State Rules

CALIFORNIA DEPARTMENT OF FOOD & AGRICULTURE •
FAIRS & EXPOSITIONS BRANCH
2800 GATEWAY OAKS DRIVE STE #257 • SACRAMENTO,
CALIFORNIA 95833 • (916) 900-5026

PREFACE

1. The purposes of these rules are to:
 - a. Ensure educational and equitable competition;
 - b. Provide state-wide competition consistency; and
 - c. Maximize exhibitor and public safety.
2. These rules apply to all competitive exhibits conducted by District Agricultural Associations, citrus fruit fairs and county fairs in the State of California.
3. These rules cannot be waived or amended by anyone, including the fair board, management, or judge.
4. The Fairs & Expositions Branch (F&E) is the final and absolute interpreter of these rules. Only a fair may request, in writing a variance on their own behalf or on behalf of an exhibitor to a specific rule. This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request, it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair.
5. A fair may allow a family back-up animal, although not required to do so. The purpose of a family back-up animal is to allow siblings to share custody of a second animal. If they choose to, immediate family members may have only one (1) back-up animal per family, rather than one for each family member. The fair will determine how the entry and fees will be processed. Contact your local fair to determine if this is allowed and the procedures to follow. Family back-up animals must follow all state and local rules.
6. Fair Management and/or Board of Directors may grant variances to the ownership rule in the instance of deceased animals, submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors.
7. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, correctness or reliability of any advice, opinion, statement, or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail or at www.cdfa.ca.gov/fairsandexpositions.
8. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules.
9. If a local rule is not printed in the exhibitor handbook the applicable State Rule will apply.
10. Competition at the California State Fair is not governed by State Rules for California Fairs.

AMERICANS WITH DISABILITIES ACT

CDFA and the Network of California Fairs are committed to providing accessible and reasonable accommodations in its services, activities, and programs in accordance with the Americans with Disabilities Act (ADA). Persons with disabilities needing a special accommodation should contact their respective fair office prior to the fair event.

1. By signing and submitting an entry form the exhibitors and their agents, parents and leaders acknowledge and agree that they:

 - b. Agree to abide by them;
 - c. Certify that all information on the entry form is true and accurate; and

 - e. In the event that it is determined there has been unethical treatment of animals or violation of state or federal regulations or of state or local fair drug policy rules, exhibitor names will be forwarded to F&E as well as given to the Network of California Fairs and to appropriate government agencies.
2. Exhibitors are responsible for obtaining entry form(s) and rules from fair and submitting the form(s) and any required fees by the closing date as specified by Fair Management.
 3. No entry form or entry will be accepted after the closing date for entries.
 4. Entry deadlines can be extended by the fair's Board of Directors only if the extension is made prior to the original closing date. See also Horse Show Department.

In the livestock department a minimum \$5 penalty must be paid prior to judging for each substitution made by the exhibitor in excess of two in the division. See also Horse Show Department.

Any exhibit not properly entered may be transferred to its proper class by Fair Management, whose decision may be changed only by the judge.
2. The Fair Management has the right to limit entries to facilities available and/or cancel any division or class in which there are not enough entries. Any return of entries or fees under this rule will be done on a nondiscriminatory basis. The decision of Fair Management under this rule is only appealable to the Chief Executive Officer (CEO), whose decision is final.
3. Fair Management may combine classes of 4 or less entries for meaningful competition.
4. Exhibitors may not submit the same entries to two or more fairs that require them to be on exhibit at the same time unless prior written approval has been obtained from both fairs. A copy of this approval must be submitted with entry forms.

Participation

1. In order to participate in a youth livestock program (excluding horse, cavies & dogs) at any California Fair, all exhibitors 9 years of age and older must obtain annual certification in the Youth for the Quality Care of Animals (YQCA) program or a comparable fair run program approved by the California

Department of Food and Agriculture, Fairs and Expositions Branch. Those who are not certified are not eligible to participate at a Network of California Fairs.

