

2026 CMSF Photo Upload

- Go to the online entry system: [Showworks Online Entry](#)
 - The front page will have buyer information, please ignore that.
- Click Sign in in the top, right corner
- Sign in using the information you used for entries
- Click "Information is Correct, Continue"
- Click the Drop Down next to your name in the top, right corner and select "Your Past Transactions"
- You should see a brown box on the left of your Confirmation ID that says "Upload Files", click here
- On the pop-up screen select, "Choose File"
- Browse your computer for the photo of your choice and click Upload
- Make sure the upload is complete before clicking Done!

- Photo Specifics
 - **Photos are due for upload on Wednesday, July 8th.**
 - - MUST be in proper uniform, or photos taken with a club or chapter photo background.
 - - Take the photo Landscape.
 - - Take your photos with the subject centered in the frame.
 - - Image file types allowed: jpeg, png, gif, bmp
 - - Image file max storage size: 8 MB
 - - Make sure there is space between the subject and the borders of your photo.
(Do not make your subject the entire photo)

If you have any questions or do not see the Upload Files button next to your receipt, please email the Livestock Office at livestock@midstatefair.com.
