SINCE 1989

Fondata nel 1989, Micromic S.r.l. nasce dall'intuizione di rivoluzionare il settore dei ricambi per elettrodomestici offrendo un'alternativa adattabile, ma di alta qualità.

Dalla fondazione a oggi Micromic ha ampliato i suoi orizzonti espandendosi dai ricambi per piccoli ai grandi elettrodomestici, spingendosi fino alla ricambistica del vending, settore nel quale opera ormai da 12 anni

Founded in 1989, Micromic S.r.l. was born from the intuition of revolutionizing the spare parts sector for household appliances, by offering an adaptable high quality alternative.

Since its foundation, Micromic has broadened its horizons by expanding from spare parts for small to large household appliances, going as far as vending spare parts, a sector in which it has been operating for 12 years now.

LA NOSTRA EVOLUZIONE

Da una piccola realtà ad un'azienda di 10000 metri quadrati.
Una metamorfosi che racconta la nostra evoluzione fatta di IMPEGNO,
DEDIZIONE E PASSIONE, che ci ha portato a essere un punto di riferimento per i più importanti produttori, sia nel campo del domestico che del vending,
affidandoci la distribuzione dei loro prodotti. Con più di 40 dipendenti,
10 reparti e più di 10000 prodotti siamo in continuo sviluppo.

From a small business to a 10,000-square-meter company.
A metamorphosis that illustrates our evolution, driven by COMMITMENT,
DEDICATION, AND PASSION, which has led us to become a point of reference for leading manufacturers, both in the household appliances and vending spare parts,
entrusting us with the distribution of their products.
With more than 40 employees,
10 departments, and more than 10,000 products, we are constantly evolving.

SPARE PARTS FOR THE FUTURE

Offriamo ai nostri clienti un'opportunità etica e sostenibile attraverso ricambi ed accessori di alta qualità.

Supportata dalle politiche di gestione mirate al continuo miglioramento organizzativo e tecnologico; avvalendosi dei requisitivi normativi in ambito Nazionale, Europeo ed Internazionale, come le certificazioni ISO 9001:2015 e D. Lgs. 231.

I nostri prodotti sono garantiti da rigorosi controlli, partendo dalle fasi di progettazione, sino alle partnership selezionate e rispettose degli standard di mercato.

In linea con le nostre politiche ecosostenibili, abbiamo creato, una serie di servizi, come la RIGENERAZIONE DEI GRUPPI VENDING, che permettono di ripristinare le parti danneggiate, con le nostre parti di ricambio e ottenere un gruppo caffè pari al nuovo, pronto per essere reinstallato nella macchina Vending.

We offer our customers an ethical and sustainable choice through high-quality spare parts and accessories.

Driven by management policies focused on continuous organizational and technological improvement, we align with national, European, and international regulatory standards, including ISO 9001:2015 and D.Lgs. 231 certifications.

Our products are backed by rigorous quality controls—from the design phase to carefully selected partnerships that meet market standards.

In line with our eco-sustainability policies, we have developed a range of services such as COFFEE BREWING UNIT REGENERATION, which allows us to repair damaged components using our spare parts, resulting in a coffee unit that is like new and ready to be reinstalled in the vending machine.

THE GREEN PHILOSOPHY

Il nostro concetto di ECOSOSTENIBILITÀ , si traduce anche in FONTI RINNOVABILI.
Con l'istallazione di una superfice pari a 400 m^2 di pannelli solari abbiamo reso la nostra azienda realmente GREEN.

- 310 Moduli Fotovoltaici
- Potenza generata 165000 KWh/anno
- 66.000 kg CO^2/anno

Più che un investimento, un vero e proprio impegno per il futuro.

Our concept of ECO-SUSTAINABILITY also translates into RENEWABLE SOURCES.
With the installation of a surface area 400 m2 of square meters of solar panels, we have made our company truly GREEN.

- 310 Photovoltaic Modules
- Generated power: 165,000 kWh/year
- 66,000 kg CO^2/year

More than an investment, a true commitment to the future.