2. The Fair Management shall deny entry or disqualify and remove any exhibit or exhibitor that is ineligible for competition under State and Local Rules or endangers the public or has violated State and Local Rules. The fair may require removal of the exhibitor and/or exhibit (including animals) from the fairgrounds.
3. Exhibitors, leaders, advisors, and parents found, after a chance to provide evidence and be heard before the Fair Management (CEO and staff) of unethical practices as set forth in the State and Local Rules or in actions inimical with the fair program shall result in the exhibit being disqualified and the forfeiture of any awards and/or privileges as may be deemed appropriate to the circumstances by the Fair Management. If the judging for the exhibit has not yet commenced the exhibitor, leaders, advisors, and parents may be denied entry in any exhibition at the fair. The Fair Management shall report any such incidents of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any fair to refuse entries from the exhibitor, leaders, advisors, or parents for up to 5 years following the infraction.
4. Exhibits must be on exhibit as specified in the exhibitor handbook. Fair Management may allow late exhibit delivery or early removal of exhibits when it is in the best interest of the fair. Exhibits will not be removed from the fairgrounds before the release date printed in the exhibitor handbook except as determined by Fair Management in cases of sickness, accident, death, disciplinary actions requested by a youth program supervisor, or other circumstances which are in the best interests of the fair.
5. The exhibitor agrees to defend, indemnify, and hold harmless the fair, the county, and the State of California from and against any liability, claim, loss, or expense (including reasonable attorneys' fees) arising out of any injury or damage which is caused by, arises from or is in any way connected with participation in the program or event, excepting only that caused by the sole active negligence of the Fair. The Fair Management shall not be responsible for accidents or losses that may occur to any of the exhibitors or exhibits at the fair. The exhibitor (or parent or guardian of a minor) is responsible for any injury or damage resulting from the exhibitor's participation in the program or event. This includes any injury to others or to the exhibitor or to the exhibitor's property.
6. Exhibitors, leaders, and advisors must be in good standing with the local and state organization(s) (4-H, Grange, FFA) to be eligible to exhibit at the fair.

Conflict of Interest Avoidance

1. Directors, Fair Management, Chief Executive Officer (CEO), and/or their spouses are not eligible to exhibit at their own district, county, or citrus fair except in timed events. Under no circumstances shall a director, fair management, CEO and/or their spouse be eligible to collect awards.
2. Department heads, judges, staff, anyone directly involved in the judging process, and their spouses are not allowed to exhibit or sign entry forms in any division in which they or their spouse are directly involved.
3.  - b. In the case of protest, the unofficial judging results may be used to prepare the sale list and other necessary information.
7. At the discretion of the CEO, judging can be delayed to allow time for the fair to resolve the protest if to do so does not

unreasonably delay or disrupt the operations of the remainder of the fair judging and auction events.

8. Prior to judging the affected class, fairs may announce that an entry has been protested.
9. All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.

 - f. Includes the names of supporting witnesses, with accessible phone numbers; and
 - g. Describes or attaches any documents relating to the protest, which must include the written decision issued by the local arbitrating body.
14. Fairs & Expositions Branch (F&E) must receive the appeal in writing within 24 hours from receipt of notice of local decision.
15. A hearing may be conducted at the discretion of F&E. The F&E Branch Chief may consult with and/or request that members of State Rules Advisory Committee participate in any hearing.

4. Advisor, leader, teacher, or parent/guardian signature on the entry form is required by the fair certifying that:
 - a. Projects have been under their supervision in accordance with the rules and regulations of the organization and the fair; and

5. Independent exhibitors must enter an open junior or Independent class unless one is not available. If an open or Independent class is not available, junior exhibitors may enter an appropriate 4-H, FFA or Grange class. Division and/or class placement of Independents may be determined by Fair Management.

2. Junior horse exhibitors may be allowed to enter the Senior Department horse show unless Local Rules prohibit.
3. Animals entered as individuals in the junior department cannot be entered in group classes of the senior department and vice versa.
4. When violations to rules 1-3 occur, the junior exhibitor is not eligible for 12 months following the infraction to exhibit in that animal species or division (non-livestock) as a junior at any California fair.

