CALIFORNIA DEPARTMENT OF  
FOOD & AGRICULTURE

Karen Ross, Secretary

February 15, 2019

California Fairs are all about showcasing the local community and its talents. Nowhere else can you participate in an event that builds community pride while providing an interactive and educational experience. Our facilities are central to our agricultural and multi-cultural communities.

However, California's fairgrounds mean so much more to their communities than just a celebratory week or two. They are key pieces in our work to create a California for all; rich with tradition for families in urban and rural communities.

Through fairs and our fairgrounds, our communities and local talent have an opportunity to put their best foot forward. The annual fair provides a venue for all cultures to come together to showcase one-of-a-kind exhibits, exchange ideas, share new creations, and learn more about the bounty of California agriculture.

Fairs provide an opportunity to show-and-tell the story of farming, livestock, and community diversity to an audience that may not often think about what agriculture means beyond the pristine produce available at the local supermarket. In the best of years, we would close each fair with a sense of satisfaction and optimism as we look forward to future exhibits and events. We also remember the essential role that fairground staff, volunteers, farmers and ranchers, and emergency response personnel have played in recent rescue and recovery activities.

Thank you for the role you play in creating a community event that is full of fun, memorable, and educational moments, all the while providing a safe haven for those affected by fires and natural disasters.

Yours truly,

Karen Ross  
Secretary

"Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse.

a. Any return of entries under this rule must be done on a non-discriminatory basis.

21. Horse show management shall assign a number to each horse. The exhibitor must wear the number when showing the horse.

Distribution of non-money awards shall be determined by management.

All entries must be entered on-line by Tuesday, July 9.

Due to the perishable nature of the entries in this Department, the Agriculture - Produce Divisions will be incorporated into two shows, thus allowing the exhibits to remain fresh throughout the course of the Fair. All entries in the Agriculture Horticulture Department must be locally grown by the exhibitor and must be of the current season's crop. This department is limited to residents of San Luis Obispo County, the Santa Maria High School District in Santa Barbara County, and the King City High School District in Monterey County.

Variety of products must be correctly labeled. The quality desired in agricultural and horticultural product exhibits is the quality that brings the best financial return in the commercial market. Exhibits must have reached that stage of ripeness which will insure the completion of the ripening process to a degree that will insure palatability after the removal of the product from the tree, plant or vine (Section 42513, Food and Agricultural Code) in order to be considered for premium awards.

All perishable items will be disposed of following the Fair in the interest of public health and safety. Non-perishable items may be picked up on Monday, July 29 and Tuesday, July 30. Items not claimed will be disposed of properly.

Fair Management reserves the right to combine classes in divisions with less than five (5) entries and three (3) exhibitors, as well as, create classes from an Any Other Variety Class when a specific varieties' entries are in excess of three (3). These changes will be noted, and adjustments will be made for the following year. These procedures are intended to maintain industry standards and accommodate changing trends and varieties.
