PREFACE

1. The purposes of these rules are to:

- Ensure educational and equitable competition;
- Provide state-wide competition consistency; and
- Maximize exhibitor and public safety.

These rules apply to all competitive exhibits conducted by District Agricultural Associations, citrus fruit fairs and county fairs in the State of California.

These rules cannot be waived or amended by anyone, including the fair board, management, or judge.

The Fairs & Expositions Branch (F&E) is the final and absolute interpreter of these rules. Only a fair may request, in writing a variance on their own behalf or on behalf of an exhibitor to a specific rule. This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair. Fair Management and/or Board of Directors may grant variances to ownership rule in the instance of deceased animals, submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, correctness or reliability of any advice, opinion, statement, or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail or at www.cdffa.ca.gov/fairsandexpositions. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules. If a local rule is not printed in the exhibitor handbook the applicable State Rule will apply. Competition at the California State Fair is not governed by State Rules for California Fairs.

Any exhibit not properly entered may be transferred to its proper class by Fair Management, whose decision may be changed only by the judge.

2. The Fair Management has the right to limit entries to facilities available and/or cancel any division or class in which there are not enough entries. Any return of entries or fees under this rule will be done on a nondiscriminatory basis. The decision of Fair Management under this rule is only appealable to the Chief Executive Officer (CEO), whose decision is final.

3. Fair Management may combine classes of 4 or less entries for meaningful competition.

4. Exhibitors may not submit the same entries to two or more fairs that require them to be on exhibit at the same time unless prior written approval has been obtained from both fairs. A copy of this approval must be submitted with entry forms.

Participation

1. In order to participate in a youth livestock program (excluding horse, cavies & dogs) at any California Fair, all exhibitors 9 years of age and older must obtain annual certification in the Youth for the Quality Care of Animals (YQCA) program or a comparable fair run program approved by the California Department of Food and Agriculture, Fairs and Expositions Branch. Those not certified are not eligible to participate at a California Fair.

2. The Fair Management shall deny entry or disqualify and remove any exhibit or exhibitor that is ineligible for competition under State and Local Rules or endangers the public or has violated State and Local Rules. The fair may require removal of the exhibitor and/or exhibit (including animals) from the fairgrounds.

3. Exhibitors, leaders, advisors, and parents found, after a chance to provide evidence and be heard before the Fair Management (CEO and staff) of unethical practices as set forth in the State and Local Rules or in actions inimical with the fair program shall result in the exhibit being disqualified and the forfeiture of any awards and/or privileges as may be deemed appropriate to the circumstances by the Fair Management. If the judging for the exhibit has not yet commenced the exhibitor, leaders, advisors, and parents may be denied entry in any exhibitions at the fair. The Fair Management shall report any such incidences of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any fair to refuse entries from the exhibitor, leaders, advisors, or parents for up to 5 years following the infraction.

4. Exhibits must be on exhibit as specified in the exhibitor handbook. Fair Management may allow late exhibit delivery or early removal of exhibits when it is in the best interest of the fair. Exhibits will not be removed from the fairgrounds before the release date printed in the exhibitor handbook except as determined by Fair Management in cases of sickness, accident, death, disciplinary actions requested by a youth program supervisor, or other circumstances which are in the best interests of the fair.

5. The exhibitor agrees to defend, indemnify, and hold harmless

the fair, the county, and the State of California from and against any liability, claim, loss, or expense (including reasonable attorneys' fees) arising out of any injury or damage which is caused by, arises from or is in any way connected with participation in the program or event, excepting only that caused by the sole active negligence of the Fair. The Fair Management shall not be responsible for accidents or losses that may occur to any of the exhibitors or exhibits at the fair. The exhibitor (or parent or guardian of a minor) is responsible for any injury or damage resulting from the exhibitor's participation in the program or event. This includes any injury to others or to the exhibitor or to the exhibitor's property.

6. Exhibitors, leaders, and advisors must be in good standing with the local and state organization(s) (4-H, Grange, FFA) to be eligible to exhibit at the fair.

