The Political Reform Act (Government Code Section 81000, *et seq.*) requires state and local government agencies to adopt and promulgate a Conflict of Interest Code. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations Section 18730), which contains the terms of a standard Conflict of Interest Code. It can be incorporated by reference and amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it, duly adopted by the Fair Political Practices Commission, are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees of the District and establishing disclosure categories shall constitute the Conflict of Interest Code of the Mid-Peninsula Water District.

Designated officials and employees shall file statements of economic interests with the District, which shall make the statements available for public inspection and reproduction (California Government Code Section 81008). Upon receipt of the statements of all designated officials and employees, the District shall make and retain a copy and forward the originals to the County Clerk for the County of San Mateo, as the code reviewing body.
