MID-PENINSULA WATER DISTRICT (MPWD) ELECTS NEW BOARD PRESIDENT AND VICE PRESIDENT

Al Stuebing takes the helm as president; ready for a big year in 2017

BELMONT, CA (March, 2017) – The MPWD has elected new leadership for its 2017 Board of Directors. Al Stuebing, an MPWD Board member since 2009, was elected president while Dave Warden, an MPWD Board member since 2013, will serve a second term as vice president. This is Stuebing's second time serving as Board President. In response to the challenges that lie ahead in 2017, Stuebing responded, "The MPWD continues to focus on delivering cost-effective and efficient services to its customers, including much needed capital infrastructure replacement to ensure its operational commitment."

Al Stuebing and Dave Warden

Community engagement has been essential in meeting the MPWD goals and it will remain a priority in 2017.

MPWD will also continue its dedication to water conservation during the ongoing, statewide drought through public outreach, valuable rebate programs, hosted workshops, and offering free water conservation tools to customers. MPWD customers have been outstanding in their response to water conservation efforts!

Thank you to each MPWD customer for doing their part in this important program.

The Mid-Peninsula Water District Board meetings are held on the fourth Thursday of each month at 6:30 pm at 3 Dairy Lane, Belmont, CA 94002.

MPWD's 2017 Board of Directors represented by (from left to right) Dave Warden, Vice President; Matthew P. Zucca, Director; Betty L. Linvill, Director; Louis J. Vella, Director; Al Stuebing, President.

ABOUT THE MID-PENINSULA WATER DISTRICT: The Mid-Peninsula Water District has been functioning as a public utility since 1929, proudly providing service to the communities of Belmont and portions of San Carlos, Redwood City, and unincorporated San Mateo County. The District supplies water to 28,000 consumers within approximately five square miles. It is managed by a five-member elected Board of Directors and 18 full-time employees. For more details, go to the District's website at www.MidPeninsulaWater.org.
