Re: Certificate of Participation (COP) Spending Report for January through June 2021

Dear Ms. Rudock:

The following are highlights from tracking of COP spending for January through June 2021, and overall COP spending up to June 2021.

<u>Total COP funds spent are \$9,320,822.12</u>. This is 46.8 percent of the beginning funds amount plus accumulated dividends, which total \$19,930,469.98. (Table 1)

January through June 2021 COP spending was \$673,642.13. Of this total, engineering payments were \$327,451.13, and construction payments were \$346,191.00. Construction payments were for El Camino Real Improvements and the Route 101 crossing. The six-month spending reconciles exactly to the project detail and to the Bank of New York monthly statements. (Tables 1, 2, and 3)

<u>Pay-Go Spending</u>. The total amount of pay-go funds to date for the COP projects listed is \$1,128,881, essentially the same as last report. Pay-Go spending for projects not associated with 2016 COP funds are excluded from this reporting. (Table 3 and Chart)

<u>Cost Projections</u>. The total cost projection for projects initially identified as COP projects in 2016 is \$28,510,187. The Belmont Canyon project (15-29) was removed from COP funding to Pay-Go Funding.

Sincerely,

Dan Bergmann Principal
