2800 GATEWAY OAKS DRIVE STE #257 • SACRAMENTO, CALIFORNIA 95833 • (916) 900-5026

PREFACE

1. The purposes of these rules are to:
 - a. Ensure educational and equitable competition;
 - b. Provide state-wide competition consistency; and
 - c. Maximize exhibitor and public safety.
2. These rules apply to all competitive exhibits conducted by District Agricultural Associations, citrus fruit fairs and county fairs in the State of California.
3. These rules cannot be waived or amended by anyone, including the fair board, management, or judge.
4. The Fairs & Expositions Branch (F&E) is the final and absolute interpreter of these rules. Only a fair may request, in writing a variance on their own behalf or on behalf of an exhibitor to a specific rule. This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair.
5. A fair may allow a family back-up animal, although not required to do so. The purpose of a family back-up animal is to allow siblings to share custody of a second animal. If they choose to, immediate family members may have only one (1) back-up animal per family, rather than one for each family member. The fair will determine how the entry and fees will be processed. Contact your local fair to determine if this is allowed and the procedures to follow. Family back-up animals must follow all state and local rules.
6. Fair Management and/or Board of Directors may grant variances to ownership rule in the instance of deceased animals, submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors.
7. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, correctness or reliability of any advice, opinion, statement, or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail or at www.cdfa.ca.gov/fairsandexpositions.
8. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules.
9. If a local rule is not printed in the exhibitor handbook the applicable State Rule will apply.
10. Competition at the California State Fair is not governed by State Rules for California Fairs.

AMERICANS WITH DISABILITIES ACT

CDFA and the Network of California Fairs are committed to providing accessible and reasonable accommodations in its services, activities, and programs in accordance with the Americans with Disabilities Act (ADA). 2. Exhibitors are responsible for obtaining entry form(s) & rules from fair and submit the form(s) and any required fees by the closing date as specified by Fair Management.

Any return of entries or fees under this rule will be done on a nondiscriminatory basis. The decision of Fair Management under this rule is only appealable to the Chief Executive Officer (CEO), whose decision is final.

3. Fair Management may combine classes of 4 or less entries for meaningful competition.

4. Exhibitors may not submit the same entries to two or more fairs that require them to be on exhibit at the same time unless prior written approval has been obtained from both fairs. A copy of this approval must be submitted with entry forms.

Participation

1. In order to participate in a youth livestock program (excluding horse, cavies & dogs) at any California Fair, all exhibitors 9 years of age and older must obtain annual certification in the Youth for the Quality Care of Animals (YQCA) program or a comparable fair run program approved by the California Department of Food and Agriculture, Fairs and Expositions Branch. Those not certified are not eligible to participate at a California Fair.

2. The Fair Management shall deny entry or disqualify and remove any exhibit or exhibitor that is ineligible for competition

under State and Local Rules or endangers the public or has violated State and Local Rules. The fair may require removal of the exhibitor and/or exhibit (including animals) from the fairgrounds.

3. Exhibitors, leaders, advisors, and parents found, after a chance to provide evidence and be heard before the Fair Management (CEO and staff) of unethical practices as set forth in the State and Local Rules or in actions inimical with the fair program shall result in the exhibit being disqualified and the forfeiture of any awards and/or privileges as may be deemed appropriate to the circumstances by the Fair Management. If the judging for the exhibit has not yet commenced the exhibitor, leaders, advisors, and parents may be denied entry in any exhibitions at the fair. The Fair Management shall report any such incidences of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any fair to refuse entries from the exhibitor, leaders, advisors, or parents for up to 5 years following the infraction.

4. Exhibits must be on exhibit as specified in the exhibitor handbook. Fair Management may allow late exhibit delivery or early removal of exhibits when it is in the best interest of the fair. Exhibits will not be removed from the fairgrounds before the release date printed in the exhibitor handbook except as determined by Fair Management in cases of sickness, accident, death, disciplinary actions requested by a youth program supervisor, or other circumstances which are in the best interests of the fair.

5. The exhibitor agrees to defend, indemnify, and hold harmless the fair, the county, and the State of California from and against any liability, claim, loss, or expense (including reasonable attorneys' fees) arising out of any injury or damage which is caused by, arises from or is in any way connected with participation in the program or event, excepting only that caused by the sole active negligence of the Fair. The Fair Management shall not be responsible for accidents or losses that may occur to any of the exhibitors or exhibits at the fair. The exhibitor (or parent or guardian of a minor) is responsible for any injury or damage resulting from the exhibitor's participation in the program or event. This includes any injury to others or to the exhibitor or to the exhibitor's property.

