The California Mid-State Fair Entertainment announcements are made once final approval has been received by the Entertainer's Management on the following: the date of the show, the on-sale date, the show pricing, availability via the website, call center and at the Fair office.

Methods to Purchase Tickets

IT IS THE PATRON'S RESPONSIBILITY TO REVIEW, UPDATE AND VERIFY ALL ACCOUNT INFORMATION INCLUDING BUT NOT LIMITED TO MAILING AND/OR EMAIL ADDRESSES PRIOR TO PURCHASING TICKETS.

-INTERNET The quickest and most convenient way to purchase tickets is the internet at www.midstatefair.com. Tickets may be purchased via the internet using Visa, MasterCard or American Express. **There is a seven (7) minute time limit for placing internet orders.** In order to expedite your order, you need to have the following ready to process: 1) your Visa, MasterCard or American Express number with a valid expiration date and CVV number or CMSF Gift Card; 2) your correct credit card billing address; 3) your account I.D. and password. DO NOT hit the "BACK" Key on the browser or you will return to the main page, lose all your tickets in queue and you will have to begin again. DO NOT open multiple browsers on your computer or you may jeopardize the seating location you have on the original buying page. Your credit card WILL BE charged at the time of purchase. **The sale is considered FINAL once credit card approval has been received and the sale is complete - PLEASE REVIEW YOUR ORDER CAREFULLY PRIOR TO COMPLETING YOUR TRANSACTION AS ALL SALES ARE FINAL!! THERE ARE NO REFUNDS OR EXCHANGES.** You will receive your ticket confirmation page via your e-mail - print this for your records. There are no refunds or exchanges on lost, stolen, disputed or destroyed tickets.

IMPORTANT NOTICE: *In some cases, an authorization will be placed on a customer's debit card multiple times in an attempt to complete the transaction creating several holds on the USER'S debit account. This often happens when the credit card processing company requires additional verification such as a CVV, Zip Code, address or when the USER'S information is incorrectly provided or mistyped initially, or the USER'S debit card information does not match the information that was entered in the customer's ticket account. These pending holds may temporarily lower the available balance in the USER'S debit account and may take up to several days to clear. It is the USER'S responsibility to contact their financial institution with any questions*

After receiving the corrected information, we will make the necessary changes and re-mail your tickets to you.

If you select to have your tickets sent Priority Mail Delivery, USPS Priority Delivery is offered for locations within the CONTINENTAL UNITED STATES ONLY.
