MID-PENINSULA WATER DISTRICT (MPWD) ELECTS NEW BOARD PRESIDENT AND VICE PRESIDENT

Matthew P. Zucca takes the helm as president; ready for a big year in 2016

BELMONT, CA (February, 2016) – The MPWD has elected new leadership for its 2016 Board of Directors. Matthew P. Zucca, an MPWD Board member since 2006, assumes his role as president while Dave Warden, an MPWD Board member since 2013, will serve as vice president. “I am honored to serve a third term as Board President,” says Zucca after the first Board meeting of 2016. “The MPWD has come a long way as an organization while maintaining superior customer service as one of our main objectives. That will continue during 2016.”

Matthew P. Zucca and Dave Warden

With MPWD looking ahead to several, major improvements to water infrastructure in the community, Zucca acknowledges that community involvement is the foremost issue for 2016.

MPWD will also continue its dedication to water conservation during the ongoing, statewide drought through public outreach, valuable rebate programs, hosted workshops, and offering free water conservation tools to customers. Recognizing the incredible response by the community, Zucca said, “Recent water conservation efforts in 2015 by MPWD customers were outstanding! Thank you to each MPWD customer for doing their part in this important program.”

The Mid-Peninsula Water District Board meetings are held on the fourth Thursday of each month at 6:30 pm at 3 Dairy Lane, Belmont CA 94002.

MPWD's 2016 Board of Directors represented by (from left to right) Dave Warden, Vice President; Matthew P. Zucca, President; Betty L. Linvill, Director; Louis J. Vella, Director; Al Stuebing, Director.

ABOUT THE MID-PENINSULA WATER DISTRICT: The Mid-Peninsula Water District has been functioning as a public utility since 1929, proudly providing service to the communities of Belmont and portions of San Carlos, Redwood City, and unincorporated San Mateo County. The District supplies water to 28,000 consumers within approximately five square miles. It is managed by a five-member elected Board of Directors and 18 full-time employees. For more details, go to the District's website at www.MidPeninsulaWater.org.
