CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

February 15, 2019

California Fairs are all about showcasing the local community and its talents. Nowhere else can you participate in an event that builds community pride while providing an interactive and educational experience. Our facilities are central to our agricultural and multi-cultural communities.

However, California's fairgrounds mean so much more to their communities than just a celebratory week or two. They are key pieces in our work to create a California for all; rich with tradition for families in urban and rural communities.

Through fairs and our fairgrounds, our communities and local talent have an opportunity to put their best foot forward. The annual fair provides a venue for all cultures to come together to showcase one-of-a-kind exhibits, exchange ideas, share new creations, and learn more about the bounty of California agriculture.

Fairs provide an opportunity to show-and-tell the story of farming, livestock, and community diversity to an audience that may not often think about what agriculture means beyond the pristine produce available at the local supermarket. In the best of years, we would close each fair with a sense of satisfaction and optimism as we look forward to future exhibits and events. We also remember the essential role that fairground staff, volunteers, farmers and ranchers, and emergency response personnel have played in recent rescue and recovery activities.

Thank you for the role you play in creating a community event that is full of fun, memorable, and educational moments, all the while providing a safe haven for those affected by fires and natural disasters.

Yours truly,

Karen Ross
Secretary

Rules For Horse Show Management

At USA Equestrian (formerly AHSA) and/or breed association approved horse shows, association rules shall apply. At non-USA Equestrian (formerly AHSA) approved horse shows, USA Equestrian rules will be used as a guideline unless otherwise specified in State or Local Rules.

Rules for Exhibitors

1. The age of an exhibitor on January 1 shall be maintained through the calendar year. Amateur Definition: a person who does not give riding lessons and/or ride, train, or show horses for money or assist the spouse or immediate family in this activity. This includes a person under the age of 18 years.

a. The management reserves the right to question anyone's amateur standing if the question of status has been presented with reasonable cause. The decision of the horse show management shall be final.

b. At USA Equestrian (formerly AHSA) approved and breed association approved horse shows, their definition of amateur applies.

2. Exhibitors shall provide the following on the entry form for each entry if registered: (a) owner's name; (b) breed; (c) name of animal; (d) sex; and (e) year of birth. In breed classes where registration papers are required, the owner's name as listed on the registration papers must be the same as on the entry form. Registration numbers of animals and their sires and dams will be required as per breed association.

3. Upon approval by the Board of Directors, post entries can be accepted at double the entry fee unless a different penalty fee is printed in the exhibitor handbook.

4. Substitutions can only be made within a division. Substitutions must be made when the entry arrives at the fairgrounds. For horse shows, a substitution is considered the horse, not each class in which it is entered. A \$5.00 penalty per horse must be paid prior to judging for each substitution made by the exhibitor.

5. All riders, drivers, and attendants shall be neatly and suitably dressed on entering the show ring. Horse show manager shall have final decision.

Junior Horse Show Exhibitors in 4-H, FFA and Grange classes, including Independent exhibitors in those classes.

6. Junior Department rules (VII) also apply.

7. Exhibitors must wear properly strapped headgear in mounted or horse-drawn vehicle competition. Headgear must be approved by American Society for Testing and Materials/Safety Equipment Institute.

8. Junior exhibitors are expected to groom and care for their animal(s) when at the fair. They shall refrain from accepting active assistance from adults and non-exhibiting youth unless the junior

exhibitor is actively engaged, and the assistance is only for instruction. Local fair rules will determine enforcement.

9. Ownership or Lease: Any horse exhibited in the junior or youth division must be owned or leased by the junior exhibitor showing the horse or owned by the junior exhibitor's parent, stepparent, sibling, half-sibling, step-sibling, grandparent, step grandparent, sibling's spouse, half sibling's spouse, step-sibling's spouse or legal guardian (as evidenced by court documents), or owned by the institution in which the junior exhibitor is enrolled as a ward. Separate legal entities, such as family corporations, trusts, or partnerships, are also authorized owners of the youth exhibitor's horse so long as all legal and equitable owners and beneficiaries of the legal entity are individuals specifically authorized by this rule. "Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse.

10. Horse projects must be owned or leased by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown 120 consecutive days prior to the opening day of fair or event/show if held separate from fair. The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair or event.

a. Leased horses cannot be shown for conformation in the halter division.

b. For owned horses, proof of ownership must be available at check in.

c. For leased horses, the lease, signed by the owner and the 4-H, FFA, Grange or Independent exhibitor, and a clear picture of a side view of the horse or some permanent identification must be filed at least 120 consecutive days prior to opening day of the fair or event/show if held separately from the fair at the county 4-H, FFA, or Grange office or with a person designated by the 4-H Youth Advisor, FFA Advisor or Grange Youth Advisor.

