Trade	£ 21.90

**DESCRIPTION**

Enhance the look of your LED lighting installation with our 2 Metre Standard Surface Mounted White Aluminium Profile. Measuring 14x17 mm, this profile not only provides a sleek and modern appearance but also helps in dissipating heat from the LED strip to prolong its life. The profile comes with all necessary mounting accessories and end caps, ensuring easy installation. Achieve a linear effect with LED strips having more than 120 LEDs per meter when combined with this profile. Get the perfect lighting setup with our Standard Surface Mounted White Aluminium Profile.