6. Exhibitors, leaders, and advisors must be in good standing with the local and state organization(s) (4-H, Grange, FFA) to be eligible to exhibit at the fair.

Conflict of Interest Avoidance

1. Directors, Fair Management, Chief Executive Officer (CEO), and/or their spouses are not eligible to exhibit at their own district, county, or citrus fair except in timed events. Under no circumstances shall a director, fair management, CEO and/or their spouse be eligible to collect awards.

2. Department heads, judges, staff, anyone directly involved in the judging process, and their spouses are not allowed to exhibit or sign entry forms in any division in which they or their spouse are directly involved.

3. Minor children of Directors, Chief Executive Officer (CEO), Department Supervisors, staff and/or committee members may exhibit animals or articles which are the result of the child's own earnings or a gift made to the child, provided the requirements of pertinent rules are met. All other requirements for exhibiting must be met.

III. JUDGING

1. Judges should avoid any appearance of partiality and avoid unnecessary fraternization with exhibitors.

2. No person shall act as a judge in any division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, in charge of a group of exhibitors, or a member of a group of exhibitors.

3. No person shall be allowed, under any circumstances, to interfere with the judge(s) regarding their adjudications, or with the fair's staff, or to offer any audible criticism of an exhibit or exhibitor. Violators of this rule shall be excused immediately from the competition and shall be subject to such additional penalties, including cancellations of awards, as the management shall consider proper.

4. The judge has the authority to:

a. Disqualify or transfer to the correct class any exhibit that does not meet the requirements of the division or class in which it is entered; b. Disqualify any exhibit not properly cleaned or fitted; c. Disqualify any exhibit that is in his/her opinion hazardous to public safety; d. Examine the animals before entering the show ring; and/or e. Refuse to make award to any animal that shows visible evidence of disease, deformity, or lameness. No award will be made to exhibits eliminated under any of the above instances.

5. The judge may not waive State Rules.

6. The judge's decision is final. Fair Management may not request any changes in judges' rulings.

7. To encourage high standards, the judge shall award first, second, third place, etc. according to merit. If without merit, the judge shall make no award under any circumstances. The judge may award championships or other awards at his/her discretion for superior exhibits. This applies whether there are one or more exhibits in class.

IV. AWARDS AND SCORING

1. Fair Management is not responsible for errors on entry forms. No exhibitor shall be entitled to an award that has been disallowed as the result of his/her own error.

2. All divisions or classes will be judged under the American system and/or Danish system as stated in the fair's exhibitor handbook.

3. State "Judging Standards" are to be used where applicable. Local judging standards may be used if published in the exhibitor handbook.

4. Cash awards will be paid only as recorded on the signed Judging Sheet or judging affidavit and only to the exhibitor.

5. Fair Management shall withhold the payment of awards for exhibits that are determined ineligible under State and Local Rules and may recover awards that have been paid for ineligible exhibits.

6. No exhibitor shall receive more than two cash awards in any one class using American judging system. (See definition of exhibitor.)

a. When an exhibitor earns more than two awards in a class, the exhibitor will receive the two highest cash awards, and the lesser cash awards will be moved down the placings to other exhibitors; ribbons will be awarded as placed. b. Failure to reimburse the fair shall be cause for disallowing future entries in any of the network of California fairs.

3. Protests can only be filed by an exhibitor being affected by a violation of State or Local Rules, their parent/guardian, or leader/advisor.

4. Time to File a Protest:

8. Prior to judging the affected class, fairs may announce that an entry has been protested.

9. All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.

10. Violations of State Rules may be appealed to F&E in writing.

11. An individual may appeal to F&E only after adjudication at

The individual can substantiate new and credible information that was not available at the time of the local decision; or c. There was inappropriate adjudication at the local level that may have included conflict of interest, lack of due process, or a significant misinterpretation of rules.

12. A fair or state, national or international organization or subdivision thereof which has a significant stake in the interpretation of rules affecting the network of California fairs may make an appeal directly to F&E concerning multiple-fair issues, industry-wide issues, unavoidable conflict of interest or assistance in enforcing its own organization rules.

