## DEPARTMENT RULES

1. All entries must be entered on-line by Tuesday, July 9.
2. Due to the perishable nature of the entries in this Department, the Agriculture - Produce Divisions will be incorporated into two shows, thus allowing the exhibits to remain fresh throughout the course of the Fair.
3. All entries in the Agriculture Horticulture Department must be locally grown by the exhibitor and must be of the current season's crop.
4. This department is limited to residents of San Luis Obispo County, the Santa Maria High School District in Santa Barbara County, and the King City High School District in Monterey County.
5. Variety of products must be correctly labeled. The quality desired in agricultural and horticultural product exhibits is the quality that brings the best financial return in the commercial market. Exhibits must have reached that stage of ripeness which will insure the completion of the ripening process to a degree that will insure palatability after the removal of the product from the tree, plant or vine (Section 42513, Food and Agricultural Code) in order to be considered for premium awards.
6. All perishable items will be disposed of following the Fair in the interest of public health and safety. Non-perishable items may be picked up on Tuesday, August 4. Items not claimed will be disposed of properly.
7. Fair Management reserves the right to combine classes in divisions with less than five (5) entries and three (3) exhibitors, as well as, create classes from an Any Other Variety Class when a specific varieties' entries are in excess of three (3). These changes will be noted, and adjustments will be made for the following year. These procedures are intended to maintain industry standards and accommodate changing trends and varieties.