Livestock and Horse Exhibits, Ownership

1. Animal and horse projects must be owned (and leased horses as specified in this document) solely by and under the exhibitor's care and management and under the supervision of the organization in which the project will be shown as specified below. Animal projects may NOT be shown/entered by another person at ANY other show/jackpot regardless of the other shows' rules, within the animal's ownership period, except when multiple animals are entered by the same exhibitor in the same class. The official ownership date is the date shown on the receipt of sale unless the animal was bred by the exhibitor. The days are counted prior to the opening day of the fair unless the event in the case of horse shows is held separately from the Fair. Ownership must be maintained through show date(s) of fair or event. *See also VIII Livestock Department and XI. HORSE SHOW DEPARTMENT Ownership of Lease, rules 1 and 2.*
 - a. Market animals: Beef - 120 consecutive days; and 60 consecutive days for swine, sheep, veal, and goats.
 - b. Breeding and feeder animals: 30 consecutive days.
 - c. All small market animals (rabbits and poultry): 30 consecutive days.
 - d. All horses and llamas: leased or owned 120 consecutive days. Fairs will determine the ownership period requirement for any other animal species (e.g., potbellied pigs). Animals are not to be entered by another exhibitor at any other show/jackpot within the ownership period.
2. No animal exhibit (excluding rabbit & poultry) owned by a chapter or club, conducted as a joint project by two or more individuals, or jointly owned by two or more individuals is eligible in the junior department, unless the division or class specifically so states, or in the case that breeding animals are jointly owned by siblings only. Breeding animals entered in the junior department may be jointly owned by siblings provided the animal is entered and exhibited solely and in the name of one individual junior exhibitor, and that exhibitor is one of the siblings listed on the registration paper issued by a recognized-breed association. All entries must be registered and recorded by a recognized breed association in the name of the exhibitor(s). A 30-day consecutive ownership requirement applies to each sibling – meaning if one sibling shows the breeding animal at one fair, it cannot be shown by the other sibling within 30 days at another fair. Animals with a farm, family, ranch, or non-sibling owner's name listed as the owner are NOT eligible to enter. No pending papers will be accepted. Only ORIGINAL REGISTRATION PAPERS will be accepted.
3. Under no circumstances may an exhibitor simultaneously enter the same species of animal or bird (horses, beef cattle, dairy cattle, swine, sheep, dairy goats, meat goats, pygmy goats, poultry, pigeons, or rabbits) under more than one youth organization (FFA, 4-H, Grange or Independent) in classes of the junior department in the same year. **(Please refer to 4-H/FFA/Grange/Fairs & Expositions Youth Agreement at**

<https://www.cdfa.ca.gov/fairsandexpositions/> for more information).

4. No junior exhibitor may exhibit an animal in a market class once it has been sold as a market animal through a fair junior livestock auction. These animals may be shown following the 30 consecutive day ownership requirement as breeding animals only. All market animals sold through a fair junior livestock auction with a live pick-up disposition will be permanently identified using universal tattoo in the left ear (for 2026 fair season, use "FE26") with green ink prior to the release of market animals.
 5. Animals shown in showmanship must be owned (or leased for horses) by the exhibitor, entered by the exhibitor and shown in an appropriate market, breeding/conformation, or performance class. If dog showmanship is the only class offered, dogs are eligible for showmanship without competing in performance or conformation classes. If the exhibitor has a market animal that does not meet the weight requirements and as a result may not show in an individual market class, the exhibitor may use this animal for showmanship if and only if this animal is the only animal the exhibitor has brought to the Fair.
 6. Market animals intended to be sold through the Fair's Junior Livestock Auction must be entered into a market judging class and be market ready at the time of judging to sell. It is recommended that an official "Intent to Sell" list be available in the Livestock Office for each exhibitor and/or parent/authorized representative to sign a declaration of their intent to sell after the market animals have been judged, especially if the Junior Livestock Auction is a terminal sale. Each fair may choose, at the local level, to provide additional opportunities for exhibitors to withdraw from participating in the Junior Livestock Auction up until the moment their market animal is sold.
If the Fair's Junior Livestock Auction is terminal, the market animals will be sold for resale or custom processing only. Once the market animal has been sold through the Junior Livestock Auction, ownership is then transferred to the buyer with the highest bid. If the Fair's Junior Livestock Auction is terminal, no live animal pick up is allowed, except by the transportation provided by the Fair to the processing facility.
 7. **Horse exhibits:**
 - a. Proof of ownership or lease must be available at check-in time.
 - b. Leased horses cannot be shown for conformation in the halter horse division.
 - c. 4-H, FFA, Grange and Independent exhibitors may show leased horses, provided the member has responsibility for the care and management of the horse during the period of the lease; and the signed lease between owner and member, with a clear picture of a side view of the horse or some permanent identification is filed at least 120 consecutive days prior to the fair or event/horse show if held separately from the fair, at the County 4-H, FFA, or Grange office, or with a person designated by those offices. Independent exhibitors must file with the fair office. *See also XI HORSE SHOW DEPARTMENT Ownership or Lease, rules 1 and 2.*
 - d. Junior exhibitors cannot ride or show stallions unless it is specifically provided for by the breed association and in that case only in those specific breed classes at an US Equestrian sanctioned show.
- Livestock & Horse Exhibits, Other**
1. Junior exhibitors are expected to groom and care for their animal(s) when at the fair. They shall refrain from accepting active assistance from adults and non-exhibiting youth unless the junior exhibitor is actively engaged, and the assistance is only for instruction. Local fair rules will determine

enforcement.

2. Junior exhibitors in 4-H, FFA, Grange and Independent classes must wear properly strapped headgear in mounted or horse-drawn vehicle competition. Headgear must be approved by American Society for Testing and Materials / Safety Equipment Institute.