Conflict of Interest Avoidance

1. Directors, Fair Management, Chief Executive Officer (CEO), and/or their spouses are not eligible to exhibit at their own district, county, or citrus fair except in timed events. Under no circumstances shall a director, fair management, CEO and/or their spouse be eligible to collect awards.

2. Department heads, judges, staff, anyone directly involved in the judging process, and their spouses are not allowed to exhibit or sign entry forms in any division in which they or their spouse are directly involved.

3. Minor children of Directors, Chief Executive Officer (CEO), Department Supervisors, staff and/or committee members may exhibit animals or articles which are the result of the child's own earnings or a gift made to the child, provided the requirements of pertinent rules are met. All other requirements for exhibiting must be met.

III. JUDGING

1. Judges should avoid any appearance of partiality and avoid unnecessary fraternization with exhibitors.

2. No person shall act as a judge in any division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, in charge of a group of exhibitors, or a member of a group of exhibitors.

3. No person shall be allowed, under any circumstances, to interfere with the judge(s) regarding their adjudications, or with the fair's staff, or to offer any audible criticism of an exhibit or exhibitor. Violators of this rule shall be excused immediately from the competition and shall be subject to such additional penalties, including cancellations of awards, as the management shall consider proper.

4. The judge has the authority to:

a. Disqualify or transfer to the correct class any exhibit that does not meet the requirements of the division or class in which it is entered;

b. Disqualify any exhibit not properly cleaned or fitted;

c. Disqualify any exhibit that is in his/her opinion hazardous to public safety;

d. Examine the animals before entering the show ring; and/or

e. Refuse to make award to any animal that shows visible evidence of disease, deformity, or lameness. No award will be made to exhibits eliminated under any of the above instances.

5. The judge may not waive State Rules.

6. The judge's decision is final. Fair Management may not request any changes in judges' rulings.

7. To encourage high standards, the judge shall award first, second, third place, etc. according to merit. If without merit, the judge shall make no award under any circumstances. The judge may award championships or other awards at his/her discretion for superior exhibits. This applies whether there are one or more exhibits in class.

IV. AWARDS AND SCORING

1. Fair Management is not responsible for errors on entry forms. No exhibitor shall be entitled to an award that has been disallowed as the result of his/her own error.

2. All divisions or classes will be judged under the American

system and/or Danish system as stated in the fair's exhibitor handbook.

3. State "Judging Standards" are to be used where applicable. Local judging standards may be used if published in the exhibitor handbook.

4. Cash awards will be paid only as recorded on the signed Judging Sheet or judging affidavit and only to the exhibitor.

5. Fair Management shall withhold the payment of awards for exhibits that are determined ineligible under State and Local Rules and may recover awards that have been paid for ineligible exhibits.

6. No exhibitor shall receive more than two cash awards in any one class using American judging system. (See definition of exhibitor.)

a. When an exhibitor earns more than two awards in a class, the exhibitor will receive the two highest cash awards, and the lesser cash awards will be moved down the placings to other exhibitors; ribbons will be awarded as placed.

b. Any difference in payment limits under the Danish system of judging shall be printed in the exhibitor handbook.

c. When the fair combines classes, an exhibitor is entitled to two cash awards per each class that was combined. Judges should determine special awards as printed before combining.

7. Sweepstakes shall be awarded as specified in the exhibitor handbook based upon these scoring guidelines:

a. First award -5 points; Second award -3 points; Third award -1 point.

b. Sweepstakes shall be awarded only when at least three separate exhibitors have achieved at least a combined point total of 30.

c. To receive sweepstakes awards, an exhibitor must have a minimum of ten points.

d. Sweepstakes points will be credited only to the exhibitor whose name appears on the entry form.

e. There are separate sweepstakes or high point rules for horse shows, which may be determined by the fair.

7. Prior to judging the affected class, fairs may announce that an entry has been protested.

8. All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.

A fair or state, national or international organization or subdivision thereof which has a significant stake in the interpretation of rules affecting the network of California fairs may make an appeal directly to F&E concerning multiple-fair issues, industry-wide issues, unavoidable conflict of interest or assistance in enforcing its own organization rules.

b. Clearly states which rule has been violated;

c. States when the protestor first became aware of the facts and rule violation;

g. Describes or attaches any documents relating to the protest, which must include the written decision issued by the local arbitrating body.

