

New Paso Robles Pavilion

The Paso Robles Event Center is proud to introduce our latest addition, The Paso Robles Pavilion. This amazing structure was funded by the Heritage Foundation. We are extremely excited about the structures use for events given that it is a 95,000 square feet of open space. We see this as an opportunity for new rental possibilities like car shows, livestock shows, expanding horse show events... the possibilities are endless. You can rent a portion of the building or all of it. This structure includes professional lighting, restroom and shower facilities, office space, Big Ass Fans, and wash racks.

Paso Robles Pavilion

- \$1,100/day - \$2,000/day
- 30,000 sq. ft.