1. All animals must be serviceably sound. The soundness of animals when determined by the official veterinarian or by the judge shall be final and cannot be protested. The horse show management may request the official veterinarian to examine any animal in competition. All penalties of the [Horse Protection Act](#) of 1970 shall be strictly enforced.
2. Exhibitors who refuse to allow their animal to be examined shall be disqualified from showing and such violation shall be reported to F&E. No refund can be made in these cases.

Equine Health Regulations

Direct specific questions to CDFA, Animal Health and Food Safety Services, 1220 N Street, Sacramento, California 95814 -- (916) 900-5002.

1. Equines known to be EIA positive or non-negative reactors are forbidden to enter, reside, compete, or sell at any state-supported fairgrounds.
2. [Equine Medication Monitoring Program \(EMMP\)](#)
 - a. Horses are subject to random drug and medication testing specified in the [Food and Agricultural Code Sections 24000-24018](#). The applicable fee is \$14.00 per horse per event. The following events are exempt from the Equine Medication Monitoring Program:
 - i. A rodeo – related competition, which is strictly a timed performance with no subjective judging, held apart from a public event.
 - ii. A sale of solely racehorses.
 - iii. Competitions under the jurisdiction of the California Horse Racing Board.
 - iv. As of January 1, 2026: A public horse show in which the class or event entry fee is fifteen dollars (\$15) or less, and either no other fees are charged, or all other fees combined do not exceed sixty dollars (\$60). Fees charged may include ground fees, stall fees, or any other fees composed of money, goods, or services assessed to permit competitors to enter into the event.
 - b. The California Equine Medication Rule permits therapeutic drugs or medications prescribed by a licensed veterinarian for the treatment of a veterinary diagnosed illness or injury. All drugs or medications must be used in accordance with the California Equine Medication Rules. Prohibited substances include most stimulants, depressants, tranquilizers, anesthetics including local anesthetics, sedative analgesics, corticosteroids excluding dexamethasone, anabolic steroids, soiling agents, and masking agents. Nine permissible medications (dexamethasone, diclofenac acid, firocoxib, flunixin, ketoprofen, meclufenamic acid, methocarbamol, naproxen, and phenylbutazone) are restricted to therapeutic usage as prescribed or administered by a licensed veterinarian, and test sample levels detected must be in compliance with plasma or urine levels associated with limited dosing*. Additionally, the detection of more than one

non-steroidal anti-inflammatory drug in either a blood or urine sample is a violation of California rules. Maintaining a current listing of specific prohibited substances is impossible due to the continual introduction of new pharmaceuticals, discontinuation of old ones, off labeled prescription of human products, and utilization of foreign products. Additionally, some exemptions exist.

*Specific information is contained in the “EMMP Medication Guidelines Brochure” found at https://www.cdfa.ca.gov/ahfss/Animal_Health/emmp/ or may be requested from CDFA/EMMP at (916) 508-3302 or emmp@cdfa.ca.gov.

- c. Horses must be withdrawn from competition for at least 24 hours after administration of a prohibited substance. A drug declaration form must be filed with an event manager for administration of any prohibited substance three (3) days before the event, to any horse entered in the event. Penalties for violations of the medication rules include fines, suspension, and forfeiture of all winnings.

3. Horse Protection Act

Exhibitors must comply with the Horse Protection Act of 1970 and rules adopted by the U.S. Secretary of Agriculture to carry out its provisions.

Equine Entries from Other States

1. All exhibition equine entering California require individual official identification (ID), an Interstate Certificate of Veterinary Inspection (ICVI) with an inspection date within 30 days before movement into the state, and evidence of a negative Equine Infectious Anemia (EIA) test performed at a USDA-approved laboratory within 12 months before the date of entry. A “pending” EIA test result does not satisfy the entry requirement. The requirements apply to horses, ponies, mules, donkeys, burros, and zebras.
2. Instead of an ICVI, equine may move on an Extended Equine CVI (EECVI) Movement Permit, also known as equine passport.
3. Acceptable methods for official identification of equine include:
 - a. Complete written physical description of the animal that includes the animal’s name, age, breed, sex, color, distinctive markings including brands, whorls, and scars, and any form of identification such as tattoo or microchip if present.
 - b. Series of four (4) photographs with four (4) views (left-side, right-side, front view, and a view from behind).
 - c. Unique individual identification tattoo or brand associated with an official equine registry. Official registration papers must accompany the animal.
 - d. Electronic implants (microchips) that are ISO 11784/11785 compliant and contain 15 digits. Microchips are implanted in the nuchal ligament on the left side of the neck. A microchip scanner should accompany the animal.