13. No protest will be accepted unless it:

a. Is filed or received, in writing, with a signed original and a signed duplicate copy; b. Clearly states which rule has been violated; c. States when the protestor first became aware of the facts and rule violation; d. States the facts relied upon for the basis of the protest; e. States that the protestor will cooperate with the investigation of the protest and that the protestor will be available and agrees to attend any hearing held to resolve the protest at the time and place directed by F&E; f. Includes the names of supporting witnesses, with accessible phone numbers; and g. Describes or attaches any documents relating to the protest, which must include the written decision issued by the local arbitrating body.

horses as specified in this document) solely by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown as specified below. Animal projects may NOT be shown by another person at ANY other show/jackpot regardless of the other shows' rules, within the animal's ownership period. The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair unless the event in the case of horse shows is held separately from the Fair. Ownership must be maintained through show date(s) of fair or event. See also VIII Livestock Department and XI. Horse Show Department Ownership of Lease, rules 1 and 2.

4. No junior exhibitor may exhibit an animal in a market class once it has been sold as a market animal through a fair junior livestock auction. These animals may be shown following the 30 consecutive day ownership requirement as breeding animals only. All champion and reserve champion market animals will be permanently identified by the fair if sold through a fair junior livestock auction unless these animals are sold at a terminal sale with no live animal pick-up.

5. Animals shown in showmanship must be owned (or leased for horses) by the exhibitor, entered by the exhibitor and shown in an appropriate market, breeding/conformation, or performance class. If dog showmanship is the only class offered, dogs are eligible for showmanship without competing in performance or conformation classes. If the exhibitor has a market animal that does not meet the weight requirements and as a result may not show in an individual market class, the exhibitor may use this animal for showmanship if and only if this animal is the only animal the exhibitor has brought to the Fair.

6. Market animals intended to be sold through the Fair's Junior Livestock Auction must be entered into a market judging class and be market ready at the time of judging to sell. It is recommended that an official "Intent to Sell" list be available in the Livestock Office for each exhibitor and/or parent to sign a declaration of their intent to sell after the market animals have been judged, especially if the Junior Livestock Auction is a terminal sale.

If the Fair's Junior Livestock Auction is terminal, the market animals declared will be added to Junior Livestock Auction sale order and sold for resale or custom processing only. Once the market animal has been sold through the Junior Livestock Auction, ownership is then transferred to the buyer with the

highest bid. If the Fair's Junior Livestock Auction is terminal, no live animal pick up is allowed, except by the transportation provided by the Fair to the processing facility.

5. All riders, drivers, and attendants shall be neatly and suitably dressed on entering the show ring. Horse show manager shall have final decision.

Local fair rules will determine enforcement.

Ownership or Lease

1. Any horse exhibited in the junior or youth division must be owned or leased by the junior exhibitor showing the horse or owned by the junior exhibitor's parent, stepparent, sibling, half-sibling, stepsibling, grandparent, step grandparent, sibling's spouse, half sibling's spouse, stepsibling's spouse, or legal guardian (as evidenced by court documents) or owned by the institution in which the junior exhibitor is enrolled as a ward. Separate legal entities, such as family corporations, trusts, or partnerships, are also authorized owners of the youth exhibitor's horse so long as all legal and equitable owners and beneficiaries of the legal entity are individuals specifically authorized by this rule.

2. Horse projects must be owned or leased by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown 120 consecutive days prior to the opening day of fair or event/show if held separate from fair. The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair or event.

a. Leased horses cannot be shown for conformation in the halter division. b. For owned horses, proof of ownership must be available at check in. "Owned" means, in addition to other legitimate methods of acquiring ownership, the bona fide legal ownership obtained for adequate consideration in reasonable relationship with the actual market value of the horse. c. For leased horses, the lease, signed by the owner and the 4-H, FFA, Grange or Independent exhibitor, and a clear picture of a side view of the horse or some permanent identification must be filed at least 120 consecutive days prior to opening day of

4. Show Manager reserves the right to return entries, transfer entries or combine divisions or classes, and/or cancel any division or class in which, in its judgment, the entries are insufficient to secure adequate competition.

a. Any return of entries under this rule must be done on a nondiscriminatory basis. b. The horse show management must divide classes of 50 or more. Separate prize money and ribbons shall be provided for each class.

5. Horse show management shall assign a number to each horse. The exhibitor must wear the number when showing the horse.

Awards

1. Fair Management may withhold the payment of awards for

exhibits which are in question under State and Local Rules and may recover awards that have been paid for exhibits in question.

