DESCRIPTION

Get the perfect lighting solution with the Accessory Pack for APS-2875A! This pack includes all the mounting accessories you need, including brackets and two end caps (one with a hole punch for cable feedthrough). The pack also includes accessories to join lengths of profile together, allowing you to create one continuous length. Perfect for heat dissipation and prolonging the life of your LED strip, this accessory pack is a must-have for anyone looking for a seamless lighting setup