13. Fairs & Expositions Branch (F&E) must receive the appeal in writing within 24 hours from receipt of notice of local decision.

14. A hearing may be conducted at the discretion of F&E. The F&E Branch Chief may consult with and/or request that members of State Rules Advisory Committee participate in any hearing.

If testing is required, the sample must be run individually and cannot be pooled.

2. It is unlawful to remove official identification eartags. Requests to remove an official identification eartag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the eartag. The request must include a photo of the eartag, the reason the eartag must be removed, and all other official eartags on the animal.

3. Fairs will not accept:

a. Animals from scrapie-infected flocks, scrapie source flocks, or scrapie "non-compliant" flocks

b. Animals that are scrapie-positive, scrapie suspects or scrapie exposed unless they have been evaluated and approved for exhibition by the state scrapie epidemiologist.

4. Fairs will keep records of the consignor, buyer, and animal

identification for five (5) years when animals change ownership in a public sale at the fair.

5. Fairs will try to accommodate Scrapie Flock Certification Program members with separate space if practical. Breeding animals should be housed in separate enclosures or locations from animals that are not in the certification program, if practical.

6. Sheep or goats within 30 days pre-or post-parturition, or with vaginal discharge, shall if practical, be kept separate from animals from different flocks and in an area that can be properly cleaned and disinfected.

Sheep and Goat Entries from Other States

1. All exhibition sheep and goats entering California require individual official identification, an Interstate Livestock Entry Permit issued within 15 days prior to entry, and an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state with the following scrapie statement "The animals are not scrapie positive or suspect or from a scrapie non-compliant flock". Official identification must be listed on the ICVI.

2. Acceptable methods of official identification of sheep and goats include:

a. Official USDA individual identification eartags

Animal Identification Number (AIN) eartags (15 digits long, must begin with 840, usually Radio Frequency Identification Devices [RFID])

Scrapie eartags: either flock identification eartags (flock identification number with individual animal number) or serial eartags (alphanumeric combination for individual animal).

b. Legible breed registration tattoos in the ears (or tail-web of earless goats) if accompanied by breed association registration papers. Breed associations that are approved by USDA to serve as official identification can be found at USDA's scrapie program website,

https://www.aphis.usda.gov/aphis/ourfocus/animalhealth/sa_animal_disease_information/sheep-goat/registry-tattoos-as-official-id.

c. Electronic implants (microchips) when accompanied by registration papers and microchip scanner. Microchips must be ISO 11784/11785 compliant, contain 15 digits, and begin with 840. Since 2019, microchipped sheep and goats must be tattooed with a legible "E" if the implant is at the base of the ear or an "ET" if the implant is in the tail fold; the tattoo must be at least 0.3 inches high in the ear, or in the case of earless animals, the tail fold.

3. It is unlawful to remove official identification eartags. Requests to remove an official identification eartag must be submitted to CDFA, AHFSS in writing at least 72 hours prior to the need to remove the eartag. The request must include a photo of the eartag, the reason the eartag must be removed, and all other official eartags on the animal.

4. Rams six (6) months of age and over imported into California require a negative *Brucella ovis* test within 60 days before entry OR must originate from a *Brucella ovis* certified free flock. The ICVI must include the animal's official identification number, test results, name of the approved laboratory, date of the test, and the "Brucella ovis free flock number", if present.

SWINE

Swine Entries from Other States

1. All exhibition swine entering California require individual official identification (ID), an Interstate Livestock Entry Permit issued within 15 days prior to entry, and an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state. 4. No testing, including brucellosis and pseudorabies, is currently required.

EQUINE

Equine Entries from Other States

All exhibition equine entering California require individual official identification, an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state, and evidence of a negative Equine Infectious Anemia (EIA) test performed at a USDA-approved laboratory within 12 months before the date of entry. A pending EIA test result does not satisfy the entry requirement. The requirements apply to horses, ponies, mules, donkeys, burros, and zebras.

2. Instead of an ICVI, equine may be moved on an Extended Equine CVI (EECVI) Movement Permit, also known as an equine passport.

