

PRODUCT DATASHEET

General Info

SKU	APS-2875A/2
Product Name	2 Metre Modular-Cavity Surface Mounted Aluminium Profile, 75x50 mm
Category	LED Profile
Unit of Measure	Item

Dimensions

Length (mm)	2000
Width (mm)	50
Height (mm)	75
Weight (g)	750
Trade	£ 131.90

DESCRIPTION

Introducing the 2 Metre Modular-Cavity Surface Mounted Aluminium Profile, designed for the ultimate LED lighting solution. The profile, with its 75x50 mm size, is made of high-quality aluminium and includes all necessary mounting accessories and end caps. The profile helps to dissipate heat from the LED strip, thereby prolonging its life. The profile's linear effect is achieved when combined with LED strips with more than 60 LEDs per metre. The modular design of the profile allows for easy joining of multiple profiles using accessories to create a continuous length with a cavity for the power supply LED driver. Upgrade your lighting setup with this versatile and durable aluminium profile.

ADDITIONAL ATTRIBUTES

Mounting method	Surface
Colour housing	Aluminium
Suitable for max tape width(mm)	28
Linear effect achieved with LED's per metre	>60
Recessed width	-
