiver Raphael Williams had five catches for 66 yards. Linebacker Kyle Louis paced Pitt with 12 tackles.

UM RIDES FLETCHER, 'D' TO ROAD CFP WIN

COLLEGE STATION, Texas — It isn't easy to get to the College Football Playoff. It's even harder to stay there.

Especially when your first assignment is battling an 11-win team in their house, one of the sport's loudest and grandest cathedrals.

But that's when a team's fight and resolve and response to adversity becomes even more paramount. And that's why the Miami Hurricanes are moving on to the next round.

Riding a career day from running back Mark Fletcher, Jr., and a masterclass by their defense, the Canes defeated Texas A&M 10-3 on a windswept prairie Saturday before a crowd of 104,122 at Kyle Field.

No. 10 Miami improved to 11-2, advancing to the CFP quarterfinals to face second-seeded Ohio State on New Year's Eve in the Goodyear Cotton Bowl. The seventh-seeded Aggies concluded their season with an 11-2 mark.

Fletcher rushed for a career-high 172 yards and Miami's defense delivered a Herculean effort, forcing three turnovers and holding an Aggies offense that entered the game averaging 36.3 points per game to just a field goal.

Quarterback Carson Beck completed 14 of 20 passes for 103 yards and the game's lone touchdown – an 11-yard pass to wide receiver Malachi Toney, who had five catches and a 55-yard punt return.

Safety Bryce Fitzgerald picked off two passes, including the game-sealing interception in the end zone when the Aggies were looking to drive for the tying score. Defensive end Rueben Bain had three sacks, four tackles for loss and a blocked field goal. Cornerback Keionte Scott returned to lead Miami with 10 tackles and two sacks, while safety Jakobe Thomas added nine stops. The Canes had seven sacks overall and held the Aggies to 89 rushing yards on 35 carries.

Texas A&M ran 75 plays and possessed the ball for nearly 34 minutes but never reached the end zone. Quarterback Marcel Reed completed 25 of 39 passes for 237 yards and two picks. Wide receiver Mario Craver paced the Aggies with seven catches for 92 yards. Safety Dalton Brooks had seven stops, one sack and a forced fumble.

"Just found a way to continue to keep pushing through some difficult situations," head coach Mario Cristobal said. "The defense was off the charts the entire day. We found ourselves finally running the football and getting some chunk yardage. It took a while. We were up and down on offense. Just a great response, turned the ball over, both by the defense, getting the ball back, and the offense going right down the field and scoring."

MIAMI TOPS OSU, ADVANCES TO CFP SEMIS

ARLINGTON, Texas — As people gathered near and far to celebrate and count down the minutes on the calendar year, the Miami Hurricanes gave their fans another reason to cheer — their 2025 football season will extend into 2026.

Riding another emphatic defensive performance, the Canes jumped out to an early lead and held on late for a 24-14 victory over second-ranked and defending national champion Ohio State in the College Football Playoff quarterfinals at the Goodyear Cotton Bowl before a crowd of 71,323 at AT&T Stadium.

No. 10 Miami improved to 12-2, advancing to the CFP Semifinals at the Vrbo Fiesta Bowl on January 8 and notching its first dozen-win campaign since 2002. Second-ranked Ohio State ended its season at 12-2.

The Canes' defense forced two turnovers – including a pick six by cornerback Keionte Scott – racked up five sacks and held the Buckeyes to just 45 rushing yards.

Meanwhile, the offense put together two impressive touchdown drives, including a game-sealing march late in the fourth quarter. Quarterback Carson Beck completed 19 of 26 passes for 138 yards and one touchdown, at one point completing 13 straight passes to set a Cotton Bowl record.

Running back Mark Fletcher, Jr., had his second straight monster postseason game, rushing for 90 yards and 19 carries and adding a nine-yard touchdown reception. Wide receivers CJ Daniels, Keelan Marion and Malachi Toney each had five receptions with Toney becoming just the seventh Canes to eclipse 1,000 yards receiving on the season. The 24 points scored by Miami were the most yielded by Ohio State this season.

Scott had four tackles to go along with his 72-yard interception return for a score, which gave the Canes a 14-0 lead. Linebacker Mohamed Toure and safety Jakobe Thomas paced Miami with seven tackles each. Defensive end Akheem Mesidor posted five tackles and two sacks, while fellow end Rueben Bain, Jr., had three tackles and a sack. The Canes limited the Buckeyes to just 3 of 10 conversions on third down.

Fletcher was the Cotton Bowl Offensive MVP and Scott was the Defensive MVP.