3. Acceptable methods for official identification of equine include:

3. Acceptable methods of official identification of poultry include:

a. Identification devices or methods approved for use in the NPIP, such as sealed and number leg bands or wing bands.

RABBIT AND CAVY

Rabbit and Cavy Entries from Other States

1. All rabbits and cavy are recommended to have an Interstate Certificate of Veterinary Inspection (ICVI). An ICVI is required if coming from a state affected by Rabbit Hemorrhagic Disease (RHD). Animals must be inspected by an accredited veterinarian within 72 hours prior to shipping to California. The following statements, listed on California's regional quarantine, must be included on the ICVI:

All rabbits and hares in the shipment have been examined for and found free of communicable diseases, and

All rabbits and hares have originated from a single premise that has no signs of a communicable disease, and

There have been no movements of rabbit and hares onto the premises over the past 30 days, and

The animals have had no contact with wild rabbits or hares in the

past 30 days.

2. Persons who intend to bring their animals back to the origin state after the show should check with their state's department of agriculture to make sure the animals will be allowed to return to origin state.

XI. HORSE SHOW DEPARTMENT

State Rules in Sections I-X also apply where there is no conflict.

Rules for Horse Show Management. At US Equestrian and/or breed association approved horse shows, association rules shall apply. At non-US Equestrian approved horse shows, US Equestrian

rules will be used as a guideline unless otherwise specified in State or Local Rules. **(See additional rules under Management) Exhibitors**

1. The age of an exhibitor on **January 1** shall be maintained through the calendar year.

Amateur Definition: a person who does not give riding lessons and/or ride, train, or show horses for money or assist the spouse or immediate family in this activity. This includes a person under the age of 18 years.

a. The management reserves the right to question anyone's amateur standing if the question of status has been presented with reasonable cause. The decision of the horse show management shall be final.

b. At US Equestrian approved and breed association approved horse shows, their definition of amateur applies.

2. Exhibitors shall provide the following on the entry form for each entry if registered: (a) owner's name; (b) breed; (c) name of animal; (d) sex; and (e) year of birth. In breed classes where registration papers are required, the owner's name as listed on the registration papers must be the same as on the entry form. Registration numbers of animals and their sires and dams will be required as per breed association.

3. Upon approval by the Board of Directors, post entries can be accepted at double the entry fee unless a different penalty fee is printed in the exhibitor handbook.

4. Substitutions can only be made within a division. Substitutions must be made when the entry arrives at the fairgrounds. For horse shows, a substitution is considered the horse, not each class in which it is entered. A \$5.00 penalty per horse must be paid prior to judging for each substitution made by the exhibitor.

5. All riders, drivers, and attendants shall be neatly and suitably dressed on entering the show ring. Horse show manager shall have final decision.

Junior Horse Show Exhibitors in 4-H, FFA, and Grange classes, including Independent exhibitors in those classes:

6. Junior Department rules (VII) also apply.

7. Exhibitors must wear properly strapped headgear in mounted or horse-drawn vehicle competition. Headgear must be approved by American Society for Testing and Materials/Safety Equipment Institute.

8. Junior exhibitors are expected to groom and care for their animal(s) when at the fair. They shall refrain from accepting active assistance from adults and non-exhibiting youth unless the junior exhibitor is actively engaged, and the assistance is only for instruction. Local fair rules will determine enforcement.

Ownership or Lease

1. Any horse exhibited in the junior or youth division must be owned or leased by the junior exhibitor showing the horse or owned by the junior exhibitor's parent, stepparent, sibling, half-sibling, stepsibling, grandparent, step grandparent, sibling's spouse, half sibling's spouse, stepsibling's spouse, or legal guardian (as evidenced by court documents) or owned by the institution in which the junior exhibitor is enrolled as a ward. Separate legal entities, such as family corporations, trusts, or partnerships, are also authorized owners of the youth exhibitor's horse so long as all legal and equitable owners and beneficiaries of the legal entity are individuals specifically authorized by this rule. "Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for

adequate consideration in reasonable relationship with the actual market value of the horse.

