

ADVERTISEMENT FOR PROPOSALS

**Mid-Peninsula Water District
Temporary Administrative Office
1075 Old County Road, Suite A
Belmont, CA 94002**

Sealed PROPOSALS for the **Old County Road Improvements-Phase I CIP 15-75 and Ralston Avenue Improvements CIP 15-82** whether mailed or personally delivered, must be received by the Mid-Peninsula Water District (MPWD) staff by **2:00 P.M., Thursday, May 4, 2023**, at the District's temporary administrative offices located at 1075 Old County Road, Suite A, Belmont, CA 94002. PROPOSALS will then be publicly opened and read aloud at the administrative offices.

PROPOSALS received after 2:00 P.M. will not be accepted. PROPOSALS will not be accepted if they are delivered by fax, telephone or other electronic means. Bidders dropping a PROPOSAL in the District's mail slot are advised to confirm receipt by District staff via e-mail. BIDDER can contact Kurt Wurnitsch, P.E., at (925) 224-7717 with any questions.

The project consists of two discrete water main improvement segments. The first segment includes the construction of approximately 1,155 linear feet of 8-inch PVC pipe and 25 linear feet of 12-inch PVC pipe along Old County Road between Ralston Avenue and O'Neill Avenue; and along Ralston Avenue between Old County Road and Elmer Street. The second segment includes construction of approximately 1,775 linear feet of 20-inch PVC, 45 feet of 16-inch fusible PVC pipe sliplining existing 20-inch CCP pipe under Belmont Creek, 110 linear feet of 12-inch PVC pipe, and 110 linear feet of 8-inch PVC pipe along Old County Road between Harbor Boulevard and F Street. The project includes demolition and abandonment of existing water system facilities, installation of PVC pipe, DI fittings, gate valves, butterfly valves, fire hydrants, copper water service laterals, air release valve assemblies, and reconnection of fire and domestic services to the new water main. The project is located in the City of San Carlos, City of Belmont, and unincorporated San Mateo County. The project includes work within City, County, and Caltrain right-of-way and Caltrans signal-coordinated intersections adjacent to El Camino Real.

The project is located in the County of San Mateo, California. The work will be done for the **Mid-Peninsula Water District** (i.e., referred to herein as the "Owner" or as the "District").

If a BIDDER wishes to review a set of CONTRACT DOCUMENTS at Pakpour Consulting Group, the bidder must contact Kurt Wurnitsch, P.E. at (925) 224-7717 to schedule a date and a time.

To bid the project, potential BIDDER must purchase the CONTRACT DOCUMENTS from the District. Plan houses and Bidders who purchased the CONTRACT DOCUMENTS will receive copies of the addendums and updates.

Copies of the CONTRACT DOCUMENTS may be obtained from Pakpour Consulting Group, Inc. at the above address upon payment of \$50.00 for each set. **Make checks payable to "Mid-Peninsula Water District." The payment is nonrefundable.**

A mandatory pre-bid meeting and tour is tentatively scheduled to be held on Tuesday, April 18, 2023 at 10:00 A.M. at MPWD's operations yard, located at 3 Dairy Lane, Belmont, CA 94002. Please contact Kurt Wurnitsch, P.E. at (925) 224-7717 to verify the date, time, and location and to receive further updates on this project. BIDDER must have purchased a copy of the CONTRACT DOCUMENTS and complete the mandatory pre-bid meeting to be considered eligible to bid the project. PROPOSALS submitted by parties not attending the pre-bid meeting will be rejected.

The BIDDER must possess a valid Class A Contractor's license in the State of California at the time of CONTRACT award and throughout the CONTRACT term. The Contractor must have performed and completed work on at least three (3) 8-inch or larger PVC water main installation projects with appurtenances (including but not limited to fire hydrants, domestic water services, fire water services, and air release valve assemblies), over the last five (5) years. In addition, the project foreman must verify that he/she was in charge and completed five (5) or more PVC water main installation projects in the public right-of-way.

This project includes public works as defined by California Labor Code section 1720. The successful BIDDER shall be responsible for the payment of prevailing wage rates, the training of apprentices and compliance with other related requirements. The prevailing wage rates for the Contract include the California Department of Industrial Relations' General Prevailing Wage Determinations: 2023-1. Prevailing wage rates may be viewed online at <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>.

Contractors and subcontractors must be registered with the Department of Industrial Relations (DIR) at the time of bid, or else the bid may be rejected as non-responsive. (See Labor Code sections 1725.5 and 1771.1.) Each BIDDER must submit proof of Contractor registration with DIR (e.g. a hard copy of the relevant page of the DIR's database found at: <https://efiling.dir.ca.gov/PWCR/Search>). This Contract is subject to monitoring and enforcement by the DIR pursuant to Labor Code Section 1771.4.

Pursuant to Public Contract Code Section 22300, the successful BIDDER may submit certain securities in lieu of the Owner retaining a portion of progress payments during the Project. The successful BIDDER will be required to furnish a Performance Bond and a Payment Bond, both in the amounts not less than one hundred percent (100%) of the contract price.