11. Horses owned as a joint project may only be shown by one designated exhibitor at an individual show.

All Junior Horse Show Exhibitors

12. Fair Management will not offer Lead Line classes in fair sponsored Youth Horse Shows. Lead Line classes may be offered in Open Horse Shows or according to the provisions specified in Rule 11 - a, Special Divisions, ADDITIONAL DEPARTMENTAL RULES, Section VII. Junior Department, page 10.

13. Junior horse exhibitors may be allowed to enter the Senior Department horse show unless Local Rules prohibit. Participation Rules

14. Ponies entered in classes in which horses are eligible to compete cannot be shown in pony classes at the same show. Fair Management can restrict ponies from entering certain classes by stating so wherever applicable in the exhibitor handbook.

15. Donkeys and mules cannot be shown in "all other breed" halter classes.

16. Eliminations, if deemed necessary by the management, may be held in classes with large entries. The exhibitor shall be expected to ascertain whether eliminations will be held.

Management

17. No show or contest official or his/her spouse shall enter or exhibit horses in any show or contest at which he/she is officiating, nor may any horse owned by such person be entered or exhibited. A show contest official shall be defined as any person performing the duties of a show manager, judge steward, show secretary, cutter or chariot race official, or any other horse contest. Duties include but are not limited to:

a. Contacting or hiring of judges; and

b. Acceptance of entries or entry fees.

18. Minor children of Directors, Chief Executive Officer (CEO), Department Supervisor, Show Manager, staff and/or committee members may exhibit horses which are the result of the child's

own earnings or a gift made to the child, provided the requirements of the pertinent rules are met. All other requirements for exhibiting must be met.

19. Animals owned jointly by a director and his/her minor child or a CEO and his/her minor child are considered as owned by the child in junior division classes only.

20. Show Manager reserves the right to return entries, transfer entries or combine divisions or classes, and/or cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.

a. Any return of entries under this rule must be done on a non-discriminatory basis.

b. The horse show management must divide classes of 50 or more. Separate prize money and ribbons shall be provided for each class.

21. Horse show management shall assign a number to each horse. The exhibitor must wear the number when showing the horse.

22. Photocopies of registration certificates for horse shows may be permitted for the purpose of submitting entries. However, if the fair receives any complaint or challenge concerning the registration of any animal, the fair may request an original registration certificate and may disqualify the entry if it cannot be produced.

Awards

23. Fair Management may withhold the payment of awards for exhibits which are in question under State and Local Rules and may recover awards that have been paid for exhibits in question.

24. For ties other than first place in a jumper or other individually worked competition, the prize money is split. Ties for first follow the jump off rules of the specific Table and Section for that jumper class. If there is still a tie, prize money is split between the winners (i.e. first and second place money is pooled and split evenly between the two riders). Distribution of non-money awards shall be determined by management.

Judges

25. The judge may judge for conformation before entering the show ring.

26. In halter horse classes, judges shall be expected to give reasons for their decisions, embracing the value and desirable qualifications of the animals for which premiums are awarded, whenever possible and reasonable.

27. Judges shall not discriminate against exhibitors wearing protective headgear.

EQUINE HEALTH RULES

1. All animals must be serviceably sound. The soundness of animals when determined by the official veterinarian or by the judge shall be final and cannot be protested. The horse show management may request the official veterinarian to examine any animal in competition. All penalties of the Horse Protection Act of 1970 shall be strictly enforced.

2. Exhibitors who refuse to allow their animal to be examined shall be disqualified from showing and such violation shall be reported to F&E. No refund can be made in these cases.

Equine Health Regulations

Direct specific questions to CDFA, Animal Health and Food Safety Services, 1220 N Street, Sacramento, California 95814 -- (916) 900-5052.

1. Equines known to be EIA positive reactors are forbidden to enter, reside, compete, or sell at any state supported fairgrounds.

2. Equine Medication Monitoring Program (CA Food & Ag Code 24000-24018)

Horses are subject to random drug and medication testing specified in the Food and Agricultural Code Sections 24000-24018. The applicable fee is \$5.00 per horse per event. The following events are exempt from the Equine Medication Monitoring Program:

- A rodeo – related competition, which is strictly a timed performance with no subjective judging, held apart from a public event.
- A sale of solely racehorses,
- Competitions under the jurisdiction of the California Horse Racing Board.
- A public equine vent for which the class or event entry fee is less than \$4.99 per class and other fees do not exceed \$19.99 (Other fees include but are not limited to, grounds fees, stall fees or office fees.)
- A public equine event in which all fees for participation are less than \$19.99 (Fees include but are not limited to class fees, grounds fees, stall fees or office fees.)
- b. The California Equine Medication Rule permits therapeutic drugs or medications prescribed by a licensed veterinarian for the treatment of a veterinary diagnosed illness or injury. All drugs or medications must be used in accordance with the California Equine Medication Rules. Prohibited substances include most stimulants, depressants, tranquilizers, anesthetics including local anesthetics, sedative analgesics, corticosteroids excluding dexamethasone, anabolic steroids, soring agents, and masking agents. Nine permissible medications (dexamethasone, diclofenic acid, firocoxib, flunixin, ketoprofen, meclofenamic acid, methocarbamol, naproxen, and phenylbutazone) are restricted to therapeutic usage as prescribed or administered by a licensed veterinarian, and test-sample levels detected must be in compliance with plasma or urine levels associated with limited dosing*. Additionally, the detection of more than one Non-steroidal anti-inflammatory drug in either a blood or urine sample is a violation of California rules. Maintaining a current listing of specific prohibited substances is impossible due to the continual introduction of new pharmaceuticals, discontinuation of old ones, off labeled prescription of human products, and utilization of foreign products. Additionally, some exemptions exist.

*Specific information is contained in the "EMMP Medication Guidelines Brochure" found at http://www.cdfa.ca.gov/ahfss/Animal_Health/emmp/ or may be requested from CDFA/EMMP at 916-900-5045.

c. Horses must be withdrawn from competition for at least 24 hours after administration of a prohibited substance. A drug declaration form must be filed with an event manager for administration of any prohibited substance three (3) days before the event, to any horse entered in the event. Penalties for violations of the medication rules include fines, suspension, and forfeiture of all winnings.

3. Horse Protection Act

Exhibitors must comply with the Horse Protection Act of 1970 (P.L. 91-540) and rules adopted by the U.S. Secretary of Agriculture to carry out its provisions.

Equine Entries from Other States

1. All equine require a valid Interstate Certificate of Veterinary Inspection (ICVI), issued within 30 days before entry and evidence of a negative Equine Infectious Anemia (EIA) test performed at a USDA approved laboratory within twelve (12) months before the date of entry. An EIA test "pending" result does not meet the entry requirement. The ICVI must accurately represent the official animal identification of each horse in the shipment. The requirements apply to horses, ponies, mules, donkeys, burros and zebras.

DEPARTMENT RULES

All entries must be entered on-line by Tuesday, July 9.

Due to the perishable nature of the entries in this Department, the Agriculture - Produce Divisions will be incorporated into two shows, thus allowing the exhibits to remain fresh throughout the course of the Fair. All entries in the Agriculture Horticulture Department must be locally grown by the exhibitor and must be of the current season's crop. This department is limited to residents of San Luis Obispo County, the Santa Maria High School District in Santa Barbara County, and the King City High School District in Monterey County.

Variety of products must be correctly labeled. The quality desired in agricultural and horticultural product exhibits is the quality that brings the best financial return in the commercial market. Exhibits must have reached that stage of ripeness which will insure the completion of the ripening process to a degree that will insure palatability after the removal of the product from the tree, plant or vine (Section 42513, Food and Agricultural Code) in order to be considered for premium awards.

All perishable items will be disposed of following the Fair in the interest of public health and safety. Non-perishable items may be picked up on Monday, July 29 and Tuesday, July 30. Items not claimed will be disposed of properly.

Fair Management reserves the right to combine classes in divisions with less than five (5) entries and three (3) exhibitors, as well as, create classes from an Any Other Variety Class when a specific varieties' entries are in excess of three (3). These changes will be noted, and adjustments will be made for the following year. These procedures are intended to maintain industry standards and accommodate changing trends and varieties.

YOUTH AGRICULTURE HORTICULTURE

Open to exhibitors who are four (4) years old through eighteen (18) years old and are residents of San Luis Obispo County, the Santa Maria High School District in Santa Barbara County, the King City High School District in Monterey County.

Each entry in these divisions shall have been made or produced by the exhibitor. Entries shall be made online <http://cmsfy.fairmanager.com>. The age of the exhibitor as of July 16, 2019, and grade level as of September 2019 must appear on the registration.

Exhibitors who enrolled in any junior organization. (4-H/FFA) for which classes are offered elsewhere, are not eligible to enter articles in this department that are eligible to be exhibited as part of their junior organization project. State and Local rules apply to all entries. Score cards in corresponding Adult and Youth Departments shall be used unless otherwise provided in these divisions.

Reasonable precaution will be taken in protection of exhibits. The 16th District Agricultural Association (California Mid-State Fair) will not be responsible for loss or damage, whatsoever the cause. The exhibitor must arrange for insurance if it is desired. Furthermore, the California Mid-State Fair will not be responsible for accidents or loss that may occur to any of the exhibitors or exhibits at the show and the exhibitors shall hold the fair management harmless and indemnify it against any legal proceedings arising from such accident or loss. Presentation of entry form shall be deemed acceptance of this rule. All entries will remain on display for the duration of the Fair.