2. Horse projects must be owned or leased by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown 120 consecutive days prior to the opening day of fair or event/show if held separate from fair. The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair or event.

a. Leased horses cannot be shown for conformation in the halter division.

b. For owned horses, proof of ownership must be available at check in.

c. For leased horses, the lease, signed by the owner and the 4-H, FFA, Grange or Independent exhibitor, and a clear picture of a side view of the horse or some permanent identification must be filed at least 120 consecutive days prior to opening day of the fair or event/show if held separately from the fair at the county 4-H, FFA, or Grange office or with a person designated by the 4-H Youth Advisor, FFA Advisor or Grange Youth Advisor.

3. Horses owned as a joint project may only be shown by one designated exhibitor at an individual show.

4. All Junior Horse Show Exhibitors:

a. Fair Management will not offer Lead Line classes in fair sponsored Youth Horse Shows. Lead Line classes may be offered in Open Horse Shows or according to the provisions specified in Rule 5 -a, Special Divisions, ADDITIONAL DEPARTMENTAL RULES, Section VII. Junior Department, page 13.

b. Fair Management will not allow junior exhibitors to ride or show stallions unless it is specifically provided for by the breed association and in that case only in those specific breed classes at a US Equestrian sanctioned show.

c. Junior horse exhibitors may be allowed to enter the Senior Department horse show unless Local Rules prohibit.

Participation

1. Ponies entered in classes in which horses are eligible to compete cannot be shown in pony classes at the same show. Fair Management can restrict ponies from entering certain classes by stating so wherever applicable in the exhibitor handbook.

2. Donkeys and mules cannot be shown in "all other breed" halter classes.

3. Elimination s, if deemed necessary by the management, may be held in classes with large entries. The exhibitor shall be expected to ascertain whether eliminations will be held.

Management

1. No show or contest official or his/her spouse shall enter or exhibit horses in any show or contest at which he/she is officiating, nor may any horse owned by such person be entered or exhibited. A show contest official shall be defined as any person performing the duties of a show manager, judge steward, show secretary, cutter, or chariot race official, or any other horse contest. Duties include but are not limited to:

a. Contacting or hiring of judges; and

b. Acceptance of entries or entry fees.

2. Minor children of Directors, Chief Executive Officer (CEO), Department Supervisor, Show Manager, staff and/or committee members may exhibit horses which are the result of the child's own earnings or a gift made to the child, provided the requirements of the pertinent rules are met. All other requirements for exhibiting must be met.

3. Animals owned jointly by a director and his/her minor child or a CEO and his/her minor child are considered as owned by the child in junior division classes only.

4. Show Manager reserves the right to return entries, transfer entries or combine divisions or classes, and/or cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.

a. Any return of entries under this rule must be done on a nondiscriminatory basis.

b. The horse show management must divide classes of 50 or more. Separate prize money and ribbons shall be provided for each class.

5. Horse show management shall assign a number to each horse. The exhibitor must wear the number when showing the horse.

6. Photocopies of registration certificates for horse shows may be permitted for the purpose of submitting entries. However, if the fair receives any complaint or challenge concerning the registration of any animal, the fair may request an original registration certificate and may disqualify the entry if it cannot be produced.

Awards

1. Fair Management may withhold the payment of awards for exhibits which are in question under State and Local Rules and may recover awards that have been paid for exhibits in question.

2. For ties other than first place in a jumper or other individually worked competition, the prize money is split. Ties for first follow the jump off rules of the specific Table and Section for that jumper class. If there is still a tie, prize money is split between the winners (i.e., first and second place money is pooled and split evenly between the two riders). Distribution of non-money awards shall be determined by management.

Judges

1. The judge may judge for conformation before entering the show ring.

2. In halter horse classes, judges shall be expected to give reasons for their decisions, embracing the value and desirable qualifications of the animals for which premiums are awarded, whenever possible and reasonable.

3. Judges shall not discriminate against exhibitors wearing protective headgear.

XII. EQUINE HEALTH RULES

1. All animals must be serviceably sound. The soundness of animals when determined by the official veterinarian or by the judge shall be final and cannot be protested. The horse show management may request the official veterinarian to examine any animal in competition. All penalties of the [Horse Protection Act of 1970](#) shall be strictly enforced.

