February 15, 2019

California Fairs are all about showcasing the local community and its talents. Nowhere else can you participate in an event that builds community pride while providing an interactive and educational experience. Our facilities are central to our agricultural and multi-cultural communities.

However, California's fairgrounds mean so much more to their communities than just a celebratory week or two. They are key pieces in our work to create a California for all; rich with tradition for families in urban and rural communities.

Through fairs and our fairgrounds, our communities and local talent have an opportunity to put their best foot forward. The annual fair provides a venue for all cultures to come together to showcase one-of-a-kind exhibits, exchange ideas, share new creations, and learn more about the bounty of California agriculture.

Fairs provide an opportunity to show-and-tell the story of farming, livestock, and community diversity to an audience that may not often think about what agriculture means beyond the pristine produce available at the local supermarket. In the best of years, we would close each fair with a sense of satisfaction and optimism as we look forward to future exhibits and events. We also remember the essential role that fairground staff, volunteers, farmers and ranchers, and emergency response personnel have played in recent rescue and recovery activities.

Thank you for the role you play in creating a community event that is full of fun, memorable, and educational moments, all the while providing a safe haven for those affected by fires and natural disasters.

Yours truly,

Karen Ross Secretary

PREFACE

1. The purposes of these rules are to:

 2. Provide state-wide competition consistency; and
 3. Maximize exhibitor and public safety.
2. These rules apply to all competitive exhibits conducted by district, citrus and county fairs in the State of California.
3. These rules cannot be waived or amended by anyone, including the fair board, management or judge.
4. The Fairs & Expositions Branch (F&E) is the final and absolute interpreter of these rules. Only a fair may request, in writing a variance on their own behalf or on behalf of an exhibitor to a specific rule. This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair.
5. Fair Management and/or Board of Directors may grant variances to ownership rule in the instance of deceased animals, submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors.
6. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, correctness or reliability of any advice, opinion, statement or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail or at www.cdfa.ca.gov/fe.
7. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules.
8. If a local rule is not printed in the exhibitor handbook the applicable State Rule will apply.
9. Competition at the California State Fair is not governed by State Rules for California Fairs.

Any youth who is exhibiting more than one (1) specie of livestock and wins first place in the earliest advanced showmanship class entered will be eligible to compete in the other showmanship class with the other species of livestock. If they win first place in a second specie of livestock, he or she will be allowed to choose which specie they will represent in Round Robin. For example, if an exhibitor wins sheep showmanship and then later wins beef showmanship, he or she can represent either sheep or beef in round robin and the second place exhibitor of the specie not selected will compete in round robin.

If a junior showman wins both junior and senior showmanship, he or she will have the choice of determining which round robin class they choose to compete.
