Trade	£ 22.90

**DESCRIPTION**

Get the perfect linear lighting effect with our 2 Metre Surface Mounted Aluminium Profile. Measuring 19x20 mm, this profile includes all necessary mounting accessories and end caps to ensure a seamless installation. With compatibility for both square and round diffusers, it's the perfect choice for any project. The profile also helps with heat dissipation, prolonging the life of your LED strip with more than 60 LEDs per metre. Upgrade your lighting game with this versatile surface mounted aluminium profile today!