2. For ties other than first place in a jumper or other individually worked competition, the prize money is split. Ties for first follow the jump off rules of the specific Table and Section for that jumper class. If there is still a tie, prize money is split between the winners (i.e., first and second place money is pooled and split evenly between the two riders). Distribution of non-money awards shall be determined by management.

Judges

1. The judge may judge for conformation before entering the show ring.

2. In halter horse classes, judges shall be expected to give reasons for their decisions, embracing the value and desirable qualifications of the animals for which premiums are awarded, whenever possible and reasonable.

3. Judges shall not discriminate against exhibitors wearing protective headgear.

XII. EQUINE HEALTH RULES

2. Exhibitors who refuse to allow their animal to be examined shall be disqualified from showing and such violation shall be reported to F&E. No refund can be made in these cases.

A sale of solely racehorses,

Competitions under the jurisdiction of the California Horse Racing Board.

A public equine event for which the class or event entry fee is less than \$4.99 per class and other fees do not exceed \$19.99 (Other fees include but are not limited to, grounds fees, stall fees or office fees.)

A public equine event in which all fees for participation are less than \$19.99 (Fees include but are not limited to class fees, grounds fees, stall fees or office fees.)

b. The California Equine Medication Rule permits therapeutic drugs or medications prescribed by a licensed veterinarian for the treatment of a veterinary diagnosed illness or injury. All drugs or medications must be used in accordance with the California Equine Medication Rules. Prohibited substances include most stimulants, depressants, tranquilizers, anesthetics including local anesthetics, sedative analgesics, corticosteroids excluding dexamethasone, anabolic steroids, soring agents, and masking agents. Nine permissible medications (dexamethasone, diclofenac acid, firocoxib, flunixin, ketoprofen, meclufenamic acid, methocarbamol, naproxen, and phenylbutazone) are restricted to therapeutic

usage as prescribed or administered by a licensed veterinarian, and test-sample levels detected must be in compliance with plasma or urine levels associated with limited dosing*. Additionally, the detection of more than one non-steroidal anti-inflammatory drug in either a blood or urine sample is a violation of California rules. Maintaining a current listing of specific prohibited substances is impossible due to the continual introduction of new pharmaceuticals, discontinuation of old ones, off labeled prescription of human products, and utilization of foreign products. Additionally, some exemptions exist.

*Specific information is contained in the "EMMP Medication Guidelines Brochure" found at http://www.cdfa.ca.gov/ahfss/Animal_Health/emmp/ or may be requested from CDFA/EMMP at (916) 508-3302 or emmp@cdfa.ca.gov.

c. Horses must be withdrawn from competition for at least 24 hours after administration of a prohibited substance. A "pending" EIA test result does not satisfy the entry requirement. The requirements apply to horses, ponies, mules, donkeys, burros, and zebras.

2. Instead of an ICVI, equine may move on an Extended Equine CVI (EECVI) Movement Permit, also known as equine passport.

3. Acceptable methods for official identification of equine include:

DEPARTMENT RULES

1. All entries must be entered online by Tuesday, July 8.
2. Due to the perishable nature of the entries in this Department, the Agriculture - Produce Divisions will be incorporated into two shows, thus allowing the exhibits to remain fresh throughout the course of the Fair.
3. All entries in the Agriculture Horticulture Department must be locally grown by the exhibitor and must be of the current season's crop.
4. This department is limited to residents of San Luis Obispo County.
5. Variety of products must be correctly labeled. The quality desired in agricultural and horticultural product exhibits is the quality that brings the best financial return in the commercial market. Exhibits must have reached that stage of ripeness which will insure the completion of the ripening process to a degree that will insure palatability after the removal of the product from the tree, plant or vine (Section 42513, Food and Agricultural Code) in order to be considered for premium awards.
6. All perishable items will be disposed of following the Fair in the interest of public health and safety. Non-perishable items may be picked up on Tuesday, July 29 between 9:00 am and 6:00 pm. Items not claimed will be disposed of properly.
7. Fair Management reserves the right to combine classes in divisions with less than five (5) entries and three (3) exhibitors, as well as, create classes from an Any Other Variety Class when a specific varieties' entries are in excess of three (3). These changes will be noted, and adjustments will be made for the following year. These procedures are intended to maintain industry standards and accommodate changing trends and varieties.