2. Exhibitors who refuse to allow their animal to be examined shall be disqualified from showing and such violation shall be reported to F&E. No refund can be made in these cases.

Equine Health Regulations

Direct specific questions to CDFA, Animal Health and Food Safety Services, 1220 N Street, Sacramento, California 95814 -- (916) 900-5002.

1. Equines known to be EIA positive or non-negative reactors are forbidden to enter, reside, compete, or sell at any state-supported fairgrounds.

2. Equine Medication Monitoring Program (EMMP) ([CA Food & Aq Code 24000-24018](#))

a. Horses are subject to random drug and medication testing specified in the Food and Agricultural Code Sections 24000-24018. The applicable fee is \$8.00 per horse per event. The following events are exempt from the Equine Medication Monitoring Program:

A rodeo – related competition, which is strictly a timed performance with no subjective judging, held apart from a public event.

A sale of solely racehorses, Competitions under the jurisdiction of the California Horse Racing Board.

A public equine event for which the class or event entry fee is less than \$4.99 per class and other fees do not exceed \$19.99 (Other fees include but are not limited to, grounds fees, stall fees or office fees.)

A public equine event in which all fees for participation are less than \$19.99 (Fees include but are not limited to class fees,

grounds fees, stall fees or office fees.)

b. The California Equine Medication Rule permits therapeutic drugs or medications prescribed by a licensed veterinarian for the treatment of a veterinary diagnosed illness or injury. All drugs or medications must be used in accordance with the California Equine Medication Rules. Prohibited substances include most stimulants, depressants, tranquilizers, anesthetics including local anesthetics, sedative analgesics, corticosteroids excluding dexamethasone, anabolic steroids, soring agents, and masking agents. Nine permissible medications (dexamethasone, diclofenac acid, firocoxib, flunixin, ketoprofen, meclofenamic acid, methocarbamol, naproxen, and phenylbutazone) are restricted to therapeutic usage as prescribed or administered by a licensed veterinarian, and test-sample levels detected must be in compliance with plasma or urine levels associated with limited dosing*. Additionally, the detection of more than one non-steroidal anti-inflammatory drug in either a blood or urine sample is a violation of California rules. Maintaining a current listing of specific prohibited substances is impossible due to the continual introduction of new pharmaceuticals, discontinuation of old ones, off labeled prescription of human products, and utilization of foreign products. Additionally, some exemptions exist.

*Specific information is contained in the "EMMP Medication Guidelines Brochure" found at http://www.cdffa.ca.gov/ahfss/Animal_Health/emmp/ or may be requested from CDFA/EMMP at (916) 508-3302 or emmp@cdffa.ca.gov.

c. Horses must be withdrawn from competition for at least 24 hours after administration of a prohibited substance. A drug declaration form must be filed with an event manager for administration of any prohibited substance three (3) days before the event, to any horse entered in the event. Penalties for violations of the medication rules include fines, suspension, and forfeiture of all winnings.

3. Horse Protection Act

Exhibitors must comply with the [Horse Protection Act of 1970](#) and rules adopted by the U.S. Secretary of Agriculture to carry out its provisions.

Equine Entries from Other States

1. All exhibition equine entering California require individual official identification (ID), an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state, and evidence of a negative Equine Infectious Anemia (EIA) test performed at a USDA-approved laboratory within 12 months before the date of entry. A "pending" EIA test result does not satisfy the entry requirement. The requirements apply to horses, ponies, mules, donkeys, burros, and zebras.

2. Instead of an ICVI, equine may move on an Extended Equine CVI (EECVI) Movement Permit, also known as equine passport.

3. Acceptable methods for official identification of equine include:

- Complete written physical description of the animal that includes the animal's name, age, breed, sex, color, distinctive markings including brands, whorls, and scars, and any form of identification such as tattoo or microchip if present.
- Series of four (4) photographs with four (4) views (left-side, right-side, front view, and a view from behind).
- Unique individual identification tattoo or brand associated with an official equine registry. Official registration papers must accompany the animal.
- Electronic implants (microchips) that are ISO 11784/11785 compliant and contain 15 digits. Microchips are implanted in the nuchal ligament on the left side of the neck. A microchip scanner should accompany the animal.
