## HARVEST DINNER & GRAPE STOMP

Join the best Harvest Party in Paso Robles  
FRIDAY, OCTOBER 19<sup>TH</sup> & SATURDAY OCTOBER 20<sup>TH</sup>

Roll up your pant legs and get ready to stomp! In between grape stomping, folk dancing and of course, fabulous Opolo wine, we will be treating you to some of Opolo's finest delicacies.

This event sells out every year, reserve your tickets today!

**FOR TICKETS AND MORE INFORMATION  
VISIT: [OPOLO.COM](http://OPOLO.COM) OR CALL 805.238.9593**

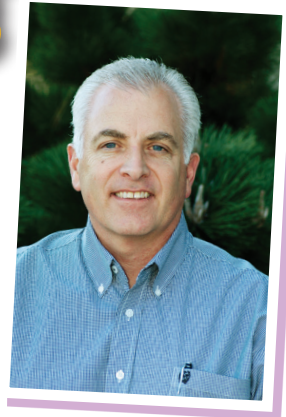

Opolo | 7110 Vineyard Drive, Paso Robles CA 93446 | 805.238.9593

# ¡OLE!

## IT'S FIESTA TIME

### WELCOME TO THE MID-STATE FAIR

Welcome to America's Favorite Fair!  
This year's celebration promises to be better than ever. You will quickly notice our theme "Ole! Its Fiesta Time" brings together bright colors, great food, diverse music and the important traditions that make the California Mid-State Fair so special.

Our team has developed new programming that provides more fair experiences, while still presenting all your annual favorites. This "What's New List" includes the pride of the county known as The Showcase of Cities, the exciting Pig Races and the Western Wildlife Oasis. Guests will be introduced to the brand-new Career Fair that demonstrates opportunities for anyone to establish themselves as a member of the trades and become successful plumbers, carpenters, welders, masons, electricians and more. Other new programs include the "Hands-On Farming Exhibit" celebrating our local Master Teacher Dr. Joe Sabol; new carnival rides, more livestock shows, more food, more pigs, more 4-H and FFA; longer shopping

hours and a brand-new show known as Bikes, Bulls and Pulls set for July 29 in the Grandstand.

Our Grandstand Concert line-up is, as always, the best entertainment in the country including two record-breaking sell-out shows (Eric Church and Luke Bryan). The free entertainment on the grounds can be found in multiple locations and promises to provide something for everyone.

As always, thank you for your patronage and please stop me on the fairgrounds during your time here to say hello and let us know how we can improve.

All the Best!

*Michael H. Bradley*  
*California Mid-State Fair CEO*

# Agriculture from Above

- We can check 100 acres in approximately 20 minutes, and have images processed within an hour of landing
- Shows growers different spectral bands to evaluate plant health, irrigation leaks, or where noxious weeds are located using GPS coordinates
- Uses a Multi-Rotor Unmanned Aerial Vehicle equipped with a high resolution multispectral camera

FAA UAS Remote Pilot Cert # 3941849
