

California Mid-State Fair Market Turkey Guidelines

Each exhibitor needs to take four (4) pictures of the turkey.

1. Left profile

3. One front view

2. Right profile (do not flip one picture to make two profiles)

4. One view of the bird flipped, showing a view of the breast

Picture of the flipped bird must have the leg band visible on the bird. Exhibitors must be present in each picture wearing the 4-H uniform.
