

RESOLUTION NO. 2025-26

**AUTHORIZING KEY FIELD STAFF TO TAKE HOME DISTRICT VEHICLES FOR THE
PURPOSE OF IMPROVING EMERGENCY RESPONSE TIME**

* * *

MID-PENINSULA WATER DISTRICT

WHEREAS, the Mid-Peninsula Water District (District) is committed to providing safe, reliable, and efficient water service to its customers at all times; and

WHEREAS, the District recognizes the critical role of its Key Field Staff in responding to emergency situations that may arise outside of regular working hours, including but not limited to main breaks, service line failures, or other urgent operations issues; and

WHEREAS, allowing Key Field Staff to take home District vehicles will significantly reduce response times to emergencies and enable faster mobilization of necessary equipment and tools; and

WHEREAS, it is intended that staff are not required to take home a District vehicle, and should do so based on their own judgement of their personal parking situation; and

WHEREAS, the Board of Directors finds that this practice will enhance public safety, protect District infrastructure, and support uninterrupted water service to the community.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Mid-Peninsula Water District that staff in the positions of Lead Operator, Operations Supervisor, On-Call Operator Staff and Superintendent are hereby authorized to take home District vehicles overnight, solely for the purpose of ensuring timely and effective emergency response.

REGULARLY PASSED AND ADOPTED this 25th day of September 2025 by the following vote:

AYES: 5

NOES: 0

ABSTENTIONS: 0

ABSENCES: 0

ATTEST: 0
