Bred & Fed

WE WILL NOT BE HOLDING A CLASS IN THE RING, WE HAVE SEVERAL QUALIFING CHAMPIONS. A local producer will be defined

as a producer whose ranch or operation is located within the geographical and surrounding areas of San Luis Obispo County (the Producer may be a Junior). This award will be managed by Fair staff. Exhibitors whom enter the bred and fed division and place 1st or 2nd in their respective market classes will be advanced in the bred and fed competition. In the case that a bred and fed qualifying animal is in the supreme champion drive their will be no animals brought back to the showing. In the case that no qualifying bred and fed animal is in the supreme drive Fair staff will determine the next highest champion, division winner, or class winner to be the bred and fed champion. In the case that no animal entered in the bred and fed competition has earned a champion title in the market show staff will notify qualifying exhibitors and will hold an in-ring competition to determine the bred and fed champion. This show will be held after the completion of the Market Swine. The Fair Staff reserves the right to break the division into multiple classes or run all Bred and Fed swine together dependent on number qualifying for bred and fed class.
